AGREEMENT

PREAMBLE

This agreement is made by and between the **VILLAGE OF RIDGEWOOD**, a body politic and corporate of the State of New Jersey, hereinafter referred to as "The Employer", and the Ridgewood Police Department's **POLICEMEN'S BENEVOLENT ASSOCIATION, LOCAL 20, INC.**, hereinafter referred to as the "PBA";

NOW, THEREFORE, it is agreed as follows:

1.00 EMPLOYEES BASIC RIGHTS

1.01 Pursuant to Chapter 303, Public Laws 1968, the Village hereby agrees that every Police Officer represented by the PBA hereunder shall have the right freely to organize, join and support the PBA for the purpose of engaging in collective negotiations. As a body exercising governmental power under the laws of the State of New Jersey, the Village undertakes and agrees that it shall not directly or indirectly discourage or deprive or coerce any such Police Officer in the enjoyment of any rights conferred by Chapter 303, Public Laws 1968, or other Laws of New Jersey or the Constitution of New Jersey and of the United States.

1.02 The Village further agrees that it shall not discriminate against any such Police Officer with respect to hours, wages, or any terms or conditions of employment by reason of his membership in the PBA, his participation in any proper activities of the PBA, collective negotiations with the Village pursuant hereto, or institution of any grievance, complaint or proceeding under this Agreement or otherwise with respect to any terms or conditions of employment, as prescribed by the Statutes of the State of New Jersey.

1.03 The term "Police Officer" or "employee" may be used interchangeably herein and as so used shall include the plural as well as the singular and to include females as well as males but shall be limited to those persons in the employee bargaining unit.

2.00 RECOGNITION

2.01 The Village recognizes the PBA as the exclusive bargaining representative for the purpose of collective negotiations with respect to all negotiable items of employment of all regular, full time Police Officers employed in the Village Police Department. Excluded from this representation and from this Agreement are the Chief, Captain, Lieutenant, Sergeant, Police radio dispatcher, Parking violation officer, Auxiliary police, Crossing guards and all other employees by whatever title except those of Police Officer.

2.02 No Police Officer shall be compelled to join the PBA but may do so at his option.

2.03 The Village agrees that it will not enter into any contract or Memorandum of Agreement with any person other than the PBA during the term of this Agreement with regard to the categories of personnel covered hereby.

3.00 PBA REPRESENTATIVES

3.01 The Village recognizes the right of the PBA to designate two (2) representatives and one (1) alternate from among those employees represented by the PBA for purposes of administering this Agreement. The names of these employees and any changes therein shall be provided in writing to the Village.

3.02 The authority of the representatives and alternate shall be limited to, and shall not exceed the following duties and activities.

- (a) The presentation of grievance in accordance with the terms of this Agreement.
- (b) The transmission of such messages and information originating with and authorized by the PBA.

3.03 With the permission of the Chief of Police, which said permission shall not be unreasonably withheld and provided there shall thereby be no interference with the normal operations of the business of the Department, the representatives while on duty may investigate grievances and/or conduct meetings with employees regarding collective negotiations.

3.04 Representatives or alternates who are on duty at the time negotiating sessions are being held shall suffer no loss of regular straight pay for time spent in such activities.

4.00 DEPARTMENTAL INVESTIGATIONS

4.01 In an effort to insure that departmental investigations are conducted in a manner which is conducive to good order and discipline, the following rules are hereby adopted:

(1) The interrogation of a member of the force shall be at a reasonable hour, preferably when the member of the force is on duty, unless the exigencies of the investigation dictate otherwise.

(2) The interrogation shall take place at a location designated by the Chief of Police. Usually it will be at Police Headquarters or the location where the incident allegedly occurred.

(3) The member of the force shall be informed of the nature of the investigation before any interrogation commences. Sufficient information to reasonably apprise the member of the allegations should be provided. If it is known that the member of the force is being interrogated as a witness only, he should be so informed at the initial contact.

(4) The questioning shall be reasonable in length. Fifteen (15) minutes time shall be provided for personal necessities, meals, telephone calls, and the rest periods at the end of every two (2) hours.

(5) The member of the force shall not be subject to any offensive language, nor shall he be threatened with transfer, dismissal or other disciplinary punishment. No promise of reward shall be made as an inducement to answering questions, nor shall any threat or promise be made to induce silence.

(6) If the employee is considered a suspect, the Department shall afford an opportunity for such employee of the force, if he or she so requests, to consult with counsel, and/or the Association representative before being questioned. Said consultation shall not delay the interrogation beyond one (1) hour for consultation with his Association representative, nor more than two (2) hours for consultation with his or her attorney.

(7) In cases other than departmental investigations, the employees shall be accorded all applicable rights under the laws of the United States or the State of New Jersey.

(8) Nothing herein shall be construed to deprive the Department or its officers of the ability to conduct the routine and daily operations of the Department and nothing in the foregoing to the contrary shall be construed to excuse or delay the prompt execution and delivery of departmental reports.

5.00 NO-STRIKE PLEDGE

5.01 The PBA covenants and agrees that during the term of this Agreement neither the PBA nor any person acting in its behalf will cause, authorize, or support, nor will any of its members take part in any strike (i.e., the concerted failure to report for duty or willful absence of

any employee from his position, or stoppage of work or abstinence in whole or in part, from the full, faithful and proper performance of the employee's duties of employment), work stoppage, slowdown, walkout or other job action against the Village.

5.02 In the event of a strike, slowdown, work stoppage or walkout, it is covenanted and agreed that participation in any such activity by any member of the negotiating unit shall entitle the Village to take appropriate disciplinary action including, but not limited to, discharge in accordance with applicable law

8.00 HOURLY RATE

8.01 To compute the base hourly rate of an employee for overtime or other purposes, the employee's yearly base salary shall be divided by 2044 hours.

9.00 COURT TIME

9.01 Court time, as referred to in this Article, shall consist of all time, excluding regular tours of duty, during which any employee covered under this Agreement shall be required to attend a Municipal Court, County Court, Superior Court, Grand Jury Proceeding, or other Courts or Administrative Bodies.

9.02 All such required court time shall be considered as overtime and shall be compensated at time and one-half.

9.03 When an employee covered under this Agreement shall be required to travel to and from any of the Courts or Administrative Bodies as noted in this Article, such travel time shall be considered and included in the computation of the amount of overtime to which the employee is entitled, provided, however, that such travel time shall be computed between the Employer's Police Headquarters and the pertinent Court or Administrative Body. Subject to availability, the Department may provide an automobile for Court appearances.

9.04 The amount of overtime to which an employee may be entitled under this Article shall be the actual time required including waiting time in the Court or Administrative Body, together with any applicable travel time, provided, however, that the employee's entitlement to overtime under this Article shall not be less than one (1) hour of overtime pay. If required to attend court on a regular or assigned day off, the employee shall be entitled to a minimum of two (2) hours overtime pay.

9.05 Officers shall only be entitled to court time pay when an appearance is required because of a police investigation. All appearances of a private or civil nature, other than those related to police investigations, shall be excluded.

10.00 TRAINING PAY

10.01 The Employer agrees to compensate all employees covered by this Agreement at time and one-half rate when required to attend training courses on their own time.

10.02 Effective upon the signing of this agreement, employees will only receive compensatory time for two (2) range required days.

**11.00 STANDBY TIME FOR OTHER THAN THOSE ASSIGNED TO THE
DETECTIVE BUREAU**

11.01 Standby time shall be considered as time worked if the Employer requires the employee to remain in a fixed location.

12.00 DETECTIVE BUREAU PERSONNEL

12.01 Employees assigned to the detective bureau shall work a schedule assigned by the officer in charge at the approval of the Chief of Police. The hours of assignment will be consistent with a 2,044-hour chart and Appendix "C".

12.02 Overtime compensation may be taken on a compensatory hours off basis, rather than paid in cash, at the discretion of the employee. Overtime may be accrued within the maximum limits of the federal Fair Labor Standard Act. Compensatory time off must be requested by the employee and approved by the Chief of Police in the same fashion as other holiday requests.

12.03 In lieu of the application of the eight (8), ten (10) or twelve (12) hour day limitation of Article 7.01 and the recall and standby provisions of Article 13.01 respectively, the employees assigned to the detective bureau and juvenile officers shall receive as additional compensation as follows:

First year of service in Bureau	\$1,100
After one year of service in Bureau	\$1,400

13.00 **RECALL FOR OTHER THAN THOSE ASSIGNED TO THE DETECTIVE BUREAU**

13.01 Any employee who is called back to work after completion of his regularly scheduled shift shall be guaranteed a minimum of three (3) hours of overtime work (at the time and one-half rate) or pay in lieu thereof at the same three (3) hours overtime minimum.

13.02 The three (3) hour provision shall not apply for overtime work which is contiguous to a regularly scheduled shift. In such cases, where the overtime work is contiguous to a regularly scheduled shift, the employee shall be paid for the time actually worked (at the time and one-half rate). As used herein, overtime work is contiguous to a regularly scheduled shift where it is directly subsequent to and continuous to a regularly scheduled shift.

13.03 An employee will not be paid overtime when recalled to duty to correct an omission, oversight or error in his investigation, reports or other required documents. It is the intent of this section to have accurate and complete Police reporting procedures. If an officer is required to return to duty for what he considers a frivolous reason, he may follow the grievance procedure.

14.00 **PRIORITY FOR OVERTIME**

14.01 Overtime for regularly scheduled shifts and details will be offered to regular full time employees of the Department first, in an order of preference based upon a rotating seniority roster within ranks. Non-Employer assigned overtime shall be made in accordance with current practices with equal opportunity being afforded. (See Appendix D).

14.02 There may be certain situations in which the Department, because of special skills or other attributes of a particular officer, determines that it is in the best interest of the Employer to bypass an employee or employees on the seniority list.

14.03 While this Agreement contemplates the possibilities noted in Section 14.02 it is agreed and understood that such bypassed employee or employees must become next on the list for the purpose of the overtime roster.

14.04 The purpose of this section is to equalize overtime among employees and same shall not be defeated by the Employer's selection of special persons for special details as set forth herein.

14.05 Such overtime will be offered to persons other than full time employees only if it has first been refused by each member on the seniority roster aforementioned.

15.00 **NON-POLICE PERSONNEL**

15.01 The employer agrees to follow and adhere to such decisions, rulings, directives and opinions as may be rendered by New Jersey Civil Service regarding the use of non-regular police personnel.

15.02 No full time employee covered by this Agreement shall be replaced by any non-regular police personnel or part time person.

16.00 **SHIFT CHANGES**

16.01 The Employer agrees that it will not unreasonably adjust shifts so as to avoid overtime payment to employees covered by this Agreement and shift changes shall not occur without giving affected employees twenty-four (24) hours notice except in cases of exceptional departmental emergency. 26.00 **LEAVE OF ABSENCE**

26.01 All permanent full time employees covered by this Agreement may at the discretion of the Employer be granted a leave of absence without pay for a period not to exceed ninety (90) working days.

26.02 The employee shall submit in writing all facts bearing on the request to the Chief of Police or his designated representative who shall append his recommendations and forward the request to the Village Manager. The Village Manager shall consider each case on its merits and without establishing a precedent. The Employer will not unreasonably deny an employee's request for a leave of absence. It is understood that no application for a leave of absence shall be made except in extraordinary circumstance.

26.03 This leave is subject to renewal for reasons of personal illness, disability or other reasons deemed proper and approved by the Employer. 26.04 At the expiration of such leave, the employee shall be returned to the position from which he is on leave.

26.05 Seniority shall be retained.

27.00 **MEDICAL COVERAGE**

27.01 The Village agrees to provide Village employees and their dependents comprehensive health insurance as follows: (1) A Point-of-Service Plan (hereinafter referred to as the "Ridgewood Plan", see attached schedule at Appendix E); or (2) A Traditional Indemnify

PL AM

Plan (hereinafter referred to as "The Indemnity Plan"). The Ridgewood Plan will be offered at no charge to employees. The Indemnity Plan will be offered at a cost representing the amount by which the cost of the Indemnity Plan exceeds the cost of the Ridgewood Plan. This differential will be calculated annually and implemented at the beginning of each calendar year. Such payments shall be by deduction from pay.

A. **New Hires** – New hires will be placed in the Ridgewood Plan when hired but may change to the Indemnity Plan during periods of open enrollment.

B. **Retirees** – Employees who become eligible for retirement on or after September 2, 1996, will be offered retiree health insurance benefits available to active employees. Retirees may apply reimbursement for Medicare B to the cost of the Indemnity Plan. It is understood that employees who achieve 25 years of service with the Village of Ridgewood and therefore are eligible to retire on or before September 1, 1996, will continue to be eligible for indemnity insurance coverage at no cost upon their retirement, even if their retirement takes place after the Ridgewood Plan has been implemented. The availability of Medicare "B" or lack thereof shall have no impact whatsoever on the obligation of the Village of Ridgewood to provide retiree medical coverage to retirees, their families, surviving spouses and dependent children.

C. **Prescription** – Employees shall be enrolled in a prescription plan under which they can obtain prescriptions required by competent medical authority for Federal legend drugs with a \$5.00 co-pay. There shall be no co-pay for drugs obtained through mail orders.

D. If the number of doctors participating in Current MCS plan decreases by ten percent (10%) in the plan beneficiary's zip code area, the Village agrees, upon request of the Union, to meet with the Union to review the situation, to review other PPO's, and to discuss whether the Village should consider substituting another PPO in place of MCS.

E. The Village agrees that the PBA shall be notified immediately and given the right to meet and discuss any modification of the health insurance provider. The general subject of health insurance shall remain negotiable consistent with applicable law.

F. The co-pay for Doctors' visits shall be fifteen dollars (\$15.00).

G. Should a retiree choose the "Ridgewood Plan" at retirement and, through no fault of his own, lose his ability to participate in the network "Ridgewood Plan" because the Managed Care provider Network ceases to exist, then the retired employee shall be allowed to use the Indemnity Plan free of charge.

H. Should a Managed Care Hospital Facility not be available to a retiree within a twenty-mile radius of his home, then the retiree may choose to take the Indemnity Plan. If the retiree chooses to take the Indemnity Plan, Part B Medicare reimbursements will be used to offset the differences in premium between the Indemnity Plan and the Managed Care Plan. The balance of Part B Medicare will then be refunded to the retiree.

I. The members of the PBA agree to the point of service plan consistent with the Plan Document supplied by the employer and employer's representation of coverage. It is further agreed that there will be no deduction in the level of coverage or additional cost to the employee other than the specified co-pays provided herein. Additionally, any member may, during open enrollment periods, elect to change from his current plan to either the Indemnity Plan or the Ridgewood Plan with no limitations (i.e., Pre-existing conditions limitations or evidence of good health).

J. If any part of this provision is prohibited by current law, then it shall not be implemented until such time as it becomes legally permissible. In any event, all other parts of this provision shall continue in full force and effect.

K. All notices of changes in plan or plan options and elections available to employees shall be put in writing by the Employer. Employees who wish to change plans, coverage or method of contribution (including the application of Medicare B reimbursement to the cost of the Indemnity Plan) shall notify the Village in writing.

27.02 The Employer shall continue to provide the full family plan, as described above, for each employee who retires with a twenty-five (25) year service retirement or a disability retirement; through the employee's entire period of retirement. If an employee retires and receives the medical benefits after serving 25 years, the employee's spouse is eligible for continuation of the medical benefits if the employee dies. Medical benefits coverage shall be defined as the medical benefits in effect when the retiring employee separates from active service and actually retires. The same definition shall apply in the event of death of an employee covered by this contract.

27.03 If an employee retires with less than twenty-five (25) years of service then the employee shall be entitled to continue the Plan described above at his own cost and expense.

27.04 Effective 3/1/01 the Village of Ridgewood shall change the source of medical coverage to the New Jersey State Health Benefits Program. This change shall not result in any loss of coverage to Bargaining Unit Employees or their dependants. All increases in premium during the term of this agreement shall be borne entirely by the employer.

27.05 It is acknowledged that the Village of Ridgewood has the right to change the source of coverage; however, the insurance coverage or benefits available to any covered person will be equal to or better than as provided at the time by the New Jersey State Health Benefits Plan.

27.06 All persons covered by this agreement and enrolling for health benefits coverage must acquire Medicare Parts A and B when eligible for same. Should a retiree, who qualifies for retirement pursuant to the New Jersey PFRS Pension System, not have sufficient quarters of Social Security credit to obtain Medicare Parts A & B, the Village will reimburse that employee the costs thereof. The reimbursement shall commence once said employee has provided the Village with proof of enrollment. Proof of enrollment shall be a copy of either a Medicare Enrollment Card, or a confirmation letter of enrollment from the Social Security Administration. Reimbursement payments for Part A & B will be made semi-annually.

27.07 Effective 3/1/01 the Village of Ridgewood shall change the source of prescription drug benefit to the New Jersey State Prescription Drug Plan. The prescription drug program benefit will cover all employees and retirees as well as their respective families. The plan shall

provide the following benefit:

\$3 (three dollars) co-payment per generic medication

\$10 (ten dollars) co-payment per brand-name medication

27.08 The Village of Ridgewood shall have the right to change the source of coverage to the prescription drug benefit, as long as such change does not result in any loss or reduction in benefit to any covered person.

27.09 The Village will pay up to a maximum of twenty dollars (\$20) per month per employee toward the total of a dental plan similar to the current plan administered by Delta Dental of New Jersey. The Village shall retain the right to provide equal or better coverage from another plan or insurance carrier.

27.10 Employees covered by this agreement are eligible for up to one hundred dollars (\$100) per year payment from the Village of Ridgewood as a self-administered eyeglass insurance plan. To be eligible for reimbursement, the employee must first present proof of an eye examination. In any two-year period, in which the Village would reimburse up to one hundred dollars (\$100) per year, the employee must have at least one eye examination. The remaining amount of eligible two hundred dollars (\$200) (\$100 per year for two years) can be spent on eyeglass or contact purchase. Vouchers for either examination or eyeglass/contact expense, shall be presented to the Finance Department for reimbursement.

27.11 The Village of Ridgewood shall have the option of deducting up to twenty dollars (\$20.00) towards a medical co-payment for insurance in each of up to twenty-four (24) pays (maximum total four hundred eighty dollars (\$480.00) per year). This provision shall take effect

upon at the earlier of January 1, 2010 or all of the other Village's collective negotiations units agreeing to the health insurance contribution or having it imposed through an interest arbitration proceeding whichever occurs first. The co-payment provision provided in this paragraph shall not be effective retroactively to any retiree from either bargaining unit. If a future retiree separates from service while there is an effective co-pay provision in place, it shall continue into said future retirees' retirement term at that same rate of contribution.

Effective January 1, 2016, employees shall make contributions pursuant to Chapter 78.

28.00 **INSURANCE**

28.01 The Village agrees to defend and indemnify all employees covered by this agreement for any claims arising out of and/or incidental to the performance of their duties as police officers as construed and applied by the laws of the State of New Jersey or other applicable law, including but not limited to claims for false arrest, false detention or false imprisonment, malicious prosecution, libel, slander, defamation, invasion of civil rights, rights of privacy, wrongful entry or eviction, or other invasion of the right of private occupancy.

28.02 The Village may purchase or provide insurance coverage applicable to the above sections which shall not be construed as limiting or expanding the Village's responsibilities under N.J.S.A. 40A:14-0155 or other applicable law.

28.03 The coverage under this Article shall be modified to include first aid given on or off duty.

TWELVE HOUR SHIFT

THREE/TWO SCHEDULE

On March 16, 1998 the Village and the PBA entered into an agreement with regard to a 3/2 – 12 hour work schedule. The agreement with regard to how it will operate is appended to this agreement as Appendix "C".

The three/two work schedule divides the patrol division into two (2) separate platoons. Each platoon would consist of two (2) squads.

While one platoon works a combination of 24-hour duty days, the other platoon is off duty for the same combination of days.

A duty day for each Police Officer working the 3/2 schedule shall consist of the following:

- 1.) Each workday shall consist of twelve (12) hours.
- 2.) Each workday will provide for one (1) one-half hour meal period and three (3) fifteen minute breaks. Conditions permitting, each Police Officer may combine break periods.
- 3.) Each officer shall have a minimum of at least eight (8) hours off between shifts.

The 3/2 schedule with twelve (12) hour duty days calls for a total of 2,190 hours to be worked by each member. The current work agreement between the Village and PBA requires each member to work 2044 hours per year at straight time, the Village agrees to give back to each member 146 hours in compensatory time per year so that each member will continue to work 2044 hours per year. Members working an eight (8) or a ten (10) hour shift shall receive

(P) AM

54 hours of compensatory time per year. Compensatory time is subject to manpower requirements and approval from the Chief of Police.

The members of the Bargaining Unit not assigned to the patrol division shall be permitted to work a ten-hour work chart. The agreement for the ten-hour work chart shall be the same as the twelve-hour work chart, with the following changes. The members of the bargaining unit that will work the ten-hour work chart shall work the same amount of hours per year. Any hours over the contractual time shall be returned as compensation time in the same manor as the twelve-hour work chart. All vacation, holiday and personal time will be converted to hours and divided by ten hours. All other aspects of this agreement shall be the same as the twelve-hour work chart.

WORK SCHEDULE

Shift Schedule: Members shall pick either the day or night shift based on their preference in seniority. The three/two schedule shall consist of two (2) platoons, each with two (2) shifts; each shift shall be twelve (12) hours in duration. When Platoon A is working, Platoon B shall be off:

Day Shift	0700-1900 hrs.
Night Shift	1900 – 0700 hrs.

Shift hours to be mutually agreed upon by the PBA and Chief of Police.

Other bureaus within the department choosing to work the (8), (10) or (12) hour schedule shall meet with the Chief of Police or his designee to determine shift scheduling for their respective bureau.

MANNING AND SHIFT SELECTION

Shift Assignment: Shift assignment shall be made once a year in accordance with the seniority bid system. Shifts shall be twelve (12) hours in duration with starting/ending times outlined in this schedule. Standard slips for shift selection shall be distributed to all employees so that shift assignments can be made.

Shift Preference: Each employee shall list his first and second preference for shift assignment, and consistent with efficient operation of the Department, assignments shall be made based upon seniority. The procedure to be used shall provide the employee with his highest shift preference in accordance with seniority and the efficient operation of the Department. If the member's first choice is not available, the member shall be given his second choice, if available, and so on until his shift is assigned. Employees must submit their shift preference in writing to the Chief of Police or his designee by December 15 and shift assignments are to be posted by December 31.

PU AM

Available Shifts: A – Steady Days

B – Steady Nights

Non-bid Positions: Any member who has not completed one (1) year of service with the Department is not entitled to participate in the bid process. In the case of a recruit, one (1) year shall commence from the date of graduation from the Police Academy. Employees who are given credit for previous police experience shall commence their one (1) year from the date of appointment to the Department. Any such members shall be given duty assignments consistent with the needs of the Department. Such assignments are not grievable.

VACANCIES OF SHIFTS

Announcement of Vacancies: Any vacancies on any shift created by retirement, death, resignation or promotion, which occurs after finalization of the yearly seniority bid selections, will be announced via a departmental memorandum. Police Officers desiring to bid on such vacancies must submit such bids in writing to the Chief of Police or his designee, providing the manpower of the Department allows an immediate filling of the vacancy, without creating overtime situations, the vacancy shall be filled as quickly as possible.

Switching of Shifts: Members shall be permitted, with the approval of the Chief of Police or his designee, to voluntarily switch shifts during the calendar year with another member of the PBA. Should the Chief of Police or his designee deny a switch of shifts between members, a bona fide reason shall be given in writing.

PU AM

Employees Shift Changed by Management: Management may change any employee's shift only for reasons stated below and only in accordance with the following procedure:

1. Except in a bona fide police emergency, an employee must be provided at least twenty-four (24) hour notice of an impending shift change.
2. The employee must be provided with the reason(s) for said change. Once the reason for the change has been satisfied, the employee must be returned to the original shift.
3. If management has a need to make a shift change, management shall ask the senior most officer if he/she is desirous of a shift change, and so on down the seniority list, in an effort to secure a volunteer. Absent a volunteer, management shall switch the junior most available officer into the needed time slot.

ORDER OF VACATION PREFERENCE

Given that there are four (4) separate and distinct shifts in the patrol division, there can be created four (4) vacation slots for the calendar year.

Vacation preference within each shift shall be exercised according to seniority.

Vacation picks shall be made by a given deadline as selected by the Chief of Police.

The vacation schedule shall be subject to the approval of the Chief of Police, consistent with the best interest of the Police Department.

Members will be limited to three weeks vacation during the summer months in accordance with the current PBA resolution governing vacation picks.

For the purposes of this agreement, the patrol division shall pick a vacation preference separately from all other divisions.

- (3) Sign-up Assignment – (120 hour notice) – should be viewed by most eligible sworn officers. Once this sign up sheet is viewed the assignment will be made by selecting the officer with the most time from the last assignment. When a tie develops between officers, reviewing work assignments will be done prior to the last assignment and will be used to break any ties.

All overtime assignments will be noted in one of three corresponding books, which will govern all overtime. These books will be color-coded:
