Event Notes Addendum

Notes: GUN SEIZED SMITH & WESSON serial [REDACTED] NEGATIVE NCIC [11/26/18 14:47:30 COURTNEYD]

[REDACTED] while speaking with Denise she was extremely 10-24 and had conflicting stories. She claimed that no argument or struggle took place and at first she had no idea where her daughter got the gun. Eventually while speaking with Denise she stated that maybe Cailyn got it from her boyfriend, then went on to state that maybe she found it in the house because her ex-husband used to have a lot of guns in the house. Denise also expressed her dislike of her ex-husband and Cailyns current boyfriend.

Cailyn claims that she was laying in bed when her mother came to her room and stood in her doorway. Cailyn stated that her mom was drunk and upset and was standing blinded as if she was hiding something. At this point her mother, Denise, raised her right arm and pointed a gun at her and then to her own head. Cailyn then grabbed her mothers arm in an attempt to stop her from shooting herself and a struggle for the gun ensued. Cailyn was able to gain control of the gun and then ran into the bathroom to hide and call 911. Cailyn believes that her mother was mad/upset because she spent the day at her fathers and her mother and father do not get along. Cailyn is not sure where the gun came from. A DVRT packet was provided to Cailyn and she did not wish to speak with anyone from the response team nor did she wish to apply for a TRO. Denise was transported to a local hospital.
