Narrative

On the above date and time, I spoke with Borough Clerk, Jeannie Smith, who stated that there were two male subjects in violation of borough ordinances in regards to posting political signs on public property. Mrs. Smith advised that the two male subjects were in front of the US Postal office with political signage.

I advised her that the two subjects notified the police that they were enacting their 1st amendment rights peacefully. They were not blocking any ingress or egress to the post office.

They were calmly and peacefully supporting the current president. I advised Mrs. Smith that the parties were compliant and we would enforce any violation of their constitutional rights. NFI
