At the request of the PBA, I have authorized the growing of facial hair for officers who wish to participate in the fundraising event to help support men's cancer research. This authorization is for the month of November and December and shall be limited to only those officers who are participating in the event. Facial hair shall be neatly groomed and trimmed close to the face.

Officers are reminded of our respiratory protection policy which prohibits the use of gas masks if there is facial hair that interferes with the seal of the mask. Keeping the policy in mind, officers who are growing facial hair shall be prepared to shave at a moment's notice if necessary to accommodate the use of the gas mask.

Thank you to those officers who are participating in this worthwhile cause.

SUBJECT: JCP& L Helicopter Patrols	NUMBER: SM 2023-09	
EFFECTIVE DATE: January 20, 2023	DISTRIBUTION TO: All Personnel	ISSUED BY: Chief James Riccio
CANCELLATION DATE:		APPROVED BY: Chief James Riccio

Please be advised that beginning on or about 1/20/2023, weather permitting, Chesapeake Bay Helicopters will be mobilizing to the JCPL region to begin performing comprehensive visual inspections (CVIs) on all JCPL 500kV and 230kV lines. These inspections are expected to take approximately six weeks to complete, however, any storm or outage-related patrols could prolong completion. The helicopter to be used is as follows:

White w/black and red stripes, Hughes MD500 with red tail registration number *N717MA*

A comprehensive visual inspection (CVI) is a slow, structure-by-structure, span-by-span inspection where the inspector onboard the helicopter gets a thorough look from top to bottom of each structure, associated hardware, and conductors of the transmission line(s). The helicopter will be moving very slowly along each of the transmission lines and will often be seen hovering while carrying out these inspections.
