NARRATIVE		01/09/2024 15:52	On today's date [REDACTED] and her daughter O.O. came to NPD to report a disturbance that had occurred at Newton High School today. This incident occurred during the school lunchtime period. [REDACTED] stated that the accused is ZA, and that she yelled at her daughter and made attempts to instigate a fight. [REDACTED] daughter stated that no security was in the area and only one teacher was present who made attempts to stop ZA from fighting O.O. It's to be noted that SRO Bellis was on campus during this incident and responded to the area where the incident took place. He advised me that no physical altercation took place and no one was hurt or injured. Bellis also advised me that Assistant Principal Caffery had ZA be sent home for the remainder of the school day due to her behavior towards O.O. I advised [REDACTED] of her options to reach out to the Newton BOE, Newton Superintendent and her right to file a Harassment Intimidation and Bullying (H.I.B.) form with NHS. She thanked me for providing her with these references and stated she'd be contacting the school about a solution to the incident that occurred today. I advised her that this school matter will ultimately be handled by the administrators of the school and that they will provide the necessary disciplinary actions for the incident that occurred.
