**Narrative**

On 11/10/25 Brandon Linke came to the station to report identity theft. Brandon had recently run a credit report using Experion, Transunion and Equifax. Upon running the report it showed a charge for \$681 for Verizon, the charge was from February 22, 2023. Brandon advised that was not a account set up by him. When he called Verizon to advise them it was not him they put a freeze on the account and sent it to there fraud department. They advised Brandon to file a police report. I advised Brandon I would complete a report and attach the documents from the credit report.
