AN ACT concerning quotas for arrests and citations and amending  
P.L.2000, c.164.

BE IT ENACTED by the Senate and General Assembly of the  
State of New Jersey:

1. Section 2 of P.L.2000, c.164 (C.40A:14-181.2) is amended  
to read as follows:

2. a. A State, county<sup>1,1</sup> or municipal police department or  
force engaged in the enforcement of Title 39 of the Revised Statutes  
or any local ordinance adopted pursuant to this title shall not  
establish any quota for arrests or citations. The department or force  
may, however, collect, analyze<sup>1,1</sup> and apply information concerning  
the number of arrests and citations in order to ensure that a  
particular officer or group of officers does not violate any applicable  
legal obligation and for the purpose of forwarding that information  
to the Superintendent of State Police for inclusion in the Uniform  
Crime Report.

b. The department or force shall not use the number of arrests  
or citations issued by a law enforcement officer [as the sole] when  
evaluating the performance of a law enforcement officer, or as a  
criterion for promotion, demotion, dismissal, discipline, or the  
earning of any benefit provided by the department or force. [Any  
such arrests or citations, and their ultimate dispositions, may be  
considered in evaluating the overall performance of a law  
enforcement officer.]

<sup>1</sup>c. A department or force shall not post data regarding the  
number of arrests or citations in any area that is common to all law  
enforcement officers of the department or force, including a police  
station or barracks, for the purpose of creating competition between  
officers with respect to arrests and citations.<sup>1</sup>  
(cf: P.L.2000, c.164, s.2)

2. This act shall take effect immediately.

---

Prohibits law enforcement agencies from considering number  
of arrests made and citations issued when evaluating police  
officer's professional performance.
