From : Dr. Ramon Lizardo

To :
Township of Lawrence

Dear Sir/Madam,

I am writing to express my deep concerns regarding the safety of the Long Acres community, specifically with regards to the group home located at 54 West Long Drive in Lawrence, NJ.

As you are aware, this house is being used as a group home, and unfortunately, the workers associated with this group home have made our community unsafe through their continuous reckless driving. Despite multiple attempts to reconcile with these workers and to please slow down in a community where the majority of the households have children, no progress has been made.

This is extremely concerning, as it is only a matter of time before a child gets hurt due to their reckless driving. The safety of our community, and especially our children, should be of the utmost importance to everyone, and we cannot let this situation continue.

I implore you to take action on this matter as soon as possible. It is imperative that the group home workers are made aware of the gravity of their actions and are instructed to drive carefully and responsibly in our community. We need to ensure that Long Acres remains a safe and secure place for all its residents.

Thank you for your attention to this matter.

Sincerely,
Dr. Ramon Lizardo

Kevin,

We reached out and spoke with Dr. Lizardo. In response to his concerns, West Long Dr has been added to our "Three Streets a Week" initiative for traffic enforcement. I also have Sgt. Grossi setting up a traffic study of the roadway to gather data regarding speed/volume of vehicles. Lastly, an officer will be assigned to contact the management staff for the group home and make them aware of the complaint regarding their staff.

Dr. Lizardo was satisfied with our plan, and he was provided contact information for Sgt. Grossi should he have any additional concerns.

Town of Lawrence,

My name is Dr. Ramon Lizardo, I am a physician, resident of Long Acres, and the CEO of Tele911, a leading ER Diversion company dedicated to public safety covering over 4 million lives. I am writing to you today for the third time in an attempt to address a pressing issue that has been affecting our community at 54 W Long Dr, Trenton, NJ 08648.

Over the years, we have faced numerous challenges related to the reckless behavior of the individuals working at this location. The recent incident on Halloween during trick-or-treating was particularly alarming, as it involved reckless driving by some individuals operating white sprinter vans while our kids were on the street. When concerned residents attempted to communicate the need for them to slow down, one of the drivers not only disregarded our request but also proceeded to stop and verbally insult the families present. If this was an isolated incident I would not complain, but the fact that this is happening constantly in front of our children is unhealthy.

Furthermore, we have been dealing with ongoing issues such as workers openly smoking unknown substances in front of houses that are not affiliated with their facility and continued reckless driving. Our children are watching this on their way to school, while playing in the afternoons, from outside the window as we prep for dinner.

I firmly believe that if immediate action is not taken, it is only a matter of time before someone from our community, perhaps a child, is seriously hurt or maybe even killed by the reckless behavior of the workers in this house.

Therefore, I am formally requesting your intervention in addressing these issues

promptly. Our community's safety is of utmost importance, and we rely on the local authorities to ensure a safe and peaceful living environment for our families. I kindly request that you investigate the activities at 54 W Long Dr and take appropriate measures to curb the reckless behavior of the individuals working there. This has been the third request in the last 11 months, and the behavior is only getting worse.

I understand that your office has many responsibilities, but the safety and well-being of our community must be a top priority. I am willing to provide any additional information or assistance necessary to resolve this matter and ensure a safer environment for all residents of Long Acres.

Thank you for your attention to this matter, and I look forward to a prompt and effective response. Please do not hesitate to contact me at 609-271-847 or RamonLizardoMD@gmail.com if you require any further information or if I can be of any assistance in addressing this pressing issue.

**Sincerely,
Dr. Ramon Lizardo

Subject: RE: Letter of Complaint - 54 West Long Drive

Chief/Lt.

I reviewed the complaint the Township Manager received regarding 54 West Long Drive.

As you are aware 54 West Long Dr is a group home (Eden Acres) for autistic adults. The group home has been at this location as long as I have been here dating back to 2005. I am not sure the exact date it was established in the neighborhood but I imagine it was prior to 2005.

In Dr. Ramon Lizardo's letter written to the Township Manager, he indicated the neighborhood has faced numerous challenges related to reckless behavior of the individuals working at 54 West Long Drive. The most recent incident occurred on Halloween during trick or treating. His complaint was regarding a white sprinter van that was driving recklessly. He also indicated the worker driving the van insulted the families present when they tried to communicate to them the need for them to slow down. His second major complaint was regarding workers and others not affiliated with the facility smoking "unknown substances" in front of their houses. Dr. Lizardo stated in his letter this is the third such request he has made in the last 11 months, and the behavior is only getting worse.

I searched the current CAD system which goes back to 2008 for any calls for service at 54 West Long Drive and the surrounding streets in the neighborhood including (West Long Dr, Sunset Road, Garden Road and West Church Road.).

First, I see no records of Dr. Lizardo contacting the communications center directly to make a complaint. There is no records by a search of his name and only a recent alarm at his address. It does appear he made some type of complaint or communication with the department (maybe the traffic email) because in March and April of 2023 there are five (5) Traffic Enforcement calls for service for West Long Dr/54 West Long Drive.

I attached the calls for service reports for 54 West Long Dr, West Long Dr Sunset Road, Garden Road and West Church Road. As you will be able to see it is pretty rare we have any type of criminal activity at 54 West Long Drive or the neighborhood in general.

I color coded the past four years 2020, 2021, 2022 and 2023 to highlight the activity in the neighborhood.

- 54 West Long Drive since 2020 has a total of 20 calls for service. Most of which are alarms or ambulance calls. There was one Domestic Disturbance in 2021 in which an employee reported her boyfriend was harassing her.
- All of West Long Drive since 2020 has approx. 100 calls for service, however, again they are mostly alarms and ambulance calls. There were a few other miscellaneous calls but none were related to 54 West Long Drive.
- Sunset Drive since 2020 has approx. 38 calls for service but are mostly alarms, ambulance calls and a few hazards. None of the calls for service were related to 54 West Long Drive.
- Garden Road since 2020 has approx. 40 calls for service. Almost all of the calls for service on Garden Road are related to Domestic Disturbances at 9 Garden Road. None of the calls for service were related to 54 West Long Drive.
- West Church Road since 2020 has approx. 20 calls for service. The calls for service are mostly motor vehicle violations complaints for parked vehicles at 20 West Church Road. There were a few other miscellaneous calls but none were related to 54 West Long Drive.

Upon receiving the complaint, I assigned Det. Sawasky to investigate the incident further. He reached out to Dr. Lizardo immediately on November 3, 2023. Dr. Lizardo did not report any criminal activity occurring at the residence. His major complaints were what he stated in his letter regarding the traffic issues and the parties smoking in front of their houses. Dr. Lizardo did not identify any one specific employee. He did mention that the employees are typically dropped off or picked up by other parties who will typically parked in front of their houses to wait for them. This seems to be when they are "smoking" in front of their houses. He gave a time frame between 0700 to 1000 and 1400 to 1700 as the most problematic times.

On Friday November 3, 2023 Det. Sawasky conducted a fixed post/surveillance detail in the area of 54 West Long Drive. There were no violations or suspicious/criminal activity observed.

I also requested patrol to conduct several fixed posts/traffic enforcement details in the area of 54 West Long Drive over the weekend. Reference 23-23581, 23-23609 and 23-23646. No violations were observed during any of the fixed posts/enforcements. During one of the posts, Officer Gorski specifically identified two vehicles driving on West Long Drive that were reported to be driving in a careful manner. One vehicle dropped a party off at 54 West Long Drive and left and the other parked at 54 West Long Drive and went inside. No suspicious activity was observed at that time.

Based on the above information it does not appear any criminal offenses are occurring or have been occurring at 54 West Long Drive. The complaints seem to be traffic related and quality of life issues. I empathize with Dr. Lizardo that he has to deal with an influx of workers coming into a residential neighborhood but the home is zoned appropriately for this purpose.

Det. Sawasky plans to meet with a group home manager to discuss the complaints and come up with a solution to have the parties parked closer to 54 West Long Drive instead of in front of the other homes.

Kevin,

See attached. Would you please assign a detective to reach out to this resident and establish a line of communication? See the email I cc'd you on with my reply to the Township Manager. I don't want to assign a patrol officer at this point since the complaint has been filed 3 times. We need to identify the issues at 54 W. Long Dr and come up with a solution.

Chris

CALLER REPORTS THIS LOCATION IS A FACILITY FOR AUTISTIC INDIVIDUALS AND ONE OF THE PARTICIPANTS ASSAULTED ANOTHER PARTICIPANT CAUSING HIM TO FALL OUT OF HIS CHAIR AND INJURE HIS HEAD. CALL TRANSFERRED TO MERCER CO CENTRAL.					
Narrative: 02/06/2023 0837 CHOJNOWSKI, BARTOSZ					
Modified By: 02/06/2023 1234 GLADNEY, DANIEL					
NO OFFENSE. WITNESS (TIFT) RELATED THAT WHILE MARK WAS SITTING AT THE DINING TABLE, KUMAR PUSHED HIM, CAUSING MARK TO FALL OUT OF HIS CHAIR. MARK DID NOT HAVE VISIBLE SIGNS OF INJURY. HE WAS APPLYING ICE TO THE RIGHT SIDE OF HIS HEAD. MARK WAS TRANSPORTED BY HOPEWELL EMS TO FULD HOSPITAL. I SPOKE WITH THE GROUP HOME MANAGER, WHO STATED THAT BOTH PARTIES INVOLVED ARE AUTISTIC. AS PART OF KUMAR'S BEHAVIORAL DISORDER, HE IS KNOWN TO BE VERY AGGRESSIVE TOWARD OTHERS. THE MANAGER RELATED THAT KUMAR IS NONVERBAL, DOES NOT INTEND TO HURT ANYONE AND DOES NOT COMPREHEND HE CAN HURT SOMEONE. THE STAFF MEMBER FURTHER RELATED THAT SHE BELIEVES KUMAR WAS ANGRY WITH HER AND WAS ATTEMPTING TO MOVE TOWARDS HER AND PUSHED MARK OUT OF THE WAY TO GET TOWARDS HER.

### **Land Acquisition**

**Manager Nerwinski advised the Council of the Township's desire to acquire the property located at 3 West Long Drive listed for \$675,000. The Tax Assessor assessment came in between \$550,000 - \$590,000 with a second appraisal that came in at \$600,000. The Township will negotiate a sweet-spot between \$600,000 and \$610,000; but, they will not pay more than the market value. Discussion took place relative to the exterior and interior of the property being nicely renovated and very suitable for usage as an office space as well as a township inspection being performed prior to purchase and the property being a great incentive for having all the offices together. There was no objection from Council with regards to Manager Nerwinski's proposal.**

**Additional discussion took place relative Rider University wanting an access road alongside the back of the property and the Municipal Manager proposing a meeting with the Board of Trustees to further discuss the matter.**

**Mr. Nerwinski informed the Council that there is also another group interested in purchasing the property with plans to rent it out to students.**

**There was no objection with regards to the Manager's proposal.**

### **Trenton Block Matter**

**Attorney Roskos imparted that the Case Management Conference will be heard by the Judge on October 18, 2023.**

**Mr. Roskos advised that Trenton Block has retreated from all municipal land and that he had a discussion with their attorney, Ryan Kennedy, about the Township putting up a fence so that Trenton Block cannot park their vehicles and trespass onto Township property.**

**Mr. Roskos imparted that a fence will eliminate the need for residents to keep coming to the meetings addressing the Council about Trenton Block usage of Township-owned property and proceeded to stress the importance of putting up a fence to resolve the trespass issue and will avoid legal costs in the future. He then asked for the approval of Council with regards to putting up the fence, as he would like the Township property line clearly defined. Manager Nerwinski agreed. Discussion took place relative to the cost of the fence. Councilmembers Bobbitt, Kownacki and Power were in favor of the settlement in regard to the fence. Mayor Ryan opposed the installation of a fence and instead discussed the planting of arborvitae tree. Councilwoman MacDuff recused herself from the discussion due to a conflict of interest.**

**Mt. Laurel Forclosure**

Mr. Roskos advised of a Mt. Laurel foreclosure case that the Township won. A foreclosed unit located on Fountayne Lane that went out to bid and after some disagreeable dealings the person was ask to vacant the sale. So, he is asking the Council if they would like for him to apply for attorney fees due to the situation surrounding the case. All were in favor.

Burnett v. County of Bergen, 198 N.J. 408 (2009). Without ambiguity, the court held that the privacy provision "is neither a preface nor a preamble." Rather, "the very language expressed in the privacy clause reveals its substantive nature; it does not offer reasons why OPRA was adopted, as preambles typically do; instead, it focuses on the law's implementation." **REQUEST FOR RECORDS UNDER THE COMMON LAW**

If, in addition to requesting records under OPRA, you are also requesting the government records under the common law, please check the box below.

A public record under the common law is one required by law to be kept, or necessary to be kept in the discharge of a duty imposed by law, or directed by law to serve as a memorial and evidence of something written, said, or done, or a written memorial made by a public officer

authorized to perform that function, or a writing filed in a public office. The elements essential to constitute a public record are that it be a written memorial, that it be made by a public officer, and that the officer be authorized by law to make it.

☒ Yes, I am also requesting the documents under common law.

If the information requested is a "public record" under common law and the requestor has a legally recognized interest in the subject matter contained in the material, then the material must be disclosed if the individual's right of access outweighs the State's interest in preventing disclosure.

Please set forth your interest in the subject matter contained in the requested material:

The utilization of township land, as well as discussions and context around decisions related to land development dollars and resources, and have far reaching impacts to our community.

*Note that any challenge to a denial of a request for records under the common law cannot be made to the Government Records Council, as the Government Records Council only has jurisdiction to adjudicate challenges to denials of OPRA requests. A challenge to the denial of access under the common law can be made by filing an action in Superior Court.*

1. All government records are subject to public access under the Open Public Records Act ("OPRA"), unless specifically exempt.
2. A request for access to a government record under OPRA must be in writing, hand-delivered, mailed, transmitted electronically, or otherwise conveyed to the appropriate custodian. N.J.S.A. 47:1A-5.g. The seven (7) business day response time does not commence until the records custodian receives the request form. If you submit the request form to any other officer or employee of the Township of Lawrence, that officer or employee must either forward the request to the appropriate custodian, or direct you to the appropriate custodian. N.J.S.A. 47:1A-5.h.
3. Requestors may submit requests anonymously. If you elect not to provide a name, address, or telephone number, or other means of contact, the custodian is not required to respond until you reappear before the custodian seeking a response to the original request.
4. The fees for duplication of a government record in printed form are listed on the front of this form. We will notify you of any special service charges or other additional charges authorized by State law or regulation before processing your request. Payment shall be made by cash, check or money order payable to the Township of Lawrence.
5. **You may be charged a 50% or other deposit when a request for copies exceeds \$25.** The Township of Lawrence custodian will contact you and advise you of any deposit requirements. You agree to pay the balance due upon delivery of the records. Anonymous requests in excess of \$5.00 require a deposit of 100% of estimated fees.
6. Under OPRA, a custodian must deny access to a person who has been convicted of an indictable offense in New Jersey, any other state, or the United States, and who is seeking government records containing personal information pertaining to the person's victim or the victim's family. This includes anonymous requests for said information.
7. By law, the Township of Lawrence must notify you that it grants or denies a request for access to government records within seven (7) business days after the agency custodian of records receives the request. If the record requested is not currently available or is in storage, the custodian will advise you within seven (7) business days after receipt of the request when the record can be made available and the estimated cost for reproduction.
8. You may be denied access to a government record if your request would substantially disrupt agency operations and the custodian is unable to reach a reasonable solution with you.
9. If the Township of Lawrence is unable to comply with your request for access to a government record, the custodian will indicate the reasons for denial on the request form or other written correspondence and send you a signed and dated copy.
10. Except as otherwise provided by law or by agreement with the requester, if the agency custodian of records fails to respond to you within seven (7) business days of receiving a request, the failure to respond is a deemed denial of your request.
11. If your request for access to a government record has been denied or unfilled within the seven (7) business days required by law, you have a right to challenge the decision by the Township of Lawrence to deny access. At your option, you may either institute a proceeding in the Superior Court of New Jersey or file a complaint with the Government Records Council ("GRC") by completing the Denial of Access Complaint Form. You may contact the GRC by toll-free telephone at 866-850-0511, by mail at PO Box 819, Trenton, NJ, 08625, by e-mail at [grc@dca.state.nj.us](mailto:grc@dca.state.nj.us), or at their web site at [www.state.nj.us/grc](http://www.state.nj.us/grc). The Council can also answer other questions about the law. All questions regarding complaints filed in Superior Court should be directed to the Court Clerk in your County.
12. Information provided on this form may be subject to disclosure under the Open Public Records Act.
