Summary

This officer was dispatched to the area of 6 Highway 36 for the report of a man yelling. While checking the area Drust was observed entering the bathroom of the Shell Gas Station nearby. As I approached the bathroom door I could hear Drust yelling, and loudly talking. He exited the bathroom and was observed to be by himself. Same was also observed to be very anxious, specifically by making multiple, sudden movements and presenting with uncontrollable shaking. He continued to look around, speak very quickly and change topics mid sentence, all while noticeably sweating.

While speaking with Drust he was found to have two outstanding Middletown Warrants. S 2018-562 in the amount of \$750.00 and W 2018-493 in the amount of \$550.00. Same was arrested, transported to the KPD HQTS, processed and placed in holding cell #1. Middletown PD was contacted and ROR'd Drust on both warrants with a return court date of 11/26/2018 at 0830hrs. Bail recognizance placed into records. Warrants were executed.

Summary

I responded to [REDACTED] for a report of a [REDACTED] passed out. Upon arrival I made contact with [REDACTED] said her husband [REDACTED] was in the bathroom passed out. Lt. Scott Rongo and I went into the bathroom and [REDACTED] was slouched down on the floor and was lethargic and was mumbling as he began speaking to us. [REDACTED] is a subject that I am familiar with and is a known CDS user in the past. I asked [REDACTED] if he took anything and he just mumbled. Lt. Rongo and I tried to assist [REDACTED] off the floor but he kept falling back onto the floor. At this time KEMS and Medics arrived on scene. Medics and KEMS began treating [REDACTED] and advised he had an object inside his mouth. [REDACTED] was requested to open his mouth and when he opened his mouth he had a rolled up piece of white paper inside his mouth which he spit out. The paper did not contain any visible contraband. [REDACTED] became combative and began shouting at Medics and KEMS. Medics advised [REDACTED] he needed to go to the hospital for evaluation. [REDACTED] kept arguing with Medics and finally agreed to go to the hospital. Pti. Anthony Valle escorted KEMS and Medics to Bayshore Hospital with [REDACTED]. There was not narcotics or any contraband found in the bathroom.

Summary

I responded to the area of [REDACTED] and Park Ave for a report of a juvenile who could not get around the flooding on the roadway. Upon arrival I made contact with Tammy Alt and [REDACTED] juvenile. Alt said she watched as [REDACTED] tried to get around the flooding and was just pacing back in forth and he appeared to need help. I spoke to [REDACTED] and he said he could not get around the giant puddle and he needed to get to school. I transported [REDACTED] to the Caruso School without incident.
