1.2

The Borough recognizes the Association as the exclusive representative of all uniformed employees of the Police Department, with the exclusion of the Police Chief, Police Captain or Special Police and any and all Secretaries and/or clerical help.

ARTICLE 2: STATEMENT OF JOINT PURPOSE

2.1

The parties to this agreement affirm their understanding that the Borough of Jamesburg is an instrumentality of its citizens and that its governance is operated for the welfare of its people. It is the declared purpose of the parties hereto, to maintain the quality and efficiency of the Department’s service, ever mindful of the needs of the citizens of the Borough, State and Nation. To this end, the Borough and the Association join themselves together to observe in good faith the terms of this Agreement.

ARTICLE 3: GRIEVANCE PROCEDURE

3.1 DEFINITIONS

Grievance is defined as any dispute, controversy or issue involving the interpretation, application or violation (alleged or otherwise) of any provision of this Agreement or regarding employment or the application of any rules, regulations, ordinance and/or statute or terms and conditions of employment which actually affect working conditions.

Grievance is defined as any individual or entity which has been, is being, or may be affected by any issue, controversy, dispute, or application as indicated in the definition of a grievance. The Association may initiate or file a grievance on behalf of an injured or unavailable employee.

3.2 PROCEDURE

A written grievance shall meet the following specifications:

- a. It shall be specific;
- b. It shall contain a synopsis of the facts giving rise to the dispute, controversy, or issue;
- c. It shall specify the section of the agreement, rule or regulation, statute, ordinance term and/or condition of employment, which has allegedly been violated, misapplied or is in dispute;
- d. It shall state the relief requested, including, but not limited to:
 1. Increased compensatory time to the Grievant;
 2. Increased wages in lieu of the compensatory time;
- e. It shall contain the date(s) of the alleged dispute, controversy or issue;
- f. It shall be signed by the Grievant;

3.2-2

The grievance shall be submitted in writing to the Chief of Police, who shall submit his answer in writing within seven (7) calendar days.

3.2-3

In the event that the grievance is not resolved or if no written response is received within the specified time period from the Chief of Police, the grievance shall be submitted to the Chairman of the Police Committee, with a copy to the Mayor. The Police Committee shall have fourteen (14) calendar days to make a determination and submit a written report. If no report has been issued and there is no agreement between the parties, in writing, to extend said period of time to submit said report, the grievance shall then be submitted to the Public Employee Relations Commission for arbitration.

3.2-4

The request for arbitration shall be directed to the Public Employee Relations Commission, subject to the rules and guidelines then in effect by such agency.

In the event that a question arises as to the arbitrability of an issue, the arbiter shall make a preliminary determination based upon the express terms of this Agreement prior to continuance of the hearing.

The original grievance shall be submitted to the arbiter for determination unless both parties agree that additional documentation is necessary and shall at that time be presented to the arbiter. Nothing in this paragraph shall be construed to preclude or limit the submission of any proofs by either party.

The arbiter shall not have the power or authority to add to, subtract from or modify the provisions of this Agreement. He/she shall only address and render a determination as to those issues specifically submitted into arbitration and shall not have the authority to determine any issues not so submitted. The arbiter shall not submit observations or opinions, which are irrelevant in the decision-making process. When requested the arbiter may award compensatory time, additional monies or back pay as appropriate remedies as set forth in the relief section of this Agreement, or award a monetary penalty for a violation of this Agreement.

The decision of the arbiter shall be final and binding upon the parties and the grievance shall be considered permanently resolved.

The expenses of an arbiter shall be shared equally between the parties. Each party shall, however, make arrangements for presentation of its case and payment of any witnesses called on their own behalf.

The aggrieved employee and his designated employee representative shall be permitted time off, without loss of pay, for any required hearing of witness testimony. Further, any witness(es) appearing on behalf of the grievant, shall, when called for testimony, be excused from duty with no loss of pay.

However, only the Association can file for arbitration.

3.5 RIGHTS OF AGGRIEVED EMPLOYEE

Nothing in the grievance procedure shall deny any employee his rights under State and Federal Constitutions and Laws.

Nothing herein contained shall be construed as limiting the right of any employee having grievance to discuss the matter informally with the Chief Law Enforcement Administrator and/or a superior officer, which may result in a resolution of the grievance, provided the resolution is not inconsistent with the terms of this Agreement.

3.6 MISCELLANEOUS

The Borough and Association shall insure the aggrieved employee freedom from restraint, interference, coercion, discrimination, or reprisal, in the presentation of his grievance.

If, in the judgment of the Association, a grievance affects all or a majority of the employees, the Association may submit such a grievance, in writing, directly to the Chairman of the Police Committee. The Committee may, however, determine that the matter would best be handled the formal grievance process and recommend the Association commence proceedings in the manner set forth herein. No probationary employee may use the grievance procedure in any way to appeal a discharge or a decision by the Borough not to offer said employee a permanent position.

All documents, records and communications dealing with the processing of a grievance shall be filed in a separate grievance file and shall not be kept in the personal file of any of the participants, nor shall the file or any portion of the contents be disclosed to anyone outside the Borough.
