NARRATIVE

On the above date and time I, Ofc. Wilson, was dispatched to the railroad tracks on Applegarth Road for a disabled vehicle that was stuck on the tracks. While en route to the scene, dispatch advised that they notified Conrail of the obstruction on the tracks.

Upon arrival at the scene with Ofc. Menhart, we located the vehicle, bearing NJ Registration P10MEJ, on the railroad tracks perpendicular to the Northbound lane of Applegarth Road. We made contact with the driver, identified as Ms. Irma Castro. She advised us that she thought the railroad tracks were a road and turned onto them. I did not observe any damage on the vehicle, however, it was stuck on the tracks. Ofc. Menhart advised dispatch to send a tow service to remove the vehicle from the tracks.

A short while later, Boyce's Towing arrived on scene and removed the vehicle from the tracks. Once the vehicle was removed from the tracks Boyce's Towing brought it over to the Apple Plaza parking lot for Ms. Castro. I issued Ms. Castro the following summonses:

E20002814 - 39:4-88

E20002815 - 39:4-97

Ofc. Menhart and I cleared the scene and I resumed patrol.
