Patrols responded to 77 Lincoln Avenue for an electrical wire that was sparking. Upon arrival patrols met with the home owner, Jennifer Morin. Morin stated she was in her living room when she saw the power line that runs from across the street to her residence spark. She advised she still had power. I observe the line to be frayed and had dispatch notify JCP&L of the issue. The Neptune City Fire Department responded and found no issues with Morin's house.

The pole number was BT-232

Patrols responded to 110 Locust Avenue for a report of property damage due to Tropical Storm Isaias. Upon arrival patrols met with the caller, Mylene Delgado. Delgado advised that during the storm, a large tree fell onto her residence. The tree did not cause a lot of damage but was laying close to her electrical meter. Patrols checked the residence and saw the tree had fallen on the south side of the residence near the rear of the home. Delgado reported the fallen tree to JCP&L and wished to have the incident documented for her homeowners insurance. Delgado said she was attempting to contact a tree service to come remove the tree.

I responded to Neptune City Police Headquarters for a walk in complaint regarding theft. Upon arrival I met with the complainant, Peggy Belenets. Belenets advised she received a phone call from a female who claimed that Belenets had a warrant for her arrest. Belenets was then put on the phone with a male subject who also said that she had a federal warrant for her arrest. The male subject also said that her bank accounts and social security number would be compromised if she didn't send the subject a cashiers check for an undisclosed amount of money. Belenets said she did not give the male subject any personal information and contacted a friend who advised her this was a scam and to contact the police. Belenets wished for me to make sure she had no warrants. Dispatch advised that she was negative for any warrants. Belenets was told to monitor her bank accounts and report any suspicious activity to the police.

On Friday, July 7 2020 at approximately 1054 hours, I responded to 16 Evergreen Avenue and spoke with Ms. Jennifer Coombs regarding an Open Public Records Act (OPRA) request she made and received electronically from the Borough of Neptune City regarding employee information. I informed Ms. Coombs that the electronic OPRA response she received from the Borough's Payroll Clerk Tammy Brown was erroneous and contained information detrimental to Borough employee's safety and financial security. Ms. Coombs acknowledged that she had received the OPRA response from the Borough and forwarded the information to a website: OPRAMachine. OPRAMachine is a website that helps every citizen request information from any publicly-funded body in New Jersey, "get answers", and it publishes all the information online at OPRAMachine. Ms. Coombs further indicated that she was not aware of what all of the information and numbers meant on the OPRA response received from the Borough and after forwarding it to OPRAMachine, she deleted it from her personal computer. However, after Ms. Coombs realized she had received erroneous information, she contacted the Administrator of OPRAMachine and requested that they removed the information from their website. No Further police involvement.

Patrols were dispatched to the above location in reference to an EMS call (20NC05699). After clearing from the EMS call, the alarm was attempting to be reset. During the reset the alarm went off but was shortly after turned off and reset properly. I contacted Lawrence Juliano, who was in charge tonight and he advised that everything was activated and reset.

negative lost/stolen. I advised dispatch to check Alvin for any active warrants out for his arrest. While waiting for dispatch, I checked to make sure Alvin's driver's license was valid. Alvin's New Jersey driver's license came back suspended at this time. Dispatch also advised me that Alvin has a warrant out for his arrest for \$250.00 (no 10%) from Allentown / Upper Freehold Municipal Court.

I exited my patrol vehicle and approached Alvin. I advised Alvin he had a warrant out for his arrest and also that his driver's license was suspended. I told Alvin to step out of the vehicle and to place his hands behind his back, which he complied. He was then handcuffed behind his back using the double locking technique. Alvin was then placed in the rear of patrol vehicle #3510 and transported to Bradley Beach Police Headquarters for processing.

At Bradley Beach Police Headquarters, dispatch contacted Allentown (Upper Freehold) to see what their pleasure was with Alvin's warrant. A short time later, Allentown (Upper Freehold) advised me that they would ROR (Released on Own Recognizance) Alvin. Allentown (Upper Freehold) faxed over a New Jersey Bail Recognizance Form, with a new court date of August 20th 2020 at 10:00AM in Allentown (Upper freehold) Municipal Court. Alvin signed and acknowledged his new court date and was advised if he had any questions to call Allentown (Upper Freehold) Municipal Court.

The warrant was unable to be executed as batch was running.

Alvin was issued the following traffic citation:

- Suspended Driver's License (39:3-40)

Warrant:

- Allentown (Upper Freehold) Municipal Court
- E16 251
- \$250.00
