Good evening,

I have attached a proposed agenda for the next meeting, if you have any edits to the agenda or to the minutes sent previously (also attached for your convenience), please let me know, so this can be posted by the Borough a week prior to the meeting.

Thanks Ben,

Please add under old business-

1. Progress update from council liaison regarding approved pest control ordinance presented to town council for approval
2. Potential secretarial resources requested to be looked into and provided by the town to the BOH discussed at last meeting

Regards

Wayne
