NARRATIVE	04/25/2018 17:20	Pellegrino thought she observed someone enter her apartment on her security camera when she was at the store. Patrols met her at her apartment which was still locked via the deadbolt. A check inside proved negative. She also couldn't produce any video from same. She had video from before and after the alleged incident. She was unsure if anyone would have a key besides the manager. She called the manager and he confirmed that he wasn't in the building today. To be on the side of caution she opted to have her lock changed. No signs of foul play noted.	sking

Upon arrival, Sgt D'Annibale and I spoke with William Nagel who stated his mother, Audrey Nagel was in the bedroom unresponsive. Audrey was located in the bedroom laying on her back with her feet on the floor wearing only a adult diaper. It was apparent that Audrey had expired, she was cold to the touch with no pulse and signs of Rigor Mortis. The deceased had signs of lividity to the extremities. The deceased was discovered by her son, William Nagel who had been trying to call her earlier today and did not receive a response. Saint Claire's Paramedics arrived on scene and contacted Dr Guzas of Saint Claire's Dover, who pronounced Audry Nagel deceased at 11:09am. Sgt. D'Annibale spoke with Giovanna Alves of the Morris County Medical Examiner' s Office who then released the body. Smith McCracken Funeral Home was contacted by William Nagel. Det. Post was notified of the unattended death and was advised that nothing appeared suspicious due to the age and medical history of the deceased.	JTORRES

brother, Samuel Karr, left the house making suicidal statements. Patrols responded to Apt. 608 and met with Licata. She explained that Samuel suffers from depression and has been very depressed the last couple weeks. Today, Samuel left the apartment and stated to Licata, "goodbye" you will never see me again, before leaving with a few belongings. Licata also stated Samuel made statements about taking his own life. Samuel left in his white colored 2013 Ford F-150. Licata said that Samuel might be heading to Maryland, South Carolina or Florida. She added that he might be going to visit his parents grave(s) in Olney, Maryland. The last time that anyone heard from him was at 1402 hrs. A ping was done on Samuel's phone at approx.. 1700 hrs. which showed him on Rt. 495 in Wilmington Delaware. Samuel was entered into NCIC as missing/endangered. Contact was made with Howard County and Olney Police Departments in Maryland. Trak Flyer completed and sent.

While entering Samuel as missing, Elizabeth called and stated that she received a text message from him stating that he was parked and was going to sleep until he died. The location of an updated ping placed Samuel in Howard County. A phone call was made to the Howard County Police Dept. advising them of Samuel's lat/long.

NARRATIVE		08/23/2021 22:20	Patrols advised of a 911 call in the parking lot of the station where the caller refused to get out of her car. Upon arrival we met with the caller, Elizabeth Licata, who claimed her fiancé, Samuel Karr, was angry at her for using his car and was tracking her using the Buick On Star feature. She continued stating Karr allowed her to use his car to go to work but became angry when she did not return after work. She said that he demanded his keys back even though she had a doctors appointment in the morning and she did not feel safe returning to her residence because Karr has not taken his medication for depression. Licata was asked if any threats and/or physical violence took place and she stated that Karr threatened to not allow her to use the car. We escorted Licata to her residence where we spoke with Karr. He stated he allowed Licata to use his vehicle but began tracking the vehicle when she did return home after work. Karr further stated he just wished for his car to be returned and attempted to confront Licata in the parking lot about it. He claimed Licata then attempted to hit him with the vehicle before leaving and driving to the Newton Police Department. Licata denied attempting to hit Karr stating he jumped in front of the vehicle and she drove around him. A VINE was completed on Karr's behalf to which he initialed showing he understood his DV Rights and signed the same reflecting he did not wish to pursue a TRO at this time. The parties agreed to stay separate for the rest of the evening.	skneidl

Upon arrival, we met with the caller, Tyler Kimmelman, who advised that his ex, Julianne Sabo, was attempting to take their joint child Mackenzie home with her. Tyler advised that they do not have a court ordered custody agreement, but have been following the same routine on their own. Tyler requested that Sabo be removed from the residence.	SSIEK

We met with Sabo in the residence, where she expressed her concern that she was unable to get in contact with Tyler and became concerned for Mackenzie. When she arrived to Tyler's apartment she found him passed out on the couch and expressed her concerns that Tyler has a history of drinking and driving. Tyler appeared to be intoxicated but still fit to take care of his child. We were unable to determine if he had operated a vehicle prior to our arrival,

After speaking with both parties, everyone agreed to allow Mackenzie to stay with her father for the evening to comply with their normal custody agreement.

now is in the middle of Water Street. Upon arrival, patrols made contact with the suspect, identified as Louis Coston. He was sweating profusely and advised me that he was confused. He wished to go to the hospital, but did not want an ambulance. He appeared dehydrated and was subsequently transported by patrol to NMC. While en-route, he stated to me that he suffers from Schizophrenia and paranoia and that he just had an episode. Hospital staff was advised and Mental Health Evaluation Form was later completed and submitted. Patrols made contact with Coston's girlfriend, Naquitha Butler, and confirmed that he was at the 7-Eleven with her when he became paranoid that cars were following him. It was at that point where he ran away prior to patrols making contact with him. Coston continued to inquire if he was going to be "checked". Check conducted was negative, but internet search provided that Coston, in 2016, a reputed NJ Crips Gang member, was charged with conspiracy to distribute one kilogram or more of heroin and one count of heroin possession with intent to distribute. Incident Report detailing the incident was completed and forwarded to DSG Finkle for CDS Intel. Investigation to continue with attempting to find security footage of Coston in 1 Trinity Street.
