RE: 618 Turkey Point Rd-pool permit

The above address was issued a building permit for a single-family dwelling and inground pool on November 13, 2001 permits #01-4166. The inground pool was separated out from the house permit. The following new permit number 02-3577 is for the inground pool only and was exempt from all permit fees. When the single-family dwelling permit was issued, the cost of the pool was included. The homeowner is scheduling all required final inspections so they can obtain their certificate of occupancy. There were problems with the inground pool that was delaying this process.
