Re: OPRA Request Dated October 18, 2020

Dear Resident:

I am in receipt of your OPRA request dated October 18, 2020 for police dispatch logs of all incidents of police dispatched to 2 Brook Drive North, 3 Brook Drive North, 6 Brook Drive North, 7 Brook Drive North, 12 Brook Drive North and 15 Brook Drive North from 2010 to present.

Enclosed please find the redacted Incident Reports and explanations of redactions.

Respectfully,

Erik J. Heller
Chief of Police

EJH/sjs

w/enclosures

cc: Lisa Sharp, Clerk

Please be advised that for all of the reports being provided where a victim/ witness/personal identifying information is redacted and for reports regarding 6 Brook Drive (6/23/2019, 12/16/2018, 1/12/2015) the basis for the redactions are as follows:

1. **Victim's Name & identifying information (including parent's information):** Per GRC Complaint No. 2009-151, GRC Complaint No 2004-28, and NJSA 47:1A-1.1, based on a balancing test, the potential harm for disclosing the a victim's identity outweighs the requestor's need for access to the information and that Governments have a responsibility to safeguard citizen's private information. The person listed in this report is not an individual that you seem to be seeking information about. Additionally, pursuant to OPRA, NJSA 47:1A-1.1, Governor's Executive Order No. 21, and GRC Complaint nos. 2003-12 and 2004-195 due to invasion of privacy. The release of the victim's information could potentially adversely affect the privacy of citizens with unwarranted solicitation and the possibility of harm to that person or to their property. The release of the information could also potentially adversely affect a citizen's willingness to provide personal information to a government agency knowing that their personal information may not be protected from disclosure to anyone who files an OPRA request. These laws and decisions mentioned herein note that a government agency has the obligation to protect citizens from the potential harm of disclosing their personal information. The potential harm of unwarranted solicitation, along with the harm of jeopardizing a citizen's person and property justifies the government agency to deny access to information that if disclosed would cause substantial risks and undesirable activity. No safeguards are available for the public agency to prohibit the citizen's person or property from being jeopardized by unwarranted solicitation or potential harm.
2. **For 6 Brook Drive:** Redacted information pertaining to health or medical information is not being provided pursuant to NJSA 47:1A-9 and the Health Insurance and Portability and Accountability Act of 1996 (HIPPA) and EO 26 (4) (b) (1).
3. **Witnesses'/reporting party's identifying information:** Per GRC Complaint No. 2009-151, GRC Complaint No 2004-28, and NJSA 47:1A-1.1, based on a balancing test, the potential harm for disclosing witness's identity outweighs the requestor's need for access to the information and that Governments have a responsibility to safeguard citizen's private information. Additionally, pursuant to OPRA, NJSA 47:1A-1.1, Governor's Executive Order No. 21, and GRC Complaint nos. 2003-12 and 2004-195 due to invasion of privacy. The release of the witness's information could potentially adversely affect the privacy of citizens with unwarranted solicitation and the possibility of harm to that person or to their property. The release of the information could also potentially adversely affect a citizen's willingness to provide personal information or report a crime to a government agency knowing that their personal information may not be protected from disclosure to anyone who files an OPRA request. These laws and decisions mentioned herein note that a government agency has the obligation to protect citizens from the potential harm of disclosing their personal information. The potential harm of unwarranted solicitation,

along with the harm of jeopardizing a citizen's person and property justifies the government agency to deny access to information that if disclosed would cause substantial risks and undesirable activity. No safeguards are available for the public agency to prohibit the citizen's person or property from being jeopardized by unwarranted solicitation or potential harm.

4. Regarding redactions pertaining to 7 Brook Drive, information regarding any juvenile or domestic complaints are not required to be disclosed pursuant to NJSA 47:1A-1, that such documents are not subject to public access unless there is a specific statute, Exec. Order, Rules of Court, Federal law, regulation. N.J.S.A. 2A:4A-60 prohibit disclosure of records pertaining juveniles and N.J.S.A. 2C:25-17 regarding regards involving domestic disputes/complaints.
5. Regarding redactions pertaining to 7 Brook Drive (9/24/2020) and 15 Brook Drive (6/22/2020; 1/8/ 2018; 10/9/2014):

Pursuant to NJSA 47:1A-1 it has been determined that this request does not qualify under the OPRA laws as it would jeopardize security of the building(s), facilities and/or persons therein. It may also involve the security measures and surveillance techniques would create a risk to the safety of persons or property.

RESPONDED WITH S/O ATOCHE TO THE ABOVE LOCATION FOR A REPORT OF TRESPASSING. MET WITH THE COMPLAINANT [REDACTED]. S/O ATOCHE SPOKE WITH TWO FEMALES THAT WERE PARKED IN THE STREET. I WAS TOLD THAT LAST TIME THE [REDACTED] ARRIVED TO [REDACTED] AT 1900 HOURS. [REDACTED] WAS ON HER PROPERTY AND TRESPASSING. [REDACTED] THAT OFFICERS LAST WEEK INFORMED [REDACTED] THAT THEY WERE NOT ALLOWED ON THE PROPERTY. I CONFERRED WITH S/O ATOCHE THIS STATUS. S/O ATOCHE SAID THAT HE COMMUNICATED WITH [REDACTED] TONIGHT THROUGH TEXT MESSAGES BECAUSE [REDACTED] WAS NOT TOLD LAST WEEK OF THE TRESPASSING ISSUE. THROUGH S/O ATOCHE, I INFORMED [REDACTED] TOGETHER THAT IF EITHER SETS FOOT ON THE PROPERTY GOING FORWARD IT WILL CONSTITUTE TRESPASSING. BOTH SAID THEY UNDERSTOOD. SGT. CHRISTEL WAS ON SCENE AS WELL AND SUGGESTED TO HAVE THIS ISSUE ADDRESSED LEGALLY WITH A WRITTEN AGREEMENT DRAFTED BY HER ATTORNEY. THE [REDACTED] IS TO BE MADE IN THE STREET OR CURBSIDE AND WAS DONE TONIGHT WITHOUT INCIDENT. NO FURTHER ACTION TAKEN.
