B. It is the intention of the parties that this Agreement be construed in harmony with the PERC Act as amended, the laws of the State of New Jersey, the Ordinances and policies of the Township and the Rules and Regulations of the Township Division of Police.

C. Any condition of employment not directly addressed by this Agreement shall be governed by the ordinances and policies of the Township and the Rules and Regulations of the Plainsboro Township Division of Police.

ARTICLE II
MANAGEMENT RIGHTS

A. The Township hereby retains and reserves unto itself, without limitation, all powers, rights, authority, duties and responsibilities conferred upon and vested in it prior to the signing of this Agreement by the Laws and Constitutions of the State of New Jersey and of the United States, including, but without limiting the generality of the foregoing, the following rights:

1. The executive management and administrative control of the Township Government and its properties, facilities, and its employees utilizing personnel methods and means of the most appropriate and efficient manner possible as may from time to time be determined by the Township.

2. To make rules of procedure and conduct, to use improved methods and equipment, to determine work schedules and shifts, as well as duties, to decide the number of employees needed for any particular time, and to be in sole charge of the quality and quantity of the work required.

3. The right of management to make such reasonable rules and regulations as it may from time to time deem best for the purpose of maintaining order, safety and/or the effective operation of the Department after advance notice thereof to the employees to require compliance by the employees is recognized.

4. To hire all employees, whether permanent, temporary or seasonal, to promote, transfer, assign or retain employees in positions within the Township.

5. To suspend, demote or take any other appropriate disciplinary actions against any employee for just cause according to law.

6. Nothing contained herein shall prohibit the Township from

contracting out any work.

7. To lay off employees in the event of lack of funds or under conditions where continuation of such work would be inefficient and nonproductive.

B. The exercise of the foregoing powers, rights, authority, duties and responsibilities of the Township, the adoption of policies, rules, regulations, code of conduct as contained within the Rules and Regulations of the Police Department and practices in the furtherance therewith; and the use of judgment and discretion in connection therewith, shall be limited only by the specific and express terms of this Agreement and hereby in conformance with the Constitution and Laws of New Jersey and of the United States.

D. The parties recognize that the exercise of managerial rights is a responsibility of the Township on behalf of the taxpayers and that the Township cannot bargain away or eliminate any of its managerial rights. No grievance may proceed beyond Step Three herein unless it constitutes a controversy arising over the application or alleged violation of negotiable terms and conditions of employment.

ARTICLE III

MAINTENANCE OF WORK OPERATIONS

A. The Association hereby covenants and agrees that during the term of this Agreement, neither the Association nor any person acting in its behalf will cause, authorize or support, nor will any of its members take part in any strike, (i.e., the concerted failure to report for duty or willful absence of any employee from his position, or stoppage of work, or absence in whole or in part, from the full, faithful and proper performance of the employee's duties of employment), work stoppage, slow-down, walk-out or other illegal job action against the Township. The Association agrees that such action would constitute a material breach of this Agreement.

B. In the event of a strike, slow-down, walk-out or job action, it is covenanted and agreed that participation in any or all such activity by any Association member shall entitle the Township to invoke any lawful remedy which may include:

1. Withdrawal of Association Recognition
2. Such activity shall be deemed grounds for termination of employment of such employee or employees.

C. The Association agrees that it will make every reasonable effort to prevent its members from participating in any strike, work stoppage, slow-down, or other activity aforementioned, or from supporting any such activity by any other employee or group of employees of the Township, and that the Association will publicly disavow each action and order all such members who participate in such activities to cease and desist from same immediately and to return to work, and take such other

steps as may be necessary under the circumstances to bring about compliances with the Association order.

D. Nothing contained in this Agreement shall be construed to limit or restrict the Township in its right to seek and obtain such judicial relief as it may be entitled to have in law or in equity in the event of such breach by the Association or its members.

(RF)

ARTICLE IV

GRIEVANCE PROCEDURE

A. The purpose of this procedure is to secure, at the lowest possible level, an equitable solution to any problem which may arise affecting the terms and conditions of employment under this Agreement.

B. Nothing herein shall be construed as limiting the right of an employee having a grievance to discuss the matter informally with any appropriate member of the Department.

C. With regard to an employee, the term "grievance" as used herein means an appeal by an individual employee or group of employees from the interpretation, application or violation of the terms and conditions of employment. With regard to the Township, the term "grievance" as used herein means a complaint or controversy over the terms and conditions of employment. The work day shall be defined as one in which all Township offices are open to conduct business.

D. The following constitutes the sole and exclusive method for resolving grievances between the parties covered by this Agreement, and shall be followed in its entirety unless any step is waived by mutual consent:

Step One: The Association shall institute action under the provisions hereof within ten (10) work days after the event giving rise to the grievance has occurred. The written grievance shall contain the relevant facts, copies of all correspondence relating to the matter in dispute, the applicable section of this contract violated, the remedy requested by the grievant and a summary of any preceding discussions between the

employee and the immediate supervisor for purposes of resolving the matter informally. Failure to act within the ten (10) days shall be deemed to constitute an abandonment of the grievance. The Police Chief shall respond in writing to the grievance within ten (10) working days of the submission.

Step Two: If the Association wishes to appeal the decision of the Police Chief such appeal shall be presented in writing to the Township Administrator within five (5) work days thereafter. This presentation should include copies of all previous correspondence relating to the matter in dispute. The Township Administrator shall respond in writing to the grievance within twenty (20) work days of the submission.

Step Three: Within seven (7) work days of the Administrator's decision, the Association may apply to the New Jersey State Board of Mediation ("Board") for binding arbitration. Alleged violations of this Agreement may be submitted to arbitration. The selection of an Arbitrator and the arbitration shall be in accordance with the rules and procedures of the Board. Simultaneously, with application to the Board, the Association will send notice to the Township of its arbitration petition.

- a. The decision of the Arbitrator shall be in writing and shall include the reasons for such decision.
- b. The decision of the Arbitrator shall be binding upon the Township and the Association and the employee.
- c. The parties may direct the Arbitrator to decide, as a preliminary

question, whether he has jurisdiction to hear and decide the matter in dispute.

- d. The costs for the services of the Arbitrator shall be borne equally by the Association and the Township. Any other expenses, including but not limited to the presentation of witnesses, shall be paid by the parties incurring same.
- e. The Arbitrator shall be bound by the provisions of this Agreement and the Constitution and Laws of the State of New Jersey, and be restricted to the application of the facts presented to him involved in the grievance. The Arbitrator shall not have the authority to add to, detract from, or modify in any way the provisions of this Agreement or any amendment or supplement thereof.
- f. Only one (1) grievance at a time may be submitted to arbitration.

E. Upon prior notice and authorization of the Police Chief one designated Association Representative shall be permitted as a member of the Grievance Committee to confer with employees and the Township on specific grievances in accordance with the grievance procedure set forth herein during work hours of employees, without loss of pay, provided the conduct of said business does not diminish the effectiveness of the Township or require the recall of off-duty employees.

F. The time limits expressed herein shall be strictly adhered to. If the grievance is not processed to the next succeeding step in the grievance procedure within the time limits prescribed thereunder, then the disposition of the grievance at

the last preceding step shall be deemed to be conclusive. The decision on a grievance at any step shall rely on the material presented. Nothing herein shall prevent the parties from mutually agreeing to extend or contract the time limits for proceeding with the grievance at any step in the grievance procedure.

G. Reasonable disclosure will not be withheld involving any correspondence from either party providing it directly relates to the party or parties involved in the grievance, and directly relates to the grievance itself.
