3222 - Spoke with complainant who advised he was contacted by what he thought was Amazon and gave payment information reference his account. CP later contacted Amazon when he became suspicious and confirmed that it was a scam. Same contacted his banks / credit cards and other financial accounts and locked and safeguarded same. CP was given an identity theft packet to complete in the event there was a further breach. CP was satisfied with police assistance and requests this to be a matter of record only at this time.
