On December 13, 2014 at approximately 1250 hours, I responded to 1004 Heartwood Dr for a report of a vehicle into a residence. I arrived on location and located a black Lexus bearing New Jersey registration N49ALJ resting against the front concrete porch of the residence. P/O Yanchyshyn, the Cherry Hill Fire Department, and EMS also arrived.

I met with the driver of the vehicle, Myrna Jastrow, and asked how the accident occurred. Myrna advised due to ongoing outpatient rehabilitation for her leg, she had not driven a vehicle in several months. She stated she had been cleared by her doctor to operate a motor vehicle and decided to drive through the neighborhood to gauge how her leg felt. Myrna advised she was driving vehicle 1 on Lark Lane and approached the intersection of Heartwood Dr. She stated she began to make a left turn onto Heartwood Dr when she lost control of vehicle 1. Vehicle 1 then struck and drove up the curb, drove several feet across the lawn, and finally struck the front concrete porch. Myrna indicated she did not believe she stopped at the intersection of Lark Lane and Heartwood Dr, despite the fact there is stop signing directing traffic on Lark Lane to stop.

I spoke with with three witnesses at the scene, Gary Udell (NJ DL# U18182747101422; P# 856-354-9546), Kyle Serio (NJ DL# S26944387908962; P# 609-314-7936), and Austin Block (NJ DL # B55030687107964; P# 609-206-7728). All three confirmed vehicle 1 was traveling on Lark Lane towards Heartwood Dr and failed to stop at the intersection. Vehicle 1 then struck and drove up the curb, drove several feet across the lawn, and finally struck the front concrete porch.

EMS met with Myrna; however, she advised she was not injured and refused to be transported to the hospital.

I inspected the front porch and found the right corner of it had partially collapsed from the impact. The Cherry Hill Township Building Inspector responded the residence. He determined the damage did not affect the structural integrity of the residence and it was still habitable.

P/O Yanchyshyn spoke with the resident, Michi Fitzgerald (NJ DL# F47345447651772; P# 310-940-4882). She advised the residence is insured by Allstate Insurance (Policy # 939246446).

Police responded for an alarm to a business. While checking the perimeter we located a garage door which was unsecured, but did not appear to be forced open. The building was cleared by Police; however, we were unable to secure the garage door. Police radio requested a keyholder respond to secure the door, but the keyholder refused.

\*\*----- (lwmain21593212132014)\*\*

On December 13, 2014 at approximately 1940 hrs, I responded to Wegman's Food Store at 2100 Rt 70 for the report of a shoplifting in progress. While en route, dispatch advised that the suspect, described as a black female in her 30's with a ponytail, approximately 5'2", wearing black pants and a tan hoodie, was attempting to leave the store with an unknown amount of baby formula.

Det. Kenniff #271 was on location prior to my arrival and we apprehended the female as she was exiting the store. Store loss prevention officer Daniel Kohler advised that he observed the female, identified as Alessise Bell, conceal the Enfamil baby formula valued at \$220.87 in a large empty bag she had on her shoulder. Bell then exited the store without rendering payment (see Statement of Facts Form). The proceeds were recovered and the bag Bell used was later submitted into evidence.

Bell was handcuffed (adjusted for proper fit, double-locked) and searched incident to arrest. She was secured in the rear of RPC 2265 and transported to police headquarters for processing. While in headquarters, Bell was charged with 2C:20-11 (Shoplifting) and 2C:5-5 (Possession of Burglary Tools). Bell was also found to have an active traffic warrant out of Lawrence Twp. in the amount of \$650.00. She was able to post the full bail amount of \$650.00. Having been cleared of all wants and warrants, Bell was released without incident pending her court dates. No further police action was required.

On 12/13/14 at 1600 I responded to 2995 Chapel Avenue K-1L to meet with Joy Leepond who explained a friend, Frederick Jones, took her 1998 Corolla Toyota bearing NJ-HU5222 with the keys the previous day at 1600 hours and has not returned it nor answered his telephone.

Leepond signed a CHPD auto theft form. I completed a victim notification form for Leepond. Leepond completed a written statement then signed a summons charging Jones with 2C:20-10B Taking Without Owner Consent. I mailed the defendant copy of the summons to the last known address of Jones. P/O Cornforth entered the vehicle into NCIC as stolen.

Responded to the Wawa located at 500 Rt. 38W for a suspicious incident. Upon CHPD arrival, P/O Martorana #424 and I spoke with Wawa gas attendant, Angel Gonzalez. Gonzalez stated at approximately 2000 hours two black males in a silver Dodge Durango, unknown NJ registration, began conversing with him. The driver was described as skinny with facial hair and the passenger was heavysset. Gonzalez stated the driver of the vehicle asked him if he wanted to participate in a credit card fraud scheme. The driver proceeded to ask him if he would be willing to use a skimming device and swipe the customer's credit cards. Gonzalez told the males he was not interested but they insisted he take their phone number. Gonzalez provided me with the driver's phone number, 213-712-4074. Gonzalez was told by the individuals that they were from Camden. The individuals stated they would return to the Wawa to talk again. Gonzalez was advised to contact CHPD immediately if they return.

Management reported there was no video footage of the vehicle due to the CCTVs malfunctioning.

13 December 2014 at 0319 hours:

While on patrol on Route 38 I observed a Buick wagon in front of me. The vehicle, bearing New Jersey registration P54CXL, had a tail light that was not functioning, in violation of 39:3-66. I conducted a plate inquiry on the vehicle and the ~~registered owner~~'s information came back with having a suspended driver's license, in violation of 39:3-40, and an active warrant out of Mt. Laurel (E14 4407) in the amount of \$300.

I conducted a motor vehicle stop at 38 & Chapel Ave. The registered owner was driving. She was advised of the situation and asked to step out of the vehicle. She did so without issue. The registered owner, Jacquelyn Woods, was handcuffed (adjusted and double locked) and searched. She advised she had the money to post bail. She was transported to PAB, processed and released after posting \$300 cash bail. A new court date is to be set.

I transported Woods back to her vehicle. The bail was dropped as per CHPD procedure.

12/13/14 0349 Hours

P/O D'Alessio #416 and I were an alpha unit in RPC #2373. We on routine patrol in the area of Rt. 38 and Hillview Drive when we observed a gray BMW (NJ A80DBA) with a non-functioning license plate light in violation of 39:3-61k. We further observed the vehicle cross over the broken lane lines in violation of 39:4-88. We conducted a motor vehicle stop in the area of Rt. 38 and Chestnut Street. I approached the driver's side of the vehicle and spoke with the driver, identified as Deheaven Turner. P/O D'Alessio approached the passenger side of the vehicle and spoke with the passenger, identified as Jeremy Walston. Investigation revealed Mr. Walston had an outstanding warrant for his arrest out of Burlington Township (E13 468; \$400.00 Full). He was placed under arrest, handcuffed (adjusted and double-locked), searched with negative results, and placed in the rear of our RPC. I contacted Burlington Township PD and they agreed to release him on recognizance with a new court date of December 18, 2014 at 1700 hours. Mr. Walston was provided with a copy of the ROR form and released without further incident. A copy of the ROR was later faxed to Burlington Township PD.

----- (lwmain21514912132014)

On December 13, 2014 @ 0512 hours, I was on patrol on the lot of America's Best Value (2389 Route 70 West) when I observed a running vehicle parked on the parking lot in an obscure area away from guest rooms. I notified police radio of the suspicious vehicle and approached the same. I observed two males in the vehicle who appeared to be sleeping. Cherry Hill Police have numerous interactions on the lot of the motel with individuals abusing controlled dangerous substances. Given the time of day and the current weather conditions, I decided to check on the wellbeing of the two males. I made contact with the male in the driver's seat, identified as Robert Scheungrab, who advised the two had stopped to rest. He indicated the two were en route from California to Philadelphia. The male indicated the two were heading to their new apartment at 614 South 8th Street in Philadelphia, PA but the unit was not ready for them to move into. Scheungrab provided his Pennsylvania Id and the same for the passenger, identified as Antonio Damiao. Both IDs displayed the address Scheungrab claimed to be new during the investigation and Scheungrab's ID was issued in July of 2012.

P/O Dalessio #416 and P/O Hunter # 419 arrived as my backup. I had Scheungrab exit the vehicle to investigate further their travels. He advised he was a radio personality and had a gig at the Coastline Restaurant in Cherry Hill earlier in the night and simply stopped there to sleep.

I approached the passenger side of the vehicle to speak with Damiao who was still seated in the vehicle's front passenger seat. When I neared the door, Damiao began to open the same pushing me out of the way. I repeatedly advised him to stay in the vehicle to which he didn't respond. He exited the vehicle and I asked him where he was going. He then attempted to flee the area on foot headed east across the parking lot. I gave chase and promptly subdued Damiao within 15 feet of the vehicle. I forced Damiao the ground and he was briefly placed in a wrist lock on both arms behind his back until P/O Dalessio assisted with securing him in handcuffs (adjusted and double locked). He was searched with negative results and secured in the rear of RPC 2372. At that time, P/O Hunter secured Scheungrab in handcuffs without incident. I observed small cuts on the hands of Damiao after the incident. Damiao did not report any injuries and refused medical attention. He subsequently admitted he fled because of the warrants.

Police radio indicated Scheungrab had warrants out of Hopewell (\$552.00), Asbury Park (\$250.00), South Brunswick (\$233.00) and Colts Neck (\$1000.00). Damiao was found to have a confirmed NCIC warrant out of the Bergen County Sheriff's Office and a warrant out of Franklin Lakes (\$2500.00). Scheungrab was advised of his Miranda rights which he waived. Due to the totality of the circumstances, I requested consent to search the vehicle which Scheungrab granted. I advised him of his rights regarding the search and he remained with P/O Dalessio while I searched the vehicle.

While searching the vehicle I heard a disturbance near my RPC. Damiao managed to exit the patrol vehicle while P/O Sangiorgio #412 attempted to check on his condition. The male was detained and re-secured in the rear of RPC 2372 (See P/O Sangiorgio's Supplement). I requested consent to continue the search from Scheungrab which he granted. I then completed the search with negative results.

Scheungrab was transported to PAB in RPC 2373 by P/O Dalessio for processing. I transported Damiao to PAB for processing in RPC 2372. Scheungrab was processed on the warrants and turned over to Colts Neck Police at PAB. I signed complaints against Damiao for eluding by flight. He was processed on the warrants and remanded to the Camden County Correctional Facility. The vehicle was secured on the lot of America's Best at the request of the owner. Nothing further.

On 12/13/14 at approximately 2352 hours I responded to The Towers of Windsor, 2995 Chapel Avenue, apartment K1L for a report of a disturbance (see case #14-082882 for further). While on location, I made contact with Frederick Jones.

Jones was wanted for an earlier incident (see case #14-082800 for further). I placed Jones under arrest (handcuffed, adjusted, and double-locked) and searched him incident to arrest with negative results. Jones was placed in the rear of RPC 2378 for transportation to PAB for prisoner processing. Jones was processed, fingerprinted, and photographed. I issued Jones the defendant's copy of the summons and CJP form. Jones was released without incident.
