Re: OPRA Response

To: Whom it may concern;

Bedminster Township received your emailed request for public records under OPRA on February 19, 2020. You request:

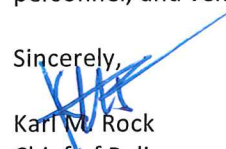

1. "All police CAD reports with narratives for the day of 6-09-2017"

Bedminster Township's responsive records are attached in PDF format as requested.

The requested records are being furnished electronically with partial redaction due to the fact that a custodian of records has "an obligation to safeguard from the public access a citizen's personal information...when a disclosure...would violate the citizen's reasonable expectation of privacy." N.J.S.A. 47:1A-1; *Burnett v. County of Bergen*, 198 N.J. 408 (2009). The police CAD reports involved are: 1712951, 17129573, 17129553, 17129629, 17129630, 17129839, 17129889, 17129903, and 17129907. Specifically; Medical Calls and Personal Information (i.e. address, DOB, SSN, driver's license numbers, and cell numbers) have been redacted.

Police CAD Report- 17129654 has been partially redacted. This redaction is based on Executive Order #21. OPRA exempts any government record that if disclosed would substantially interfere with the State's ability to protect and defend the State and its citizens against acts of sabotage or terrorism, or which if disclosed, would materially increase the risk or consequences of potential acts of sabotage or terrorism. Also exempt due to "safety exemptions". OPRA exempts any government records that if disclosed would "jeopardize security of the building or facility or persons therein" and/or "create a risk to the safety of persons, property, electronic data or software." Specifically, the redaction is to prevent a compromise of security posts, personnel, and vehicle identifications.

Sincerely,

Karl M. Rock
Chief of Police
