NARR	06/13/2020 17:48	While checking a noise complaint in the area of 33 Mill St. we were advised of an attempt to locate a White Dodge Charger. It was reported that the actor may have a knife and made comments about wanting to buy a guy and commit suicide by cop. The BOLO was out of Mount Olive Twsp. with a possible destination of 64 Mill St. While checking the noise complaint the accused vehicle was located in the visitor parking area and unoccupied. A check of 64 Mill St. Apt. #2 was checked multiple times with no answers. I was assigned to watch the vehicle for the accused to return. Eventually Linskey returned to his vehicle. He was stopped and taken into custody at Mount Olive PD's request for DV assault. Mount Olive was contacted and advised we had him in custody. They responded to take custody of him. He was turned over to Officer Gremmo #99 and Officer Pasonis #115.	dmeisinger

NARR	11/28/2017 10:09	Detectives assisted Sussex County Prosecutor's Office Detectives with the execution of a search warrant at 54 Mill Street Apt. #11A. The investigation was initiated by the Sussex County Prosecutor's Office after they received a tip from the National Center for Missing and Exploited Children that showed that an Internet Protocol address registered to Kenneth Norman was being used to distribute images of child pornography over the internet. Norman was located in the apartment and voluntarily accompanied Detectives back to the Newton Police Station in order to be interviewed. Detectives from Sussex County Prosecutor's Office collected evidence that included a cell phone and other computer related equipment. At the station, Norman was interviewed by Detectives Psaroudis and Laird of the Sussex County Prosecutor's Office. Norman was given his Miranda Rights which he understood and waived. He subsequently admitted to distributing images of child pornography over the internet. Norman was charged with D	system

NARR	11/28/2017 10:09	On September 1, 2014 at about 2022 hours I was dispatched to Hillside Terrace for a report of a burglary to a motor vehicle. I was met by Carolyn Storms, the complainant, and witness, Moureen Madigan, who stated that they observed a white male open her vehicle door but did not make entry. Storms stated that the white male was wearing a black baseball cap, a black short sleeve t-shirt and blue jeans. Storms also indicated a black male that may have been involved was across the street on Mill Street. During our conversation it was revealed that there were no items taken out of the vehicle and that the vehicle was not locked at the time of the incident. Patrolman King canvassed the area of Hillside Terrace and he was met with negative results. I spoke with Steve Williams regarding his involvement with the incident. Williams stated that he did not observe anyone opening the car door and that he did not know what I was talking about. During my investigation Williams revealed that the subject that opened the v	system
NARR	11/28/2017 10:09	ehicle door was about 16 years old and was a white male. Williams said that he could not provide me with any further information regarding the unknown male. A short time later while canvassing the area I observed Williams at 96 Main Street talking to a white male without a t-shirt on. The male was sweating profusely when I approached him. The male was later identified as, Adil Akcay, a 16 year old male from 88 Trinity Street apt 1. Akcay had his black short sleeve t-shirt and his black baseball cap on the ground. I asked Akcay if he was in the area of Mill Street by Hillside Terrace and he said that he was not. See incident report for further details.	system

------	------------------	--	----------

NARR	11/28/2017 10:09	Patrols spoke with the complainant, Michelle McLagen, who advised that her neighbors in apartment 11A have a dog that continuously barks and they do not let it out. According to McLagen, her apartment smells like "vinegar" and blamed the smell on the dog urine and feces. McLagen was advised that we would check to make sure the dog is properly being cared for. She was advised to contact her landlord due to her issues with the neighbor.	system
------	------------------	--	--------

Patrols spoke with Losey in apartment 11A. We advised her of the complaint and she invited us into her apartment. Patrols did not detect any "dog" odors. The dog appeared to fine with plenty of water and food. Losey stated that she takes the dog out several times per day. Complaint unfounded.

His neighbor in apartment #4 thought he was looking at their young children and confronted him. He told her what he was doing but she did not believe him. I then spoke with James Halstead. He stated his wife was concerned because Weed is mentally challenged and she does not trust that he was identifying planes. He stated that believes Weed is harmless and he has lived next to him for three years without a problem. He does not think that Weed is looking at the children. He told his wife to go back inside and not to confront Weed. Both parties agreed not to converse with one another.	system

NARR	09/02/2016 00:39	CALLER REPORTS RECEIVING A REPORT OF A PARTY WITH CDS ACTIVITY WITH CHILDREN IN THE APARTMENT.	ddolan
NARR	11/28/2017 10:10	DYFS called to report that they are responding to 54 Mill St. for a report of a party with children present and possibly CDS. They requested our assistance. Prior to our arrival it was reported that there was also a possible fight at the location. The fight was Nastro arguing with someone on her cell phone outside the residence which prompted a call by a neighbor. It was also learned the Nastro was hosting a birthday party for a few friends. All were checked and of legal age. DYFS conducted their investigation and determined that noone in the apartment was capable of remaining in charge of the two infants that were sleeping because they had consumed alcohol. No one appeared to be heavily intoxicated. Nastro had noone else that could sign the DYFS paperwork and stay at the residence to satisfy DYFS requirements. Eventually Chominsky decided that she wanted to leave. She was given a field sobriety test before she was going to leave in her vehicle and passed the tests. DYFS determined that this would suffice as	system
