145. Crash Description/Narrative

My investigation revealed the following:

Vehicle 1 was on Jackson Ave. parked directly behind vehicle 2 stopped for a red light, in the left lane, at the intersection with Cedar Bridge Ave. Vehicle 2 was stopped as the first vehicle in line waiting for the light to turn green. Prior to the light turning green vehicle 1 accelerated into the rear of vehicle 2.

Driver 1 stated she was stopped directly behind vehicle 2 waiting for the light to turn green. Driver 1 stated she does not know what happened but believes she observed vehicle 2 inch forward. When vehicle 2 began forward, driver 1 believed the light had turned green and accelerated into the rear of vehicle 2.

Driver 2 stated she was stopped as the first vehicle in line waiting for the light to turn green. Without warning she was struck in the rear by vehicle 1. Driver 2 stated she had not moved prior to being struck.

Based upon the above listed circumstances I find vehicle 1 to be at fault for the crash.
