RE: OPRA Request – “The police department has a Facebook page I want a screen shot of the banned list, the blocked list the list of names on both the banned list and blocked list of the Facebook page. I want the written policy for placing people on these lists. I want all hidden and deleted comments the public response to all the posts made between September 1st to the time and date this request was received.”

Dear R. Lord,

Please be advised that we have reviewed the above referenced request received October 23, 2020, and we are in the process of retrieving the documents that are responsive to this request. However, additional time will be required to retrieve all of the documents due to the extensive request and the COVID pandemic.

At this time, your request requires an additional seven (7) days beyond the seven (7) business days to review, and if appropriate, provide the documents to fulfill your request. As you know, OPRA allows custodians to seek extensions of the time pursuant to N.J.S.A. 47:1A-5(i). In addition, the statute has recently been amended to provide that the normal deadlines shall not apply, provided however, that the custodian of a governmental record shall make a reasonable effort, as the circumstances permit, to respond to a request for access to a governmental record within seven (7) business days or as soon as possible thereafter. Be advised that we are making a reasonable effort, as the circumstances permit, to review and respond to your request, which includes an extension of time as needed.

We anticipate that we will have the documents you requested available on or before November 16, 2020.

If you have any additional questions and/or concerns, or if we can be of further assistance, please do not hesitate to contact our office at (856) 686-2203.

Thank you for your time.

Sincerely,

Dina L. Zawadski, RMC/CMC
