Board Office**Memo**

To: Board of Trustees, PERS
From: Jeff S. Ignatowitz, PERS Board Secretary
Date: January 19, 2022
Re: Election Update

As the Board is aware, there are currently two positions up for reelection this year, the PERS State and PERS Municipal positions. We are pleased to announce that PERS State candidate and current Chairman Tom Bruno, was the only candidate to receive the requisite 500 nominations, and therefore, he has been elected without balloting. The official results provided by Election-America are attached hereto. Congratulations Mr. Chairman!

With respect to the PERS Municipal Representative position, the deadline for candidates to receive nominations was Friday, January 7, 2022, at 4:00 p.m. However, at the close of that nominations period, no candidate had garnered the 300 nominations required to qualify for placement on the election ballot. Accordingly, we are writing to advise that the period for nominations has been extended until 4:00 p.m. on February 7, 2022.

On behalf of the Board, I am hopeful the extended period will be sufficient to allow a Municipal candidate to obtain the 300 nominations necessary to qualify for the election. Only candidates who have already declared their interest in the position will remain eligible to receive nominations during this period. We will provide notification to the Certifying Officers and update the Division's web site to reflect the extension of the nominations period.

Finally, in the event that no candidate receives the requisite nominations prior to the extended deadline, we are requesting that the Board approve the undersigned to extend the nominations period until at least one obtains the necessary.

REQUEST FOR AN EXTENSION OF TIME TO SUBMIT ADDITIONAL DOCUMENTATION IN THE APPEAL OF THE BOARD'S DENIAL OF ORDINARY DISABILITY

(A motion was made by Trustee Culliton to adopt Resolution B and enter into Executive Session; seconded by Trustee DeScala. A motion was made to enter back into Closed Session by Trustee DeScala; seconded by Trustee Smith.)

Rina Giancaspro – Hoboken City – The Board considered the personal statements and submissions of attorney, Matthew Vance regarding his request on behalf of his client, Rina Giancaspro, for a 90-day extension to provide additional medical documentation in the appeal of the Board's denial of Ms. Giancaspro's application for Ordinary Disability retirement benefits. The record before the Board establishes that on February 4, 2021, Ms. Giancaspro submitted an *Application for Disability Retirement* requesting Ordinary Disability retirement benefits effective April 1, 2021. At its meeting on August 18, 2021, the Board considered and denied Ms. Giancaspro's application for Ordinary Disability retirement benefits and offered Service retirement benefits, which she accepted. By letter dated September 13, 2021, Ms. Giancaspro appealed the Board's denial of Ordinary Disability retirement benefits and asked for an extension of time to provide additional medical documentation in support of her appeal. The Division eventually granted Ms. Giancaspro two extension requests – October 22, 2021 and November 28, 2021. However, the Division denied a third extension request. After careful consideration, the Board determined that the Division provided Ms. Giancaspro with an adequate amount of time to provide medical documentation supporting her application for Ordinary Disability retirement benefits and denied the request for an additional extension of time. However, the Board determined the matter meets the standards for a contested case hearing set forth in the Administrative Procedure Act, N.J.S.A.52:14B-1 and the Uniform Administrative Procedure Rule, N.J.A.C. 1:1-1 et seq. and therefore granted a hearing in the Office of Administrative Law (OAL). (Motion made by Trustee Culliton; seconded by Trustee Smith.)

#1) T/P = permanently and totally disabled mentally or physically, from performing the regular assigned work duties and any other available job duties

#2) The disability is a direct result of a traumatic event that is: a) identifiable as to time and place, b) undesignated and unexpected, and c) caused by a circumstance external to the member (not the result of pre-existing disease that is aggravated or accelerated by the work).

If the event was non-physical, the member must also establish d) that the event that forms the basis for an accidental disability was objectively capable of causing a reasonable person in similar circumstances to suffer a disabling mental injury, based on a finding that the disability resulted from "direct personal experience of a terrifying or horror-inducing event that involves actual or threatened death or serious injury, or a similarly serious threat to the physical integrity of the member or another person."

#3) The event occurred during and as a result of the performance of the member's regular or assigned duties.

#4) The disability was not the result of the member's willful negligence; and

#5) The member is mentally or physically incapacitated from performing the usual or any other duty.

D/M = Delayed manifestation (due to the delayed manifestation of the disability or circumstances beyond the control of the member) cases must be considered on those applications filed beyond five years of the accident date, if the application was filed within a "reasonable time" following manifestation of the disability, based on the totality of the facts and circumstances of the case

HONORABLE SERVICE

Valerie Jeter – East Jersey State Prison – The Board considered all documentation in the record concerning the circumstances under which Valerie Jeter resigned from employment, to determine what impact, if any, it may have on Ms. Jeter's Service retirement benefits, in accordance with N.J.S.A. 43:1-3. N.J.S.A. 43:1-3 establishes 11 factors, which the Board is to consider and balance in view of the pension statutes when determining whether forfeiture or partial forfeiture of pension service credit is appropriate. These factors are:

1. The member's length of service;

Valerie Jeter has 19 years and 1 month of service credit in the PERS;

2. The basis of retirement;

At its meeting of February 19, 2020, the PERS Board approved Valerie Jeter's Service retirement benefits effective August 1, 2019. However, at the time of its approval, the Board was unaware of the administrative charges;

3. The extent to which the member's pension has vested;

Valerie Jeter was vested in the PERS for an August 1, 2019 retirement and was 66 years of age as of the date of her last pension contribution;

4. The duties of the particular member;

At the time of the administrative charges, Valerie Jeter held the position of Social Worker Supervisor I Secured Facilities. In this position, she was in charge of social work programs and services in an adult or juvenile correctional institution or other agency including the supervision of the establishment and maintenance of essential records and files;

5. The member's public employment history and record covered under the retirement system;

Valerie Jeter was enrolled in the PERS effective June 3, 2000, as a result of her employment with New Jersey Department of Corrections as a Social Worker Supervisor 1. She continued to hold that title when she was transferred to East Jersey State Prison in June 2001, and upon her resignation on July 31, 2019;

6. Any other public employment;

None noted;

7. The nature of the misconduct or crime, including the gravity or substantiality of the offense, whether it was a single or multiple offense and whether it was continuing or isolated;

A Preliminary Notice of Disciplinary Action (PNDA) dated May 1, 2019 charged Valerie Jeter with Insubordination; Performance-Neglect of duty, loafing, idleness, or willful failure to devote attention to tasks which would not result in danger to persons or property; Personal Conduct-Falsification-Intentional misstatement of material fact in connection with work, employment application, attendance, or in any record, report, investigation or other processing; and Violation of rule, regulation, policy, procedure, order or administrative decision. Specifically, an operations audit conducted on August 7, 2018, revealed that for several months Valerie Jeter neglected to ensure that social services staff members processed inmate birth certificate applications in a timely manner resulting in thirty-eight outstanding birth certificate applications and thirty-seven inmate requests for birth certificate assistance left unhandled, dating back to the year 2016. A meeting was held between Valerie Jeter and her supervisor and she was given thirty days to rectify the issues. On September 25, 2018, management found thirteen certificate applications were still outstanding and thirty-seven case notes indicating inmates had requested birth certificate assistance, which remained unresolved.

OPEN SESSION

HONORABLE SERVICE (continued)**Valerie Jeter – East Jersey State Prison – (continued)**

It was also discovered that several case notes were deleted rather than corrected. The failure to perform her duties resulted in inmates being without the opportunity to receive assistance in obtaining their birth certificates prior to release as required by law. Subsequently, Valerie Jeter was suspended for 20 days. The Board found that the misconduct was serious, occurred on multiple occasions and continued over an extended period of time;

8. **The relationship between the misconduct and the member's public duties;**
Direct;
9. **The quality of moral turpitude or the degree of guilt or culpability, including the member's motives and reasons, personal gain and similar considerations;**
The Board found that the misconduct involved a high degree of guilt and culpability, and the member's motives were for personal gain, in that she accepted a salary but failed to perform important duties;
10. **The availability and adequacy of other penal sanctions;**
Valerie Jeter appealed the suspension. In a hearing decision, the hearing officer found Valerie Jeter's recommended sanction of a twenty day suspension warranted for neglect of duty, insubordination, and violation of Departmental rules and State regulations. A Final Notice of Disciplinary Action dated August 15, 2019, suspended Valerie Jeter for twenty days. Valerie Jeter appealed the hearing decision and in a Settlement Agreement dated October 21, 2019, the NJDOC agreed to reduce Valerie Jeter's twenty-day suspension to five days. Valerie Jeter would not be required to serve the suspension as long as she retired by August 1, 2019. Valerie Jeter agreed to the August 1, 2019, retirement and to waive back pay;
11. **Other personal circumstances relating to the member which bear upon the justness of forfeiture;**
None noted.

The record before the Board reveals that Ms. Jeter was enrolled in the PERS effective June 3, 2000, as a result of her employment with the New Jersey Department of Corrections (NJDOC) as a Social Worker Supervisor 1. Ms. Jeter continued to hold that title as of her last pension contribution on August 2, 2019. The record indicates that she resigned from employment due to administrative charges. A Preliminary Notice of Disciplinary Action (PNDA) dated May 1, 2019 charged Ms. Jeter with Insubordination; Performance-Neglect of duty, loafing, idleness, or willful failure to devote attention to tasks which would not result in danger to persons or property; Personal Conduct-Falsification-Intentional misstatement of material fact in connection with work, employment application, attendance, or in any record, report, investigation or other processing; and Violation of rule, regulation, policy, procedure, order or administrative decision. Specifically, an operations audit conducted on August 7, 2018, revealed that for several months Ms. Jeter neglected to ensure that social services staff members processed inmate birth certificate applications in a timely manner resulting in thirty-eight outstanding birth certificate applications and thirty-seven inmate requests for birth certificate assistance left unhandled, dating back to the year 2016. A meeting was held between Ms. Jeter and her supervisor and she was given thirty days to rectify the issues. On September 25, 2018, management found thirteen certificate applications were still outstanding and thirty-seven case notes indicating inmates had requested birth certificate assistance, which remained unresolved. Ms. Jeter's failure to perform her duties resulted in inmates being without the opportunity to receive assistance in obtaining their birth certificates prior to release as required by law. Subsequently, Ms. Jeter was suspended for twenty days. She appealed the suspension. Ultimately, the hearing officer found the recommended sanction of a twenty-day suspension was warranted for neglect of duties, insubordination, and violation of Departmental rules and State regulations. A Final Notice of Disciplinary Action dated August 15, 2019, suspended Ms. Jeter for twenty days. She appealed the hearing decision and in a Settlement Agreement dated October 21, 2019, the NJDOC agreed to reduce the twenty-day suspension to five days. Ms. Jeter would not be required to serve the suspension as long as she retired by August 1, 2019. Ms. Jeter agreed to the August 1, 2019, retirement date as well as waiving back pay. After careful consideration of the above in light of the statutory forfeiture provisions of N.J.S.A. 43:1-3, the Board found that Ms. Jeter's misconduct was serious and occurred on numerous occasions over a continuous period of time. The Board found that the misconduct was directly related to her employment. The Board further found that the misconduct involved a high degree of guilt and culpability, and that Ms. Jeter's motives were for personal gain. Therefore, the Board determined that a forfeiture of Ms. Jeter's final year of service and salary credit would be an appropriate penalty in light of the serious nature of the misconduct. The decrease in Ms. Jeter's monthly retirement benefit will be retroactive to her effective retirement date of August 1, 2019. (Motion made by Trustee Hurst; seconded by Trustee Brown.)

Lambros Vlachakis – New Brunswick City – The Board considered the personal statements of Lambros Vlachakis and all relevant documentation in the record concerning Mr. Vlachakis' application for Deferred retirement benefits, in light of his dismissal for misconduct directly related to his employment. After careful consideration, the Board voted to deny Mr. Vlachakis' application for Deferred retirement benefits in accordance with N.J.S.A. 43:15A-38, which states, in pertinent part:

Should a member of the Public Employees' Retirement System, after having completed 10 years of service, be separated voluntarily or involuntarily from the service, before reaching service retirement age, and not by removal for cause on charges of misconduct or delinquency, such person may elect to receive:

- (a) The payments provided for in section 41b of this act,¹ if he so qualifies under said section, or;
- (b) A deferred retirement allowance, beginning at the retirement age...

[(Emphasis added).]

The record before the Board establishes that Mr. Vlachakis was enrolled in the PERS effective December 1, 1992 with the City of New Brunswick as a result of his employment as an Electrician.

OPEN SESSION

HONORABLE SERVICE (continued)**Lambros Vlachakis – New Brunswick City – (continued)**

Mr. Vlachakis continued to hold that title until his termination on May 18, 1998. On June 30, 1998, Mr. Vlachakis was charged with job abandonment. Specifically, he had requested a leave of absence effective May 18, 1998 until no later than September 8, 1998. However, Mr. Vlachakis' employer denied that request on May 14, 1998. After his leave request was denied, Mr. Vlachakis neither reported to work nor called out for the subsequent 32 working days. As a result, the City Engineer requested that Mr. Vlachakis' employment be terminated. On July 14, 1998, a Preliminary Notice of Disciplinary Action (PNDA) was issued charging Mr. Vlachakis with "no call no show" for five or more consecutive days. A Final Notice of Disciplinary Action dated July 30, 1998, sustained the charges as detailed in the PNDA, effectively removing him from service on May 18, 1998. At the time of Mr. Vlachakis' removal from employment, he was approximately 41 years of age and his PERS account reflected a total of 11 years and 5 months of service credit.² Therefore, at that time, the only benefit Mr. Vlachakis could file for was a Deferred retirement. Mr. Vlachakis filed an application for a Deferred retirement on December 4, 2018, requesting a Deferred retirement effective January 1, 2019. Consequently, the Board found that because Mr. Vlachakis was dismissed due to misconduct directly related to his employment, he is not eligible for a Deferred retirement, and the Board denied his retirement application under the provisions of N.J.S.A. 43:15A-38. See also In re Hess, 422 N.J. Super. 27 (App. Div. 2011). Mr. Vlachakis is eligible to withdraw his accumulated pension contributions remitted during active membership. (Motion made by Trustee Hurst; seconded by Trustee Culliton.)

REQUEST TO CHANGE RETIREMENT OPTION FROM MAXIMUM TO OPTION A UNDER TIER 1 RETIREMENT ACCOUNT

Joanne Auerbach – New Brunswick City – The Board considered the personal statements of Joanne Auerbach and all documentation in the record concerning Ms. Auerbach's request to change her retirement option from Maximum to Option A under her PERS Tier 1 retirement account. The record before the Board establishes that Ms. Auerbach resigned from employment with New Brunswick City on March 31, 2007. At that time, Ms. Auerbach was 50 years of age and had accrued 17 years and 5 months of service credit. Thus, at the time Ms. Auerbach resigned from her employment, the only benefit to which she was entitled under her PERS Tier 1 membership account was a Deferred retirement benefit. Accordingly, Ms. Auerbach was eligible for a Deferred retirement effective July 1, 2016 (the first month following her 60th birthday). However, she began working for the Montgomery Township Board of Education on December 1, 2013 as a Bus Driver, and a PERS Tier 5 account was established as a result of this employment. As a previous PERS Tier 1 member, Ms. Auerbach was not eligible for retirement benefits until she retired from her PERS Tier 5 employment. Ms. Auerbach ultimately resigned from this position effective December 31, 2021. She filed applications for both accounts with an effective retirement date of January 1, 2022.

² The Division's records indicate that Mr. Vlachakis purchased several time periods of prior PERS service credit.

OPEN SESSION

REQUEST TO CHANGE RETIREMENT OPTION FROM MAXIMUM TO OPTION A UNDER TIER 1 RETIREMENT ACCOUNT (continued)

Joanne Auerbach – New Brunswick City – (continued)

This matter is governed by N.J.S.A. 43:15A-38, which states in pertinent part:

Should a member of the Public Employees' Retirement System, after having completed 10 years of service, be separated voluntarily or involuntarily from the service, before reaching service retirement age, and not by removal for cause on charges of misconduct or delinquency, such person may elect to receive:

...

(b) A deferred retirement allowance, beginning at the retirement age,

...

with optional privileges provided for in section 50³ of this act if he exercises such optional privilege at least 30 days before his attainment of the normal retirement age;

(Emphasis added)

Thus, because Ms. Auerbach filed her PERS Tier 1 Deferred retirement application after age 60, the only retirement option she was able to select was the Maximum option as detailed under N.J.S.A. 43:15A-38. The record indicates Ms. Auerbach submitted her application on December 1, 2021, approximately 5 years beyond the requisite date to select a retirement option. Therefore, Ms. Auerbach is statutorily precluded from changing her retirement option from Maximum to Option A, which would provide a survivor benefit under her PERS Tier 1 retirement account. After careful consideration of the above in light of statute, the Board denied Ms. Auerbach's request to change her retirement option from Maximum to Option A under her PERS Tier 1 retirement account. (Motion made by Trustee Hurst; seconded by Trustee Culliton.)

APPEALS THE DIVISION'S RECALCULATION OF RETIREMENT ALLOWANCE

(A motion was made by Trustee Hurst to adopt Resolution B and enter into Executive Session; seconded by Trustee O'Brien. A motion was made to enter back into Open Session by Trustee Hurst; seconded by Trustee Winthers.)

Cheri Wong – Dept. of Children and Families – The Board considered the personal statements of Cheri Wong and all documentation in the record concerning Ms. Wong's appeal of the Division's recalculation of her pension allowance. The record before the Board establishes that Ms. Wong filed an application for Accidental Disability retirement benefits on or about February 16, 2010. Although the Board originally denied the application, Ms. Wong appealed, and after an administrative hearing, the Board approved Ms. Wong's application for Accidental Disability retirement benefits at its meeting of December 11, 2013. On or about May 16, 2021, Ms. Wong wrote to the Division and asserted that the monthly benefit she had received beginning in 2014 was lower than that which she believed she was entitled to and provided documentation in support of her position. On June 15, 2021, the Division responded to the inquiry and determined that Ms. Wong's benefits had been overpaid due to an error in the calculation of her retirement benefits.

OPEN SESSION

APPEALS THE DIVISION'S RECALCULATION OF RETIREMENT ALLOWANCE (continued)

Cheri Wong – Dept. of Children and Families – (continued)

Pursuant to N.J.S.A. 43:15A-46, Accidental Disability retirement benefits "provide a total retirement allowance of 72.7% of (her) actual annual compensation for which contributions were being made at the time of the occurrence of the accident." As explained in the Division's letter, Ms. Wong listed an accident date of March 24, 2005, which took place in pay period #7 of that year. However, when Ms. Wong's retirement benefit was calculated, the Division used the salary she earned during pay period #7 in 2006. This resulted in an overpayment each month of \$277.58, for a total of \$30,268.58. The Division determined that Ms. Wong's benefit would be reduced from \$2,795.98 to \$2,568.40, to become effective with her check dated July 1, 2021. The Division also scheduled a deduction from Ms. Wong's pension benefit of \$630.58 each month until the overpayment had been repaid to the Fund.⁴ On November 25, 2021, the Division wrote to Ms. Wong and advised that the overpayment amount was waived due to the Division's calculation error. Scheduled deductions for the overpayment were stopped as of the January 1, 2021, check. In addition, the Division issued a non-standard check, dated December 4, 2021 for \$3,142.28, to reimburse Ms. Wong for the prior deductions for the overpayment. After careful consideration of the facts as detailed above, the Board voted to deny Ms. Wong's request to reverse the Division's recalculation of her retirement benefit. In making its determination, the Board relied upon N.J.S.A. 43:15A-54, which states, in pertinent part:

If any change or error results in an employee or beneficiary receiving from the retirement system more or less than he would have been entitled to receive, then on discovery of the error, the retirement system shall correct it and, so far as practicable, adjust the payments in such a manner that the actuarial equivalent of the benefit to which he was correctly entitled shall be paid.

The Board noted that the Division waived the repayment of over \$30,000 in benefits Ms. Wong was not eligible to receive based on the statutes governing Accidental Disability retirement benefits. The Board's decision carefully manages its fiduciary responsibility to its members, but takes into account the hardship Ms. Wong would encounter if she were required to reimburse the Fund for all benefits received in error. Although the Board noted that the mistake in the calculation of Ms. Wong's benefit was through no fault of her own, the Board acts as "fiduciaries and therefore have a duty to protect the fund and the interests of all beneficiaries thereof." Mount v. Trustees of Public Employees' Retirement System, 133 N.J. Super. 72, 86 (App. Div. 1975). Accordingly, the Board affirmed the Division's recalculation of Ms. Wong's pension allowance and denied her appeal. (Motion made by Trustee Hurst; seconded by Trustee Culliton.)

⁴ Ms. Wong requested an extended period of time to repay the overpayment. That hardship request was approved by the Division and her monthly repayment amount was reduced from \$630.58 to \$502.3

OPEN SESSION

REQUEST TO WAIVE ACCRUED INTEREST ON OUTSTANDING LOAN OBLIGATION

Raymond Jack – Woodbury City – The Board considered the personal statements of Raymond Jack and all documentation in the record concerning Mr. Jack's request to waive the accrued interest on the outstanding balance of his pension loan obligation owed as determined by the Division. On May 9, 2017, the Division notified Mr. Jack that a review of his PERS account revealed that he had a pension loan balance of \$9,722.27 that was never satisfied prior to his retirement as required by N.J.S.A. 43:15A-34. Therefore, the Division established a repayment schedule with payments being deducted from Mr. Jack's monthly retirement allowance to satisfy the outstanding obligation with applicable interest. Starting with Mr. Jack's check dated June 1, 2017, a payment of \$197.82 was deducted from his retirement allowance. Once the principal was paid off, Mr. Jack was advised in May 2021 that he was required to pay interest on the outstanding loan balance in the amount of \$2,076.92. Thereafter, Mr. Jack wrote to the Division to request a waiver of the interest due on the loan balance because, he asserted, the payments should have been deducted from his retirement checks after his retirement became effective and that the PERS failed to calculate his monthly payments to include interest as required. Mr. Jack sent a follow up inquiry through the Division's website on August 14, 2021. His request was received and confirmed by email. On November 1, 2021, Mr. Jack sent a certified letter outlining his previous attempts to submit his formal appeal and included the aforementioned correspondence. On December 2, 2021, Damon Bernardini, Quality Control Supervisor, Retirement Bureau, responded to Mr. Jack's letter and advised that the PERS statutes N.J.S.A. 43:15A-34 and N.J.S.A. 43:15A-34.1, the Internal Revenue Code, and applicable regulations, require interest to be paid on his loan balance, which is also a part of the loan agreement he entered into when the loan was taken. As with all pension loans, interest accrues until the loan is fully paid. Following its review of Mr. Jack's appeal, the Board denied his request to waive the accrued interest owed on the outstanding loan balance. In making its determination, the Board relied upon N.J.S.A. 43:15A-34 and N.J.S.A. 43:15A-34.1. N.J.S.A. 43:15A-34 governs the repayment of a PERS member's pension loan and states in part that "[t]he rate of interest for a loan requested by a member prior to the effective date of P.L.2007, c.92 (C.43:15C-1 et al.) shall be 4% per annum on any unpaid balance thereof." Further:

Loans shall be made to a member from the member's aggregate contributions. The interest earned on such loans shall be treated in the same manner as interest earned from investments of the retirement system.

[N.J.S.A. 43:15A-34.]

N.J.S.A. 43:15A-34.1 governs the payment of loans carried into the member's retirement:

In the case of any member who retires without repaying the full amount so borrowed, the Division of Pensions and Benefits shall deduct from the retirement benefit payments the same monthly amount which was deducted from the compensation of the member immediately preceding retirement until the balance of the amount borrowed together with the interest is repaid. In the case of a pensioner who dies before the outstanding balance of the loan and interest thereon has been recovered, the remaining balance shall be repaid from the proceeds of any other benefits payable on the account of the pensioner either in the form of monthly payments due to his beneficiaries or in the form of lump sum payments payable for pension or group life insurance.

OPEN SESSION

**REQUEST TO WAIVE ACCRUED INTEREST ON OUTSTANDING LOAN OBLIGATION
(continued)**

Raymond Jack – Woodbury City – (continued)

While the Board regrettably noted that Mr. Jack's loan was not carried into retirement and no deductions were made from his monthly retirement benefit, N.J.S.A. 43:15A-54, provides for the correction of errors, stating, in pertinent part:

If any change or error results in an employee or beneficiary receiving from the retirement system more or less than he would have been entitled to receive, then on discovery of the error, the retirement system shall correct it and, so far as practicable, adjust the payments in such a manner that the actuarial equivalent of the benefit to which he was correctly entitled shall be paid.

Further, the Board relies on the fact that the PERS is a tax-qualified plan in accordance with the IRC, which requires that pension loans comply with I.R.C. § 72(p). Failure of the PERS to comply with the IRC could result in plan disqualification, meaning the PERS could lose its tax-qualified status. The Board is also aware that the State entered into an Agreement with the Internal Revenue Service to correct errors in the loan program that could have disqualified the PERS, and as part of that agreement, the PERS Board must enforce I.R.C. § 72(p). The Board's decision is consistent with recent appellate decisions requiring the repayment of interest, even in those instances where the Division failed to deduct loan payment from the member's pension benefit. Zilberberg v. Bd. of Trs., TPAF, (App Div. Dkt. No.: 3595-18)(decided July 2, 2021). In Zilberberg, a case in which the member challenged the Division's decision to require the repayment of interest, the court found that:

The Board's decision comported with the IRS requirement that TPAF collect a sum sufficient to repay the amount borrowed with interest thereon. IRS Rev. Proc. 2016-51, § 6.02(1). Zilberberg's unpaid loan installments militated adjustment by statute. N.J.S.A. 18A:66-63. Zilberberg received more from the retirement system than she was entitled to receive, and she is not permitted to benefit from the Board's billing mistake. The statutes are clear that the Board must correct its error and adjust Zilberberg's deductions to include the interest that will maintain TPAF's tax-qualified status.

[Zilberberg, slip. op. at 10.]

While the Board noted Mr. Jack's equity based arguments, the Board has no authority to grant his request as doing so could harm the overall pension scheme. See Sellers v. Board of Trustees of the Police & Firemen's Ret. Sys., 399 N.J. Super. 51, 62 (App. Div. 2008). (Motion made by Trustee Hurst; seconded by Trustee Bruno.)

REQUESTS A RETROACTIVE RETIREMENT DATE

Luis Ortiz – Sussex County – The Board considered the documentation in the record concerning the request of Luis Ortiz for a retroactive retirement date effective July 1, 2020. The record before the Board establishes that in May 2020, Mr. Ortiz applied for an Ordinary Disability retirement to become effective July 1, 2020. On November 4, 2020, Mr. Ortiz contacted the Office of Client Services requesting that he be permitted to change his retirement from an Ordinary Disability to a Service retirement while maintaining his July 1, 2020, retirement date. On November 9 and 10, 2020, Mr. Ortiz again contacted the Office of Client Services and was advised that he would have to cancel his retirement via his MBOS account and then apply for a Service retirement. Mr. Ortiz wrote to the Division on February 3, 2021, explaining that because he already had an application on file, he only cancelled his application pursuant to the directive provided by the pension counselor in order to allow for the change from Ordinary Disability to Service. After careful consideration, due to the unique factual circumstances present here, the Board voted to approve Mr. Ortiz's request to maintain his July 1, 2020, retirement date. (Motion made by Trustee Hurst; seconded by Trustee O'Brien.)

INITIAL DECISIONS

(A motion was made by Trustee Brown to adopt Resolution B and enter into Executive Session; seconded by Trustee O'Brien. A motion was made to enter back into Open Session by Trustee Brown; seconded by Trustee Hurst.)

Donna Walton – Dept. of Education – The Board considered the following in Donna Walton's appeal of the Board's denial of Ms. Walton's request to re-open her application for Accidental Disability retirement benefits: all exhibits; the Initial Decision of Administrative Law Judge (ALJ) Elaine B. Frick, dated November 29, 2021;⁵ exceptions filed by Deputy Attorney General (DAG) Yi Zhu, dated December 9, 2021; reply to exceptions filed by Ms. Walton, dated January 13, 2022;⁶ and DAG Zhu's personal statements to the Board. The Board noted the exceptions and the reply to exceptions. Thereafter, the Board voted to adopt ALJ Frick's factual findings but rejected ALJ Frick's legal conclusion that the documentation Ms. Walton provided met the regulatory requirements for an application for Accidental Disability retirement benefits. The Board directed the Secretary to draft findings of fact and conclusions of law consistent with its determination, to be presented to the Board for discussion and review at its February 16, 2022 meeting. (Motion made by Trustee Brown; seconded by Trustee Hurst.)

Myrtha Nicholas – Hudson County – The Board considered the following documents in the appeal of attorney, Gerald Miller, on behalf of his client, Myrtha Nicholas: all exhibits; and Administrative Law Judge (ALJ) Kimberly A. Moss' Initial Decision granting Respondent's Motion for Summary Decision, dated December 15, 2021. Thereafter, the Board adopted the ALJ's decision which granted Respondent Board's motion for summary decision, affirming the Board's determination to impose a total forfeiture of Ms. Nicholas' PERS service and salary credit pursuant to N.J.S.A. 43:1-3 and N.J.S.A. 43:1-3.1. The ALJ found that Ms. Nicholas was convicted of an offense substantially similar to an enumerated offense as detailed in N.J.S.A. 43:1-3.1. (Motion made by Trustee Brown; seconded by Trustee Hurst.)

⁵ The Board requested and was granted an extension of time until February 28, 2022 to issue its final administrative determination.

⁶ The reply to exceptions was timely submitted under a granted extension.

FINDINGS OF FACT AND CONCLUSIONS OF LAW

Michael Mosca – Ventnor City – At its meeting on December 8, 2021, the Board considered the Initial Decision (ID) of the Honorable Jeff S. Masin, ALJ, all exhibits, exceptions filed by Deputy Attorney General (DAG) Jeffrey Padgett, dated November 23, 2021 and the personal appearance of attorney, David R. Castellani, on behalf of his client, Michael Mosca. After careful consideration, the Board voted to adopt in part, reject in part, and modify the ALJ's factual findings, and to reject the finding that Mr. Mosca is eligible for PERS enrollment for his service as City of Ventnor municipal prosecutor, thereby reaffirming its original decision denying his enrollment. The Board directed the Secretary to draft findings of fact and conclusions of law consistent with its decision for presentation at its meeting of January 19, 2022.

FINDINGS OF FACT

This matter involves the application of N.J.S.A. 43:15A-7.2(a) ("Chapter 92" of the Public Laws of 2007) to the case of a municipal prosecutor. That statute provides:

- (a) A person who performs professional services for a political subdivision of this State or a board of education, or any agency, authority or instrumentality thereof, under a professional services contract awarded in accordance with section 5 of P.L.1971, c.198 (C.40A:11-5), N.J.S.18A:18A-5 or section 5 of P.L.1982, c.189 (C.18A:64A-25.5), on the basis of performance of the contract, shall not be eligible for membership in the Public Employees' Retirement System. A person who is a member of the retirement

system as of the effective date of P.L.2007, c.92 (C.43:15C-1 et al.) shall not accrue service credit on the basis of that performance following the expiration of an agreement or contract in effect on the effective date. Nothing contained in this subsection shall be construed as affecting the provisions of any agreement or contract in effect on the effective date of P.L.2007, c.92 (C.43:15C-1 et al.), whether or not the agreement or contract specifically provides by its terms for membership in the retirement system. No renewal, extension, modification, or other agreement or action to continue any professional services contract in effect on the effective date of P.L.2007, c.92 (C.43:15C-1 et al.) beyond its current term shall have the effect of continuing the membership of a person in the retirement system or continuing the accrual of service credit on the basis of performance of the contract.

Mr. Mosca was appointed annually to the Ventnor municipal prosecutor position pursuant to Local Public Contract Law ("LPCL") N.J.S.A. 40A:11-1 et seq. under a series of "no bid" contracts which made him ineligible to earn PERS service credit in that capacity. ID at 2-3. But Mr. Mosca contended that, notwithstanding the language in the appointing resolutions and public notices published consistently, year after year, from 2008 through 2015, he was nonetheless in fact a regular employee of Ventnor serving in the position of municipal prosecutor. ID at 2. Mr. Mosca asserts that the resolutions were passed and published in the newspaper due to an error repeated annually over an extended period of time. Ibid. Both the Board and Mr. Mosca moved for summary decision in this matter, ID at 2. In its moving papers the Board argued that the resolutions and public notices demonstrate that Mr. Mosca was appointed annually to the Ventnor municipal prosecutor position pursuant to Local Public Contract Law ("LPCL") N.J.S.A. 40A:11-1 et seq. under a series of "no bid" contracts which make him ineligible to earn PERS service credit in that capacity. ID at 2-3. Moreover, the certifications, drafted years after the alleged errors took place, are not sufficient to establish the fact that an error had occurred each year over an extended period of time without ever being noticed, let alone corrected, and fail to explain why the formal process to award an annual service contract was followed, if, in fact Mosca was to be retained as an employee. Ibid. Based solely on certifications submitted by Mr. Mosca, without the benefit of live testimony and cross-examination, the ALJ accepted Mr. Mosca's argument that the public process instituted by Ventnor after the passage of Chapter 92, executed faithfully year after year and published in the local press was an error by the town's staff. The ALJ found that the lack of written contracts reflecting the annual appointments corroborated Mosca's argument that he was in fact an employee. The ALJ denied the Board's motion for summary decision and granted Mosca's, holding that the certifications submitted, together with the lack of contracts subsequent to Mosca's annual appointments, establish that there was no contract between Mosca and Ventnor and that Mosca was in fact an employee eligible for PERS membership. In its review of the ALJ's findings of fact, the Board added to the factual findings the language in Ventnor's resolutions appointing Mr. Mosca as municipal prosecutor pursuant to LPCL. The Board also found that Mr. Mosca was appointed to the position of attorney/secretary and secretary in accordance with "no bid" public contract law as a professional service.

OPEN SESSION

FINDINGS OF FACT AND CONCLUSIONS OF LAW (continued)**Michael Mosca – Ventnor City – (continued)**

The Board also modifies the ALJ's factual finding to include the specific language of Resolution No. 154, passed by Ventnor on December 18, 2008 (the "2008 Resolution"), titled "Reappointment of Michael Mosca, Esq. as Prosecutor for [Ventnor]" for 2009. R-2. The resolution stated:

WHEREAS, the Ventnor City Board of Commissioners is desirous of reappointment Michael Mosca, Esq. to serve as Municipal Prosecutor for a one year term beginning January 1, 2009: and

WHEREAS, the Local Public Contracts Law (N.J.S.A. 40A:5-11 et seq.) requires that the Resolution authorizing the award of contracts for "Professional Services" without competitive bids must be publicly advertised.

The Contract is awarded without competitive bidding as a "Professional Service" under the provisions of the Local Public Contracts Law because the law permits the waiving of competitive bids under N.J.S.A. 40A:5-11.

[Ibid.]

The Board finds this language particularly important because the resolution is a public notice regarding the award of a contract worth \$31,000.00 to Mr. Mosca for appointment as municipal prosecutor. The public notices were also published each year in the Atlantic City Press as a "professional service pursuant to N.J.S.A. 40A:11-5(1)(a)." R-2. The Board therefore finds as fact that after the 2008 Resolution, Ventnor passed six essentially identical resolutions reappointing Mr. Mosca as Ventnor's municipal prosecutor for every year between 2009 and 2015, and public notices advising of these professional services contract awards were published in each year. R-3 (Resolution No. 179 of 2009); R-4 (Resolution No. 160 of 2010); R-5 (Resolution No. 187 of 2011); R-6 (Resolution No. 10 of 2013); R-7 (Resolution No. 193 of 2013); R-8 (Resolution No. 174 of 2014). Finally, the Board notes that the LPCL requires the publication of these awards in a local newspaper. N.J.S.A. 40A:11-5. There is no requirement that a general hire would require publication, nor would an employee normally be required to be rehired every year. The Board also modified the findings of fact to note that Mosca maintained his own private law practice, while purportedly an employee of Ventnor, with regular business hours of 9:00 a.m. to 5:00 p.m. R-11. Finally, the Board rejects entirely the ALJ's reliance upon the certifications of former Ventnor mayors, finding their contents as "undisputed facts." ID 10-12; 17. It is clear these documents were prepared years after the resolutions were passed, and it is difficult to determine how the Board would refute their contents considering they relate that to the "understanding" that Mr. Mosca was an employee, despite yearly appointing him as municipal prosecutor under the LPCL.

CONCLUSIONS OF LAW

The Board rejects the ALJ's conclusion that Mr. Mosca's service as Ventnor's municipal prosecutor qualifies him for PERS service credit after the effective date of Chapter 92, January 1, 2008. Rather, the Board finds that the resolutions and public notices unequivocally appointed Mr. Mosca under the provisions of the LPCL.

FINDINGS OF FACT AND CONCLUSIONS OF LAW (continued)

Michael Mosca – Ventnor City – (continued)

As such, his service in that position is not creditable under Chapter 92. The ALJ found that Mr. Mosca "was not a vendor, did not provide professional services pursuant to a professional services contract pursuant to the LPCL, and was instead always an employee of Ventnor," and therefore, "he was and remains eligible for enrollment in PERS for his services to Ventnor." ID at 9. The Board rejects that legal conclusion. Our courts have held in other Chapter 92 cases that a municipal resolution itself can constitute a binding agreement for professional services. *Lanza v. Bd. of Trs., Pub. Employees' Ret. Sys.*, 2019 N.J. Super. Unpub. LEXIS 497, at *19 (App. Div. Mar. 5, 2019) (affirming Board's determination that that appellant was not eligible for PERS service credit after effective date of Chapter 92); *Diktas v. Bd. of Trs.*, 2021 N.J. Super. Unpub. LEXIS 1042, at *8 (App. Div. June 1, 2021) (affirming Board's denial of service credit under N.J.S.A. 43:15A-7(a) and finding "ample evidence" in support, based on the plain language of the resolutions appointing the attorney pursuant to LPCL). Moreover, "[W]hile the contracts of a municipal corporation are ordinarily executed and signed on its behalf by one or more of its duly authorized officers, it is also well established by the great weight of authority that a contract, binding upon a municipality, may be brought into existence by a vote of the municipal council." *Buckley v. Jersey City*, 105 N.J. Eq. 470, 478-79 (Ch. Div. 1930), *aff'd*, 107 N.J. Eq. 137 (E. & A. 1930); see *McCurrie v. Town of Kearney*, 344 N.J. Super. 470, 480 (App. Div. 2001) (holding that, "in the absence of statutory language to the contrary, a local government may enter into a contract by the passage of a resolution"), *rev'd on other grounds*, 174 N.J. 523 (2002). Under the LPCL, a contract is a legally enforceable agreement between a "vendor who agrees to provide or perform goods or services and a contracting unit that agrees to compensate a vendor." N.J.S.A. 40A:11-2(21). Further, a contract does not need to be in writing to be enforceable. See *Leodori v. Cigna Corp.*, 175 N.J. 293, 304-05 (2003). The absence of a written agreement between the parties does not abrogate the plain language of the Resolutions. Moreover, the absence of a written contract does not amount to a genuine issue of material fact. Here, the existence of the award(s) of the public contract(s) over many years was clearly noted in the Atlantic City Press publications and the Resolutions, even if they were not separately drafted and acknowledged. The Board therefore finds that Mr. Mosca was a professional service provider appointed under the LPCL and therefore his service is not eligible for PERS credit under Chapter 92. The Board also noted, under the rules for summary decision in the Office of Administrative Law, the ALJ improperly granted summary decision in favor of Mosca, but denied the Board's motion "in the face of conflicting evidence . . .". ID at 18. In such an event, if the evidence as to the nature of Mr. Mosca's work relations to the municipality was in material conflict, summary decision should have been denied for both parties, and the evidence fully developed in an adversarial process. The Board noted that the ALJ gave significant weight to the certifications of Mosca, Kreischer, and Bagnell. ID at 10-12. However, the Board also noted that these individuals did not testify at a hearing, and their untested certifications are insufficient to support the ALJ's finding that Ventnor's governing body's repeated awards of professional service contracts, published in the newspaper each year pursuant to the LPCL, was simply an error. The Board rejects the ALJ's reliance on the certifications, because the certifications do not create a genuine dispute of material fact. The certifications, drafted years after the contracts were awarded simply cannot negate the plain language of the Resolutions appointing Mr. Mosca to a professional services agreement pursuant to the LPCL. Moreover, the ALJ credited Mr. Mosca's certified statement (supported by others) that "my name was accidentally lumped in with others when the resolutions were put together, and the Council passed the resolutions in error." ID 10-12.

OPEN SESSION

FINDINGS OF FACT AND CONCLUSIONS OF LAW (continued)**Michael Mosca – Ventnor City – (continued)**

The ALJ found the statements unrefuted, but this post hoc and self-serving statement is also factually inaccurate. The resolutions were passed each year and specifically cite to Mosca's annual reappointment, and titled appropriately, specifically naming Mosca as the individual awarded the professional services contract. R-1 thru R-8. The resolutions also were published in the Atlantic City Press, advising the public that a "no-bid" professional services contract was awarded to Mr. Mosca in accordance with N.J.S.A. 40:11A-5. R-1 -R-8. The resolutions were clearly not general "lump" appointments, but specifically enacted and awarded to Mr. Mosca each year. The Board rejects the ALJ's finding that that the resolutions were erroneously passed year after year, without a credible explanation as to how or why such an alleged error occurred (or why it was never corrected). The Board finds that the record before the OAL entitled the Board to summary decision. For these reasons, the Board rejects in part, adopts in part, and modifies the ALJ's factual findings as set forth above. The Board rejects the ALJ's legal conclusion that Mr. Mosca's position as Ventnor's municipal prosecutor was eligible for PERS service credit. (Motion made by Trustee Brown; seconded by Trustee Hurst.)

HEARING REQUESTS/APPROVED

The Board approved the following members' requests for a hearing in the Office of Administrative Law:

Ricardo Noce – Regional Operations South – Appeals the Board's partial forfeiture of service and salary credit. (Motion made by Trustee O'Brien; seconded by Trustee Hurst.)

RECONSIDERATION OF OAL HEARING REQUEST

(A motion was made by Trustee Culliton to adopt Resolution B and enter into Executive Session; seconded by Trustee Hurst. A motion was made to enter back into Open Session by Trustee O'Brien; seconded by Trustee Winthers.)

Veronica Williams – Legislature - Senate – The Board considered the personal statements of attorney, Timothy J. Prol, on behalf of his client, Veronica Williams, in support of Mr. Prol's request for the Board to reconsider its prior determination to deny his request for a hearing in the Office of Administrative Law. After careful consideration, the Board denied Mr. Prol's request for reconsideration in order to allow this matter to proceed in the Appellate Division. The Board will await the Court's opinion. (Motion made by Trustee O'Brien; seconded by Trustee Hurst.)

ACCIDENTAL DEATH BENEFIT ELIGIBILITY

David Linfante (deceased) – Belleville BOE – The Board considered the eligibility of Donna Linfante to receive Accidental Death benefits as the result of the passing of her husband, David Linfante. Following its review of the documentation, including the report of the Medical Review Board (MRB), the Board denied Accidental Death benefits, which are provided only after a member dies due to "an accident met in the actual performance of duty[.]" N.J.S.A. 43:15A-49. The medical records reviewed by the Board establish that although Mr. Linfante was performing his duties at the time of his medical emergency, his passing was not the result of the motor vehicle accident, but due to a medical condition unrelated to the motor vehicle accident. The receipt of Accidental Death benefits by survivors of PERS members is controlled by N.J.S.A. 43:15A-49, which states, in pertinent part:

- a. Upon the death of a member in active service as a result of:
 - (1) an accident met in the actual performance of duty at some definite time and place, or
- b. Upon the receipt of proper proofs of the death of a member on account of which an accidental death benefit is payable, there shall be paid to his widow or widower a pension of 50% of the compensation, upon which contributions by the member to the annuity savings fund were based in the last year of creditable service, for the use of herself or himself and the children of the deceased member, to continue during her or his widowhood...

The record before the Board establishes that on September 23, 2021, law enforcement officials responded to a report of a motor vehicle accident involving a school bus driven by Mr. Linfante. Upon arrival, Mr. Linfante, was found unresponsive. CPR was performed on site and he was transported to a local hospital, where he passed away on September 29, 2021. The Division requested medical documents related to the incident in order to determine eligibility for Accidental Death benefits. The MRB reviewed the documents that were submitted and determined that:

The MRB reviewed the records provided. The only records provided are the hospital records related to the event on 9/23/21. There is a history of morbid obesity, gastric sleeve procedure and GERD. The member had a change in mental status and cardiac event – while driving a bus. There is no notation of any incident that led to the bus event, but rather it was a cardiac event that caused the accident. Therefore, the MRB cannot state the accident caused the cardiac arrest.

ACCIDENTAL DEATH BENEFIT ELIGIBILITY (continued)**David Linfante (deceased) – Belleville BOE – (continued)**

Given the cause of Mr. Linfante's death, and based on the plain language of the statute and relevant, binding case law, the Board had no choice but to deny Mrs. Linfante's application. In Russo v. Board. of Trs., Teachers' Pensions and Annuity Fund, 62 N.J. 142 (1973), the Court addressed the meaning of "accidental death" as set forth in the Teachers' Pension and Annuity Fund enabling statute, N.J.S.A. 18A:66-46, which employs identical language to N.J.S.A. 43:15A-49. Russo, a Custodian, died of a heart attack during the performance of his assigned duties. Russo's widow applied for Accidental Death benefits, which the Division denied, finding that he did not "experience an accident" while at work. Id. 144. The Court explained that "[I]njury by ordinary work effort or strain to a diseased heart, although unexpected by the individual afflicted, is not an extraordinary or unusual consequence in common experience." Thus, the Court found, a member who suffers a fatal heart attack while at work and during the performance of the member's regular or assigned job duties, does not qualify for Accidental Death benefits, because no "accident" occurred. Our Supreme Court also addressed whether a heart attack that occurs while in the performance of a member's duties qualifies as an "accident" for the purposes of an Accidental Disability retirement benefit. Richardson v. Police and Firemen's Ret. Sys., 192 N.J. 189, 214 (2007) ("By way of example, a police officer who has a heart attack while chasing a suspect has not experienced a traumatic event. In that case, the work effort, alone or in combination with pre-existing disease, was the cause of the injury.") As the record establishes, Mr. Linfante experienced a heart attack while driving a school bus, which led to an accident, but his death was not the result of the accident. Accordingly, the Board denied Accidental Death benefits. (Motion made by Trustee Winthers; seconded by Trustee DeScala.)
