145 Crash Description/Narrative

On 08/31/2020 at 1255 hours, Ptl. Cervenak and I were dispatched to 1001 State Highway 70 E for the report of a motor vehicle accident in the parking lot in front of Dollar Tree. Upon arrival, we observed the two vehicles parked in the parking spaces they were in before the accident occurred.

The driver of vehicle 1 stated that she was backing out of the parking spot turning to her left when she collided with vehicle 2. She stated that vehicle 2 was also backing out of a parking space and the driver of vehicle 1 did not see vehicle 2.

The driver of vehicle 2 stated that she was backing out of the parking spot turning to her right when she noticed vehicle 1 coming toward her. She honked her horn, but the driver of vehicle 1 stated that she did not hear the horn.

In conclusion, both vehicles were backing unsafely out of their respective spots and collided into one another.

145 Crash Description/Narrative

The crash involved two motor vehicle which occurred on an access road inside the parking lot of 1001 SH 70, Manchester Plaza. The reported time of the crash was 1516 hours on 09/18/2020.

The operator of V1 stated the following. V1 stopped at the stop sign at the intersection of the access roadways. The operator of V1 looked to the left and did not observe any vehicles. The operator of V1 then looked to the right and observed an unidentified vehicle in the distance entering Manchester Plaza parking lot. The operator believed that she had enough time to safely proceed through the intersection. V1 then began to travel forward. At that time, V1's front driver side corner collided into V2's front passenger side corner. No injuries were reported from V1 as a result of this collision. V1 was towed by Priced Rite Towing.

The operator of V2 stated the following. V2 was traveling on an access road in the Manchester Plaza parking lot and was traveling towards SH 70 to exit the parking lot. V2 did not have a stop sign at the intersection of the access roadways and entered the intersection without stopping. The operator of V2 observed V1 just a moment prior to the collision and attempted to avoid the collision by activating his brakes and swerving to the left. At that point, V1 collided into V2. V2 did not have any injuries to report as a result of this collision. V2 was towed by Priced Rite Towing.

Based on all evidence and information at the time this report was completed, it is my determination that the burden of responsibility for the crash rest with the operator of V1. The operator of V1 was careless when she did not yield the right of way to V2 and entered the intersection when it was unsafe to do so.

End of investigation.

145 Crash Description/Narrative

On September 21st 2020 at approximately 1430 hours, I was dispatched to 1001 Rt. 70 (Shoprite) for a possible hit and run motor vehicle crash. Upon arrival I was met by the victim, Sandra Shawhan, who advised that an unknown vehicle crashed into her vehicle and broke the driver side view mirror. Shawhan advised that she was inside the store for approximately 40 minutes and when she returned to her vehicle she noticed the side view mirror was placed on her windshield. Prior to my arrival, Shawhan spoke with the Shoprite manager who informed her that the outside video surveillance would not show the crash. Shawhan stated that when she walked into the store a white sedan was parked next to her, unknown make or model. On the front of the side view mirror of Vehicle #1, I noticed a white paint mark. I was unable to determine if the suspect vehicle was backing out or pulling in at the time of the crash.

145 Crash Description/Narrative

The reporting party in this incident reported that his vehicle (Vehicle #2) was parked inside the parking spot at the Shop Rite Parking Lot. Upon returning to his vehicle, he observed scratches on the passenger side of his vehicle as well as the side view mirror being pushed into a closed position. Upon arriving on scene, I observed a silver Chrysler Sebring parked to the passenger side of the Vehicle #2 and displayed small scratches on the front bumper (driver's side). After speaking with the reporting party, he was certain that this vehicle was parked upon his arrival and during the time he noticed the damage and stated that it was not the suspect vehicle. After reviewing video footage, although unclear, it appears that the Chrysler had arrived after Vehicle #2 and had difficulty parking as it was observed attempting to park several times. After observing this video, I returned to the area of where the vehicles were parked and the Chrysler was no longer on scene.

145 Crash Description/Narrative

On November 9th 2020 at approximately 1435 hours, I was dispatched to Manchester Police Headquarters for a report of a hit and run motor vehicle crash that occurred at Shoprite (1001 Route 70, Manchester). I was met by the operator of the vehicle, Valerie Marchinetti, who stated that her vehicle was hit by another vehicle while she was inside the Shoprite. Marchinetti stated the incident occurred between 1315 and 1345 hours. Marchinetti's vehicle was parked near Isle 8 towards the rear of the parking lot. I observed the damage on the driver side of the vehicle as well as a yellow paint transfer (see photos). Marchinetti stated she did not observe a yellow colored vehicle when she parked and when she left the Shoprite. Marchinetti spoke with the Shoprite manager who informed her that camera footage would not have captured the incident.

145 Crash Description/Narrative

Weather was clear, roadways were dry.

A two motor vehicle crash was investigated at the Manchester Plaza. The driver of Veh#1 stated that he was turning left after stopping, and saw veh#2 turning right too quick and they hit each other.

The driver of Veh#2 stated that he was turning right and observed veh#1 to be too far in the middle of the road and was sticking out past the stop sign as it was turning left. The driver of veh#2 also stated that veh#1 should have been over more to the right while turning left and that is why his car was struck.

It was determined that veh#1 was turning left, while veh#2 was turning right. It was determined that both vehicles were turning when the impact occurred. I observed damage on veh#1 on the driver side door and rear including the running boards. Veh#2 had driver side bumper to have damage. Bothe vehicles were driven from the scene.

145 Crash Description/Narrative

The crash involved two motor vehicle which occurred near shopping cart corral #5 located in front of ShopRite in the parking lot of 1001 SH 70, Manchester Plaza. The reported time of the crash was 1453 hours on 01/19/2021.

The operator of V1 stated the following. V1 was parked in a parking space with the front of the vehicle facing the parking lot aisle. The operator of V1 observed a vehicle waiting for the parking space that V1 was in and stated that she felt "rushed." V1 then pulled forward out of the parking space making a left turn. At that time, the front passenger side of V1 impacted the rear driver side of V2. The operator of V1 was unclear on the exact events that transpired and was unsure of exactly where V2 was just prior to the collision.

The operator of V2 stated the following. V2 had backed out of a parking space into the parking lot aisle, with majority of the vehicle in the aisle. V2 needed to stop due to traffic occurring in the parking lot aisle. At that time, V1 impacted the rear of V2.

There were no injuries reported as a result of this collision. Based on all evidence and information at the time this report was completed, it is my determination that the burden of responsibility for the crash rest with the operator of V1. The operator of V1 was careless when she pulled out of her parking space when it was unsafe to do so.

End of investigation.

145 Crash Description/Narrative

Both Veh1 and Veh2 were located in the parking lot of 1001 State Highway 70 in front of the ShopRite. Veh2 was parked and unoccupied at the time of the crash. Owner2 returned from the store and found a note on her vehicle with a name and phone number advising her that they hit their vehicle. I observed damage to the rear driver side of Veh2. I was able to make contact with Driver1 and had her respond to police headquarters. At police headquarters I spoke with Driver1 who stated she was attempting to park when her foot slipped off the brake pedal. When Driver1's foot slipped off the brake, the driver side of her vehicle made contact with the rear driver side bumper of Veh2. Veh1 continued forward causing damage to the whole driver side of the vehicle. No injuries were reported and both vehicles were drivable.

Shoprite
1001 Route 70

145 Crash Description/Narrative

On the above date and time, I was dispatched to 1001 Route 70 (Shoprite) for a motor vehicle accident in the parking lot near Isle 9. After speaking with both drivers, they both informed me that they were attempting to back out of their parking spot and crashed into the rear end of each vehicle. Both drivers also advised that they were approximately halfway out of their spot when the impact occurred. Both drivers also admitted that they didn't see each other when they were reversing. I was able to determine that the crash occurred in the middle of the lane of travel.

Officer Conclusion: It was determined that both drivers were at fault for the crash for Backing Unsafely. Both vehicles sustained minor damage and the drivers did not report any injuries.

145 Crash Description/Narrative

The crash occurred in the Shoprite parking lot (1001 State Highway 70) when V1 backed into V2. Prior to the crash, D2 stated that she had backed out of a parking space and was about to drive forward, when she observed V1 back up towards her vehicle. D2 stated that she then began to utilize her vehicle's horn, but added that D1 did not hear her and backed into the driver side area of her vehicle. D1 stated that he was backing out of a parking spot and did not see V2 behind him. Based on operator statements and evidence at the scene, to include vehicle damage, I concluded that D1 was at fault with backing unsafely as the contributing factor. No injuries reported on scene.

Motor Vehicle Crash DescriptionPolice Dept: **MANCHESTER POLICE I** Code: **01**Station: **PATROL** Case No: **M21-04438**

145 Crash Description

On 02/26/21 at approximately 1918 hours, Ptl. Jo. Meaney and I were dispatched to 1001 Route 70 E (ShopRite Parking Lot) for a motor vehicle accident involving a struck pedestrian. Upon arrival, Manchester First Aid (MFA) was already on scene assessing the pedestrian, Mrs. Tedeschi, in the back of the ambulance. The driver of V1 was on scene with his passenger and a witness, later identified as Richard Blosschok. Sgt. Gatnarek arrived on scene at this time.

After determining the driver of V1 was on scene, I responded to the ambulance to speak with MFA. MFA stated the injuries sustained were not life threatening and only minor in nature. At this time, I began speaking with the driver of V1. According to the driver of V1, he had just finished loading his groceries in his vehicle and he gave his empty shopping cart to Mrs. Tedeschi. A few moments later, he stated he backed up slowly from his parking space (handicap space) and began driving away. The driver of V1 stated someone (witness/Mr. Blosschok) began knocking on his window as he slowly began to drive away and advised him that he just struck a woman with his vehicle. The driver of V1 stated he immediately returned to his original parking space and parked his vehicle. The driver of V1 further stated he observed Mrs. Tedeschi having a difficult time walking prior to the crash which is why he gave her the shopping cart. Lastly, the driver of V1 stated he did not observe Mrs. Tedeschi in any of his mirrors or backup camera prior to backing up.

Mr. Blosschok stated he witnessed V1 strike Mrs. Tedeschi with the rear of the vehicle as she was walking toward the store (ShopRite). He observed V1 begin to drive away at a low rate of speed so he ran after the vehicle and advised him of the crash. Mr. Blosschok completed an accident statement form while on scene (see attached document).

After speaking with the driver of V1 and Mr. Blosschok, I responded back to the ambulance and spoke with Mrs. Tedeschi. Mrs. Tedeschi confirmed she was struck by the vehicle and had complaint of pain in her right elbow, right knee, and the back of her head (negative loss of consciousness). Mrs. Tedeschi was transported to Community Medical Center (CMC) by MFA. Sgt. Gatnarek contacted Ptl. O'Hara from the scene and advised him of the incident and it was determined that Traffic Safety would not be responding due to the minor/non-life threatening injuries.

I did not observe any visible damage to V1 while on scene (see attached photographs). The manager (Tim) of Shoprite was on scene and stated the exterior surveillance system covered the portion of the parking lot the crash took place. I provided the manager with my contact information and he stated he would have the surveillance footage reviewed by an employee and sent to me via email.

None of the occupants of V1 were injured as a result of the crash and the driver of V1 was able to operate his motor vehicle from the scene. Upon completion of this report, I have yet to ascertain the surveillance footage from Shoprite. If I do receive the footage this report will be updated to reflect what is observed on the footage. End of investigation.

145 Crash Description/Narrative

This narrative has been updated to after review of the surveillance footage that I obtained.

On 03/18/21, I received the surveillance footage which captured the motor vehicle crash involving the pedestrian, Maria Tedeschi. The surveillance footage shows V1 slowly back up out of there parking space and strike Mrs. Tedeschi at a low rate of speed. Prior to the crash, Mrs. Tedeschi walked back toward the vehicle and it appeared that she was looking for something that she dropped on the ground. Mrs. Tedeschi was standing up right at the time she was struck by V1 and was not bending or laying down. The footage also shows the witness (Richard Bloschock) involvement after the crash and accurately portrays his statement given on scene. The surveillance footage was logged into evidence. No further action taken at this time.
