ARTICLE IV

FUTURE BARGAINING

The Employer agrees that all new rules or modifications of existing rules governing working conditions shall be negotiated with the Association before they are established. EXISTING LAW

The provisions of this Agreement shall be subject to and subordinate to, and shall not annul or modify existing applicable provisions of State or Federal Laws as they are modified from time to time.

2. All police officers shall receive a set rate for any police officer employed by the Borough for all other off duty work. The rate for the lifespan of the contract will be set at \$115.00 per hour. These rates commence with the adoption of the contract and there shall be no retroactive pay for previously performed off-duty work. 3. The Borough may establish fees to include the costs associated with the administration of off duty employment above the rate of pay for the police officers set forth in paragraphs 1 and 2.

ARTICLE

VII

HOURS AND OVERTIME

(A) The existing schedule for Employees covered by this Agreement shall be maintained pursuant to prior practice. The monthly work schedule shall be posted not later than forty-five (45) days preceding the month being scheduled. The normal work day shall be twelve (12) hours per day which shall include breaks totaling eighty-five (85) minutes with one break of at least forty-five (45) minutes. The normal work schedule shall be three (3) days on followed by three

(3) days off. There shall be an eighteen (18) day cycle (3 on, 3 off, 3 on, 3 off, 3 on and 3 off). During the eighteen (18) day cycle, all police officers will be assigned the same tour (either 6:00 a.m. start or 6:00 p.m. start). During the next eighteen (18) day cycle, the police officers will be assigned to the other shift.

In the event of a change in shift, the Police Department shall be required to notify the police officer.

In the event that a minimum of twelve (12) police officers including supervising officers are assigned to the twelve (12) hour patrol schedule, any additional officers may be assigned to a work schedule at the discretion of the Chief of Police for special details other than normal patrol. The work schedule for these special detail assigned police officers shall also be posted not later than forty-five (45) days preceding the month being scheduled. In the event

that the hours need to be changed the police officer will receive thirty (30) days notice. These special detail assigned police officers shall not be used to fill in "gaps" or shortages in manpower in the twelve

(12) hour schedule unless reassigned to a patrol shift.

(B) The parties acknowledge that the work schedule of twelve (12) hours days, three (3) days on, followed by three (3) days off, will result in the scheduling of police officers for more than 2,080 hours. Any hours scheduled in excess of 2,080 hours shall be credited as compensatory time. Compensatory time credited to an employee under this Agreement shall not be reduced by sick leave, personal leave, vacation leave or other approved leave taken by an employee. For the purposes of the FLSA, the parties agree that the work period shall be eighteen (18) days in duration.

(C) The parties acknowledge that the work schedule of the Police Department is subject to the terms of the Federal Fair Labor Standards Act and the Administrative jurisdiction of the U.S. Department of Labor, and the jurisdiction of the Department of Labor, State of NJ. This agreement is subject to and subordinate to any applicable Federal and State Legislation and administrative rules. In the event any Federal or State administrative agency or a Court of competent jurisdiction determines that the work schedule provisions of this agreement or any part hereof is in conflict with such laws or regulations the parties will immediately meet to negotiate a new schedule. Both parties acknowledge that they are proceeding with the good faith belief that the work schedule provisions of the within agreement are valid.

(D) Overtime shall be defined as work in excess of twelve (12) hours in any day for those assigned to the twelve (12) hour schedule or any work in excess of the hours specified in the special detail schedule posted in advance for officers so assigned to said schedule. Overtime shall also be defined as where an Employee is caused to work on his regularly scheduled day off (R.D.O.). Overtime shall be computed at the time and one-half (1.5) hourly rate of pay or one hundred fifty (150%) percent of the employee's hourly rate of pay.

(E) All overtime shall be paid in the next regular pay check.

(F) Overtime for regularly scheduled shifts and patrols will be offered to regular full time Employees of the Department first, in an order of preference based upon a rotating seniority roster, excluding the Captain(s) and Lieutenant(s). In the event that the dispatcher position must be filled on a particular shift, the Chief of Police or his designee shall have the right to call in a dispatcher prior to calling in a police officer to operate the desk for that shift.

(G) 1. Court time, as referred to in this Article, shall consist of all time, excluding regular tour of duty, during which an Employee shall be required, in the course of his duties, to attend a Municipal Court, County Court, Superior Court, Grand Jury proceeding, or other Courts or Administrative Bodies, provided that such attendance is not in furtherance of a proceeding initiated by such Employee or by the Association.

2. When an employee is subpoenaed to appear in a civil Court case when such arises out of his capacity as a Police Officer (example: automobile negligence case, etc.), then he shall be entitled to

payment as provided in this Article for Court time spent pursuant to this Article.

3. All such required Court time, which is outside the regular tour of duty, shall be considered as overtime and shall be compensated at time and one-half (1.5%).

4. The amount of overtime to which an Employee may be entitled under this Article shall be the actual time required to attend the Court and Administrative Body, provided, however, that the Employee's entitlement to overtime under this Article shall not be less than two (2) hours overtime pay for appearances within the Borough of North Haledon and three (3) hours for appearances in other jurisdictions.

(H) When an Employee performs overtime work, the Employee shall be permitted to elect to be compensated in paid compensation [time and one-half (1.5) rate] or in compensatory time off [at the time and one-half (1.5) rate]. Such election shall be made by the employee in writing at the end of the extra work period.

Where an Employee elects compensatory time, then such time shall be accumulated in a compensatory time bank. The total C.T.O. bank hours shall at no time exceed eighty-six (86) hours.

Accumulated time (C.T.O.) shall only be used upon prior request of the Employee and shall be subject to the discretion and approval of the Chief.

Once the election has been made by the Employee it shall not be converted to pay except upon request of the Employee and approval of the Chief.

(I) The employment of special police officers shall be as provided by statute.

(J) The appointment of temporary police officers shall be as provided by statute.

(K) Effective January 1, 1997, the Borough agrees that if less than four superior officers are assigned as shift commanders, then the police officer serving as a shift commander shall be entitled to an adjustment in pay equaled to one-half the difference between the base pay of a sergeant and a senior police officer. The police officer serving as a shift commander must work as a shift commander for thirty (30) or more working days before being entitled to the salary adjustment.

In the event that the Borough Council approves and the Police Department directs a uniform modification which costs more than One Hundred (\$100.00) Dollars then the Employer would pay the first One Hundred (\$100.00) Dollars and the Employee would pay the balance. If the amount of newly purchased item or item directed to be newly purchased is less than One Hundred (\$100.00) Dollars, then the Employee would pay same.

C. After the initial payment set forth in paragraph A above, Police Officers shall be financially responsible for the replacement and maintenance of uniforms. For the purpose of this Agreement, the term "grievance" means any complaint, difference or dispute between the Borough and any Employee or group of Employees with respect to the interpretation, application or violation of any written policies, agreements or administrative decisions.

(A) STEP ONE

In the event that any Employee covered by this Agreement has a grievance, he shall, within thirty (30) calendar days after the occurrence of the event being grieved, file same in writing with the Chief of Police. The Chief shall render a decision within five (5) calendar days after the grievance was first presented to him. In the absence of the Chief, the grievance shall be presented to the next ranking Officer in charge of the Department of determination.

(B) STEP TWO

If the grievant wishes to appeal the decision of the Chief of Police (or the supervisor in charge if the Chief is absent), it shall be presented in writing to the Employer's Governing Body or its delegated representative, within five (5) calendar days after receipt of the Chief's decision. This presentation shall include copies of all previous correspondence relating to the matter in dispute. (3) It is agreed between the parties that no arbitration hearing shall be held until after the expiration of at least twenty (20) days after the decision rendered by the Employer's Governing Body or its representative on the grievance. Further, it is the intent of the parties that no matter in dispute that is subject to the review and/or the decision of the Civil Service Commission of the State of New Jersey may be submitted to arbitration. The parties herein direct the Arbitrator not to accept or to decide any matter in dispute that is subject to Civil Service Commission's review and decision.

(4) Employees covered by this Agreement shall have the right to process their own grievance, with or without any Association representative of their own choosing.

(5) Nothing herein shall prevent the parties from mutually agreeing to extend or contract the time limits provided for processing the grievance at any step in the Grievance Procedure. A failure to respond to any level within the time limits provided shall be deemed a denial of the grievance at that step.

(6) Grievances must be initially filed within thirty (30) calendar days of the incident being grieved, or of the Employee's knowledge of such incident.

(D) Where an Employee covered by this Agreement has been disciplined and the penalty resulting from such discipline is a five (5) day suspension or an equivalent fine or any lesser penalty then said disciplinary proceeding may be reviewed and made subject to this Grievance Procedure.
