On 7-22-19, at 1842 hours, I, Officer Grohowski, responded to 3217 Route 88(Sundae's Ice Cream Shop) for a report of a tree that had fallen over on two vehicles. No one was in the vehicles and no one was injured. Upon arrival, I met with Ms. Soucek and Ms. Fields. Ms. Soucek's vehicle, NJ:EJP612, and Ms. Fields' vehicle, NJ:V41KHJ, were parked in the northwest corner of the parking lot. A tree from the Beaver Dam Creek Park fell on top of the vehicles, causing minor damage to both. The vehicles were able to be safely moved.

I provided Ms. Soucek and Ms. Fields with the case number. Dispatch contacted Ocean County Parks and advised them of the tree that had fallen onto the property of 3217 Route 88. I contacted the manager of Sundae's, Ms. Philbin. I advised her that the County Parks Department was contacted so they could arrange for the tree to be cleaned up.

145. Crash Description/Narrative

V1 was exiting the parking lot of The Dollar Tree. V1 drove over the curbed median located at the entrance/exit to the parking lot (along Route 88). The impact caused damage to the front driver side wheel (*Box 129, 130). There was no other reported damage to the vehicle.

The operator of V1, Mark Matteo, stated he was exiting the lot and failed to observe the curbed median. Mark said he ran over the curbed median, which caused damage to the driver side wheel.

Mark did mention he scraped the undercarriage of his vehicle, but was unsure if there was any damage. Mark said he will check in the morning and call me if there is any damage. (As of 1/16/21, I have not received a follow-up call from Mark.) Mark said he believes a sign should have been posted, advising of the curbed median. Mark went inside the Dollar Tree and advised the manager, Lisa McCreery, of the accident

I briefly spoke with Lisa McCreery and confirmed she was aware of the accident.

145. Crash Description/Narrative

I spoke with the operator of vehicle 02 (V2) who stated he was attempting to make a right turn into the KFC (3139). Before he could complete the turn, he stated he was side swiped by vehicle 01 (V1). He stated V1 came out of no where and did not observe it prior to the crash. He stated he believed he had his right turn signal activated prior to the crash

I spoke with the driver of V1 and she stated she was traveling west. She stated she observed V2 and observed it to have the left turn signal activated. She attempted to pass V2 on the shoulder when she stated V1 abruptly turned right, causing the crash. She showed me a video from after the crash of V2 having the left turn signal activated.

There were no witnesses prior to the crash to make statements that V2 had its left turn signal activated prior to the crash.
