a. The employee co-pay amount will be \$8.00 for generic drugs, \$23.00 for formulary drugs, and \$38.00 for non-formulary drugs.

b. If no generic drug equivalent exists for a prescribed formulary or non-formulary drug, the employee co-payment shall be the generic drug co-payment amount.

c. If a doctor establishes a medical need in writing that an employee or dependent requires the use of a formulary or non-formulary drug for medical purposes, in lieu of a generic equivalent drug, the employee shall only pay the generic co-payment for the formulary or non-formulary drug.

d. Mail-order prescriptions filled for 90 days will include co-payments at 2 times the co-pay for individual prescriptions.

G. Except as modified herein, the Township agrees to maintain dental and prescription plans with benefits substantially similar to the levels contained in the prior collective bargaining agreement.

ARTICLE XIX

COMPENSATION

A. The salary schedule for the years 2018, 2019, and 2020 and 2021 is set forth in Schedule A, reflecting an 11.25% rank differential. All salary increases shall be added to the base salary. Base salary shall include clothing allowance, weapons incentive, longevity and education incentive but shall not include on-call pay.¹

For personnel hired on or after January 1, 2018, the rank differential for Sergeant shall be calculated on the step in the PBA contract salary guide from which they are promoted. Each year thereafter, the officer promoted to Sergeant shall move to the next step in the PBA salary guide until he reaches the top step of the PBA guide. The differential shall be based on the step on which he moves to. The salary guide is set forth in Schedule A-1.

B. Clothing Allowance and weapons incentive, longevity, educational incentive, and any other monetary compensation, except on-call pay, shall be included for the purpose of calculating the base rate of pay for overtime and straight-time purposes.

C. Whenever it is necessary to calculate an hourly rate for any employee covered by this Agreement, the hourly divisor shall be 1,950 hours per year.

ARTICLE XX

LONGEVITY

A. In addition to the officer's salary the following longevity schedule shall apply and be paid as hereinafter fixed and determined. Such longevity pay shall be considered part of the employee's salary for the purpose of retirement and disability benefits and the computation of overtime and holiday pay.

¹ The formula for calculating salaries is set forth in the April 23, 2018 Memorandum of Agreement executed by the parties to this contract.

AT THE BEGINNING OF:	PERCENT OF BASE SALARY

12 th year of service	6.0%
13 th year of service	6.5%
14 th year of service	7.0%
15 th year of service	7.5%

22 nd year of service	11.0%
23 rd year of service	11.5%
24 th year of service	12.0%
25 th year of service	12.5%

B. For the purposes of computing annual increments, January 1 or July 1 shall be

used as the anniversary date. The choice of either January 1 or July 1 will be determined by which of these dates is closest to the actual date of employment.

C. Longevity payments to all members of the bargaining unit shall be calculated using the base salary of that individual officer, which includes clothing allowance, weapon incentive and educational incentive and any other monetary compensation. Excluded from calculation of longevity payments are on-call pay, and Holiday pay. For personnel hired on or after January 1, 2018, current longevity percentages were added to the base salary of each respective year based on the PBA Local 160 salary schedule and for those employees the current longevity calculation will no longer be applied. The PBA salary schedule is attached as Schedule A-2.

D. Longevity payments shall commence on the first day of the 5th year of employment at 2.5% and shall increase annually by 0.5% until a maximum longevity payment of 12.5% is achieved in the 25th year of employment. For all officers hired after January 1, 1996, longevity payments shall commence on the first day of the 8th year of employment at 4.0% and shall increase annually by 0.5% until the maximum longevity payment of 12.5% is achieved in the 25th year of employment.

ARTICLE XXI

OVERTIME

A. Any officer working over their scheduled hours during a consecutive 24 hour period commencing with the start of the shift will be compensated at time and one-half pay on the individual's hourly rate at the time.

B. Any officer called for duty other than their regular shift shall receive time and one-half based on the individual's hourly rate. If an officer is called in and there is no work

available, he/she shall be paid a guaranteed minimum of four (4) hours of pay at the officer's overtime rate.

C. The need for an officer to be on call shall be set forth in writing and shall be issued at the discretion of the Department Head or his designee.

1. **Weekend Call.** For every forty (40) hours that an officer is required to be on call they shall receive one (1) day of pay equal to the number of hours in the officer's shift in addition to their regular pay and regardless of any overtime payments. For the purpose of this section, weekend on call status shall mean the assignment to stand on duty which, under the schedule in effect as of this date, is from 2400 hours, Friday, through 1600 hours the following Sunday.

2. **Weekday Call.** Employees who serve in Positions which are routinely placed on weekday on-call status shall receive a stipend in the amount of four thousand five hundred dollars (\$4500.00) per year, which shall be prorated if such assignment is for a period of less of the calendar year. For the purposes of this section, weekday on call status means the assignment to stand by duty which, under the schedule in effect as of this date, is 1600 hours Sunday through 2400 hours the following Friday. Officers, under this section, shall be paid on call pay quarterly or annually at their option. Those officers no longer required to be on call shall be paid no later than 30 days from the last on call assignment.

3. **Administrative On-Call:** Employees who serve in an administrative position and are placed on an on-call status shall receive an annual stipend of four thousand five hundred dollars (\$4500.00). Said stipend shall be paid in equal quarterly installments in the pay check which is closest to the quarter's end. For any administrative employee placed on an on-call status for less than a full year said stipend shall be pro-rated in accordance with the amount

of time so assigned.

This benefit shall apply to all Bureau heads and to those individuals in charge of units and who are expected to be notified and consulted in matters that concern their command. If the individual is determined to respond to the scene or to Headquarters, the individual shall then be compensated at the overtime rate and in accordance with the overtime provisions of this Agreement. Other members may be placed on Administrative On-Call as deemed necessary by the Director of Police.

4. On-Call pay status shall commence immediately upon the individual's assignment.

E. To facilitate fair and equitable overtime distribution, the Department shall be required to maintain separate overtime lists for Patrol and Special Details or Events. The manner in which the overtime is distributed and administered will be as per past practice but the S.O.A. shall have the right to periodically review the manner in which the process is administered and make changes to provide equal distribution to all employees covered by this agreement.

ARTICLE XXII

VACATIONS

A. EARNED VACATIONS

Officers shall be entitled to vacations, based on length of service in accordance with the schedule set forth in Schedule B, attached hereto.

B. PAY DURING VACATIONS

All vacations shall be granted at the annual salary rates of the individual.

C. SCHEDULING VACATION

The Director of Police shall allocate vacation periods in order to assure orderly operation and continuous service, but will grant vacations so far as possible in accordance with the desires of the officers by seniority in rank. Vacation requests submitted between January 1st and April 15th will be granted on a seniority basis and, thereafter, they will be granted on a first-come-first-serve basis.

D. RESCHEDULED VACATIONS

Officers shall take their vacations at the scheduled time. However, different periods of vacation may be taken if mutually acceptable to the Director of Police and the officer. In the event of inability to agree on a mutually acceptable rescheduled vacation and where the officer is required by the Director of Police to work during his vacation period, or if the officer wishes to work during his vacation period, then in addition to his usual pay, he shall receive vacation pay in lieu of vacation.

E. Cashing in vacation time will be permitted at the discretion of the Township governing body and will be on an equal basis for all officers.

F. Vacation leave granted after December 31, 2011, may only be carried to the following year end (December 31, 2013, for example for leave granted January 1, 2012) and must be used by that year end or it will be forfeited.

G. VACATION LEAVE AT RETIREMENT OR SEPARATION.

Notwithstanding Section F, above, officers who have accumulated vacation leave as of December 31, 2011, shall have the right to use such vacation or retain such vacation leave until retirement or separation and be paid for such leave at their rate of pay as of their date of separation or retirement, provided they retain such amount of vacation leave until separation.

Vacation leave granted after December 31, 2011 may only accumulate to the end of the subsequent year in which it is initially granted, as provided for in Section F, above. Any unused vacation which is accumulated pursuant to Section F, above, (not to exceed two year's allocation of vacation leave) shall also be paid to the officer at their hourly rate of pay at the time of separation.

H. For those assigned to a four/four schedule, vacation allowances shall be converted from days at eight (8) hours per day into a total number of hours and administered as hours within the four/four work schedule. There shall be no increase in the amount of permitted vacation as a result of the four/four work schedule.

ARTICLE XXIII

HOLIDAYS

A. Every police officer employed by the Township shall be entitled to thirteen (13) paid holidays as follows:

- | | |
|----------------------|----------------------|
| 1. New Year's Day | 7. Labor Day |
| 2. M.L King Birthday | 8. General Election |
| 3. Good Friday | 9. Veteran's Day |
| 4. Memorial Day | 10. Thanksgiving Day |
| 5. Independence Day | 11. Christmas Day |
| 6. Easter Sunday | 12. Columbus Day |
| | 13. President's Day |

B. Any officer working a Holiday, whether scheduled or not scheduled, will receive regular salary plus an additional fourteen (14) hours pay if they normally work an eight (8) hour day or seventeen and one half hours pay if they normally work a ten (10) hour day at their

regular rate. Any officer not scheduled to work the Holiday will receive regular pay plus eight (8) hours pay if they are assigned to an eight (8) hour scheduled or ten (10) hours pay if they assigned to a ten (10) hour schedule.

C. There shall be no pyramiding of overtime.

D. For those assigned to the Patrol Division, the holiday shall be observed for the 24 hour period of the actual holiday. For those assigned to Monday through Friday schedules, or four/three schedules if the holiday falls on a Saturday it shall be observed on the preceding Friday. If the holiday falls on a Sunday, it shall be observed on the succeeding Monday.

E. Officers called to work on a Holiday shall receive the same overtime compensation as those regularly scheduled to work on holidays. For example, if an officer is not regularly scheduled to work on a holiday, but is called to work, instead of being paid at the rate of 1.50 times the base hourly rate, the officer shall be paid at the rate of 2.25 times the base hourly rate for all hours worked.

F. If an employee is on-call, holidays which occur during said on-call period shall be credited on the actual day of the holiday and not the date on which the Township celebrates said holiday. For example, if Christmas falls on a Sunday and the officer is on-call, despite the fact that the Township is closed and celebrates the holiday on Monday, Sunday, December 25th would be deemed to be the on-call officer's holiday.

G. Effective and retroactive to January 1, 2001, payment for thirteen (13) holidays shall be included in each officer's regular pay.

ARTICLE XXIV

CLOTHING ALLOWANCE

A. An annual allowance of Seventeen Hundred and Fifty Dollars (\$1,750) shall be

given to each officer for the purpose of:

1. Maintenance of clothing and equipment;
2. Maintenance of weapon;
3. Ammunition costs for training and practice with off-duty weapon; and
4. For carrying an off-duty weapon.

B. Such allowance shall be paid in full in the second pay period in January of each calendar year.

C. If an officer, while in the performance of his duty, destroys part of his uniform, the Township shall replace the item upon approval of the Director of Police.

D. Hardware items, such as weapons, holsters and belts, handcuffs and cases, night sticks, safety helmets, badges and mace, shall be purchased and supplied by the Township and replaced as necessary and/or if damaged in the line of duty.

E. Notwithstanding any of the provisions of this article, if a new type of article of clothing or equipment becomes regular issue, then, if the use of the new equipment is initiated by the Township, the expense of the initial issue shall be borne by the Township and if the new type of equipment is initiated by the Association, then the expense of the initial issue shall be borne by each officer. The Township shall pay the initial cost for any additional uniform requirements resulting from a promotion to a higher rank.

F. The Township shall be obligated to reimburse a police officer for his personal property lost or damaged during the performance of his duty. Reimbursement shall be limited to a maximum of two hundred dollars (\$200.00) per item. Examples of such personal property are: wristwatch, glasses, etc. This limitation shall not apply to police equipment or uniform which, if lost or damaged during the performance of duty, shall be replaced or reimbursed in full.

ARTICLE XXV

EDUCATION INCENTIVE

A. Any officer who attends school for the purpose of obtaining police education or any degree in Police Science shall have the cost of books and tuition paid for in full by the Township. The tuition shall be unlimited per year and a prescribed program for college credits shall remain in effect. In order for an officer to be eligible for payment of tuition cost under this Article, a course of study must be submitted in advance for approval. Payment shall be made by the Township pursuant to the schedules established by the various colleges. It is understood that any officer who fails a course or withdraws without good cause must reimburse the Township for costs incurred for said course. The parties shall meet to determine time lines for application, approval and payment as required by each college so that this procedure shall not deprive the officer of the education opportunity. Payment to the officer should be processed by the Township immediately upon receipt of paperwork from the officer. This is in order to expedite the payment process.

B. Any officer hired on or after January 1, 2008, shall be eligible for the cost of books and tuition paid for by the Township as prescribed in Paragraph A, only during the first 12 years of their employment with the Township. After twelve years of employment with the Township, the Township's obligation to pay such costs ends.

C. Any officer attending an approved Police Academy or other Police Academy or other Police Training School (technical), other than Basic Training School shall maintain his regular salary.

D. Any member of the Police Department required to attend a Police School or training facility other than college courses or basic Police Training will be reimbursed at the

current IRS rate per mile both to and from such schooling within one (1) calendar month from the date of his submission of travel.

E. Each officer shall be entitled, as additional compensation, to \$20.00 per credit accumulated in an accredited school of higher learning (after High School). These monies shall be paid equally during the course of the calendar year by inclusion in the officer's normal salary payment. Such additional compensation shall not exceed, however, the sum of Two Thousand Five Hundred Dollars (\$2,500.00) for any calendar year, and shall be payable upon presentation to the Township Committee of a proper certification from the institution attended by said member setting forth the number of credits completed.

F. Any officer hired after December 31, 2011 will be ineligible for the tuition and book reimbursement provisions contained in this Article.

ARTICLE XXVI

COURT TIME

A. If an officer is required to appear in court outside of normal duty hours in a matter arising out of and in the course of his employment, he shall be paid one and one-half times his base hourly rate for all hours.

B. The officer shall be required to report to the municipal building for such duty in a reasonable amount of time prior to the reporting time set by the court to allow for travel. Return travel shall be similarly compensated, as in A, above.

C. Officers shall promptly report the service of a subpoena, if served other than at the Department.

D. Overtime shall be paid for any appearance in a court or agency as defined in Section A above.

E. An officer shall be paid a minimum of 4.0 hours overtime at the time and one-half rate if the officer must report back to work for any court appearance. In addition, any officer called in to supervise the Municipal Court while Court is in session shall receive a minimum of 4.0 hours overtime.

F. The parties agree that the officer shall be reimbursed at the current IRS rate per mile when required to use their own vehicles for work-related transportation.

G. The foregoing provisions shall apply to any officer who has left the employ of the Township but is required to return to Court to appear in a matter arising out of and in the course of his employment.

ARTICLE XXVII

TEMPORARY LEAVES OF ABSENCE

A. Five (5) days' leave per incident shall be allowed for death of a spouse, civil union partner, child, step-child, parent, grandparent, sibling, father/mother-in-law, daughter/son-in-law, brother/sister-in-law, and person, partner, or significant other who resides permanently in the same residence as the employee. For aunts, uncles, nephews, and nieces, an Officer shall receive one (1) paid leave day per incident.

B. Forty (40) hours per year shall be allowed for personal reasons. Application shall be made to the Director of Police or his designee and granted except for good cause. Applicants for such leave shall not be required to state the reason for taking such leave under this section, except for the day preceding or following a holiday. All personal days not used by the end of the year may be carried over to the subsequent year as vacation.

C. SICK LEAVE.

1. Number of Days. Employees shall be guaranteed one hundred and

twenty (120) hours per year.

2. Sick leave shall accumulate during each officer's tenure.

3. For Officers employed in the Police Department as of December 31, 2011: Each eligible officer shall also have the option, at any one time over each calendar year, to "sell back" to the Township at their then current rate of pay up to forty (40) hours of the accumulated unused sick leave recorded as of December 31, 2011, provided he or she will retain at least 210 hours of recorded sick leave as of December 31, 2011, after each such "sell back." Such "sell back" of sick leave will permanently reduce the amount of sick leave hours eligible for payment under this paragraph, to the officer at retirement by the amount paid each year in this manner.

4. Sick Leave Incentive - Within two weeks after December 31st of each calendar year, each officer, no matter when hired, shall have the option of "selling back" to the Township and the Township shall be obligated to compensate the employee, at their hourly rate of pay for the prior year, for the number of unused sick leave hours in the prior year in accordance with the following formula. If in that prior year and limited to the new sick leave hours credited at the start of January 1st of that year, there remain the following sick leave hours available to the officer as of December 31, then the officer may opt to relinquish the unused sick leave hours and sell back such sick leave hours as follows:

<u>Remaining Sick Leave Hours</u>	<u>Eligible Hours to Sell Back</u>
80 hours	40 hours
70 hours	30 hours
60hours	20 hours
50 hours	10 hours
Less than 50 hours	none

5. An Officer who calls off duty as sick may only be required to submit to a

physical examination on one of three cases:

- a. where the officer has been out on sick leave for five consecutive days.
- b. where the officer seeks to return to duty following a work related injury, or
- c. where the Township has reason to believe that there has been an abuse of sick leave in accordance with Department of Personnel law.

It is the intent of the parties that the standards established by Department of Personnel shall be used in this area.

6. An officer shall not be required to submit a doctor's report of an illness or injury at the officer's expense.

7. An officer sent to a Township doctor while off duty shall be paid overtime for the time spent traveling to and from and while at the doctor's office.

8. The Township may only require physical testing for drug use in cases where there exists probable cause to believe that there has been improper drug use. Application of this standard shall be in accordance with applicable court decisions, laws and New Jersey Attorney General Guidelines relating thereto.

9a. For officers hired after December 31, 2011: Upon separation due only to retirement officers shall be paid for their accumulated sick leave, calculated at three-fourths (3/4) of their current hourly rate as of their date of retirement, but such payment shall be capped at a maximum of \$15,000.00.

9b. For officers hired on or before December 31, 2011: Upon separation due only to retirement, an officer may be paid for their accumulated sick leave, calculated at three-

fourths (3/4) of their current hourly rate as of their date of separation for retirement, but such payment shall normally be capped at a maximum payment of \$15,000.00. However, any officer who had accumulated sick leave hours as of December 31, 2011 which exceeded \$15,000.00 when calculated at ¾ of their salary as of December 31, 2011, the officer shall be entitled to be paid the higher value of the additional unused remaining sick leave accumulated as of December 31, 2011, calculated at three-fourths (3/4) of their hourly rate as of their date of separation for retirement, but the officer shall not be entitled to any additional sick leave hours payment at retirement for sick leave hours earned after December 31, 2011.

ARTICLE XXVIII

GENERAL PROVISIONS

- A. The waiver of any breach or condition of this Agreement by either party shall not constitute a precedent in the future enforcement of the terms and conditions thereof.
- B. This collective bargaining agreement shall be deemed to be a complete and final settlement of all issues outstanding between the parties.
- C. This Agreement shall be retroactive to January 1, 2018 except where otherwise expressly provided herein.
- D. This Agreement shall remain in effect until December 31, 2021.

ARTICLE XXIX

THE WORK SCHEDULE

- A. Unless otherwise provided herein, employees shall work a four/four schedule consisting of four (4) consecutive ten (10) hour days on-duty followed by four consecutive days

off-duty. The shift hours shall be 0700 - 1700, 1300-2300, 1600 - 0200, 2130 - 0730. Except in a bona fide emergency, the SOA and affected officer(s) shall receive a minimum of seventy-two (72) hours written notice of all schedule changes.

B. The elected officials of the S.O.A. shall not be transferred by the Employer from their present job assignments, except as necessary for the efficient operations of the Police Department. If a transfer is made for a bona fide managerial reason, when the need for the transfer has been met, the Employee shall be offered the option of returning to his/her original assignment.

C. For the purpose of providing safe working conditions for employees, the Township agrees to maintain not less than two (2) supervisors working during any Court session.

D. Should it become necessary, due to the occurrence of a special community event to increase the manpower, in order to provide coverage for said event the following procedure shall be utilized:

1. The reason, date and time of the event, as well as the number of additional officers needed to cover said event, shall be posted in an attempt to secure volunteers to fill the necessary manpower slots. This posting shall be done at least two (2) weeks prior to the event. Those officers volunteering shall be compensated at the rate of one and one-half times in compensatory time only. Volunteers shall be utilized in order of seniority.

2. Should sufficient volunteers not be available forty eight (48) hours before the event, the Township shall immediately secure the needed manpower from the Department Special Event list in accordance with the present overtime call procedure. It is agreed that volunteers from the original posting will remain in slots for compensatory time only, and all of the remaining unfilled slots will be filled from the Department Special Event List. The

Department Overtime and Special Event List shall be paid at a rate of time and one-half the regular rate of pay.

3. Should sufficient volunteers not be available, the Township may order officers in the inverse order of seniority to fill the necessary slots. However, those officers shall be compensated, at their option, at one and one-half times the regular rate of pay.

4. It is understood and agreed that no solicitation of volunteers by any superior officer shall take place. If solicited the officer so involved shall be compensated in accordance with Section 2, above.

5. Volunteers may be taken from any division. However, those employees ordered to work shall be ordered from the patrol division first. Once that pool of employees is exhausted, then employees from other divisions may be ordered to work.

E. Shifts shall be selected once per annum and selection shall be based upon seniority. Shift selection by seniority shall prevail regardless of assignment within the department to include any bureaus or specialized units. Seniority rights should prevail if an individual is transferred between divisions, sections and units within the Police Department.

F. Non four/four personnel below the rank of Captain shall work a four/three schedule. This shall consist of four (4), ten (10) hour days on-duty followed by three (3) consecutive days off-duty. The days on-duty shall be scheduled from Monday to Friday with holidays and weekends off. Personnel assigned to the four/three schedule whose regularly scheduled day off falls on the holiday, (e.g., Tuesday through Friday personnel with Monday off and on a Monday holiday), shall receive ten (10) hours schedule adjustment time for each such day. The schedule adjustment time shall be used and applied consistent with the terms of this collective bargaining Agreement and past practice.

G. Non Four/four personnel above the rank of Lieutenant shall be assigned to a five/two schedule consisting of five (5), consecutive eight (8) hour days on duty followed by two (2) consecutive days off duty. The days scheduled on duty shall be Monday through Friday with holidays and weekends off duty.

H. All four/three personnel will work shifts that will be either 0700-1700 or 1400-2400. All five/two personnel shall work from 0800-1600 hours unless agreed upon by both the employee and the employer to deviate from those hours.

I. Except in an emergency, for all personnel in specific divisions, overtime arising from within their areas of assignment shall be assigned to those officers within that division.

J. Those officers assigned to the Narcotics/Anti-Crime Bureau may be required to work a flexible schedule at the discretion of the Director. Overtime arising from this assignment shall be assigned to these officers.

K. In addition to the foregoing, the Director of Police shall have the authority to create temporary task forces. Assignment to such task forces shall be at the discretion of the Director. However, no such assignment shall last more than four (4) consecutive weeks in any six (6) month period. In addition any task force which is created in more than two consecutive years shall be converted to a special detail and overtime shall be assigned pursuant to this section. Such assignments shall also be consistent with an officer's schedule. For example, if an officer is working the four/four schedule, he/she shall remain on said schedule while assigned to such task forces.

L. In addition, the Director of Police shall have the authority to change the Detective, Juvenile, Traffic safety, and Narcotics Bureaus' shifts to the four/four schedule. The Director may not implement such change, however, without providing the Association with

seventy-two (72) hours written notice prior to the intended implementation date.

M. All personnel not assigned to the four/four schedule shall be compensated as follows:

1. Thirteen (13) days of pay at eight (8) hours taken as the holidays fall, and
2. Nineteen (19) scheduled adjustment days given each year taken as comp days.

N. If an employee is previously granted a contractual day off and said employee is called to work an overtime call in assignments and, subsequently said employee accepts said overtime call in assignment, he/she shall be paid at the rate of one and one-half times the regular rate of pay for all time worked.

O. Employees of the same rank may switch shifts with other employees of the same rank with respect to division assignments. This may be done either day for day or a full tour for a full tour.

P. The Township shall issue the yearly work schedule by December 15th of each year.
