10/03/2019 : 08:29:05 pdegraff Narrative: tuscan restaurant burg alarm back door

On October 3, 2019 at approximately 0831 hours Ptl. Caulfield #235 and I were dispatched to 1490 Route 88, Tuscany, in reference to an alarm. Prior to arrival dispatch advised that the alarm was coming from the back door.

Upon our arrival we began to check the exterior doors of the establishment and Ptl. Caulfield found a rear door unlocked. Ptl. Caulfield advised dispatch of the same and we proceeded to check the interior of the establishment. A check of the business yielded negative results for anybody inside and everything appeared to be neat and in order. Further there were no signs of forced entry to the rear door that was unlocked. After completing our check of the business, the owner, Costa Kaiafas, arrived on scene. Costa stated that it is likely one of his employees left through the rear door and probably forgot to lock it. Costa did not wish any further police action at this time.
