* PRESS RELEASE *

Clark Township Mayor Angel Albanese made a statement in response to today's lawsuit:

[Ron Sheehy](#)

Remember they did the same thing with NJ State Police. So the NJSP stopped pulling over Minorities on the Turnpike, this resulted with the Gun Running getting their Guns in Newark that caused the Highest recorded shootings in Newark the following year

18:20 on Jan 16, 2026 UTC

[Heather Rein Warszawa](#)

18:27 on Jan 16, 2026 UTC

[Michael Hand](#)

Cherylis Maddope no one ever said it's not true, it was recorded.

But what's the goal of this lawsuit - to pull over more white people ? I sure hope it's not pull over less people violating the laws?

But show me another town that is 95% Caucasian and surrounded by towns with higher crime rates like Rahway and Linden, with a major state highway with one of the highest volume of transient commuters. Compare those stops.

18:31 on Jan 16, 2026 UTC

[Tee Mac](#)

Nothing has changed in Clark except they no longer say it out loud. It's a "what's understood doesn't have to be explained" kind of situation. First step to fixing something is by admitting it. Stay in denial all you want, but we all know the truth.

18:33 on Jan 16, 2026 UTC

[Ilya Shaikovsky](#)

Clark is truly a good town. Don't know what it looked like 10-60 years ago like people complain... But I spent 10 last years in Clark Recreation center. And there is always tons of people of color there. Don't see any fear or incidents. People having good time. Same on township events. Pretty strange for a sundown town isn't it?

You go mayor!

18:35 on Jan 16, 2026 UTC

[Laura B](#)

Heather Rein Warszawa I am just asking for evidence to back up why you think she is great. I can give you plenty that Clark can do better. But, with people not being able to believe what has been done to this town ... it may never happen.

Before sal nothing like what we see now happened. No outsiders. Not that I mind. Ralph does an amazing job. But sal used people to help his family out. The fact that there are no problems ... shows there is not a problem with people of color. And actually sal created a lot of problems when calls didn't go his way.

Painting all Clark police officers past and present with the same brush is dead wrong. The same goes for the residents of this great township .We have a fantastic township the residents and town employees (inc. police) will go out of their way to help . My son attended Union Catholic in Scotch Plains. Their XC team practices at the park over there. One of the women called the police on their track team for running through the park without masks on (this was when the Covid restrictions started being lifted).
