1708 hours

Police Officer S. Alicea and I were on uniformed patrol in "B" sector. We observed approximately three people holding what appeared like professional video cameras in front of Play City, 4918 Park Avenue.

I parked the vehicle and exited. At this time, the film crew already entered Play City. We met,
 , who is the Field Production Manager of Big Fish Entertainment. He advised me that his company exclusively rented Play City so they could film a reality show. He said the establishment was closed to the public and only the film crew would be inside. They are currently filming a VH-1 reality television show named Love & Hip Hop - Season 10.

While on scene, we did not observe any equipment associated with the film crew on the sidewalk or street. There were no large commercial vehicles double parked or parked on the street. We only observed three black Chevy Tahoe which some of the film crew exited but they were legally parked. Also, there were no spectators or fans on scene.

Mr. (
) advised me that he is unaware if his company requested township permits and was unable to check at the time because it was the weekend. He advised me that any further information could be obtained through the Office Production Manager,
 (please see contact information). -
End of Report.
