*N.J.S.A. 47:1A-1 provides that "a public agency has a responsibility and an obligation to safeguard
from public access a citizen's personal information with which it has been entrusted when
disclosure thereof would violate the citizen's reasonable expectation of privacy." N.J.S.A. 47:1A-9.b
allows exemptions from disclosure any grant of confidentiality established or recognized by the
Constitution of this State, statute, court rule or judicial case law, to apply to OPRA.*

Executive Order No. 26 exempts from disclosure "information relating to medical, psychiatric or psychological history, diagnosis treatment or evaluation." See also Rivera v. Town of West New York, GRC Complaint No. 2010-208 (Feb. 2013) (upholding exemption of medical information under Executive Order No. 26)

Narratives;

N.J.S.A. 47:1-1.1, Janeczko, GRC 2002-79, 2002-80, and Nance v. Scotch Plains Twp. Police Dep't, GRC Complaint No. 2003-125 (January 2005) (holding that police incident reports, continuation reports, and property and evidence reports are criminal investigatory records as defined by N.J.S.A. 47:1-1.1, and are therefore exempt from disclosure)

Privacy Interest;

a public agency has a responsibility and an obligation to safeguard from public access a citizen's personal information with which it has been entrusted when disclosure thereof would violate the citizen's reasonable expectation of privacy

With regard to dispatcher logs, dispatch calls, dispatch recordings, vehicle reports, citizen statements, witness statements, citizen reports, records of warning, charge sheets

Response: This request seeks information or asks questions and does not identify specific government records. **As such, this request is overbroad and is denied.** When a request is "complex" because it fails to specifically identify the documents sought, then that request is not "encompassed" by OPRA. See New Jersey Builders Association v. New Jersey Council on Affordable Housing, 390 N.J.Super. 166, 180 (App. Div. 2007). A proper request under OPRA must identify with reasonable clarity those documents that are desired, and a party cannot satisfy this requirement by simply requesting all of an agency's documents. See Bent v. Stafford Police Department, 381 N.J.Super. 30, 37 (App. Div. 2005). Custodians are not required to conduct research or create new records in response to an OPRA request

Your OPRA request is now deemed answered and closed. If we can be of any further assistance please feel free to contact us at 201-262-3400.
