145. Crash Description/Narrative

Vehicle #1 was pulling into a parking space in the Taylor Sam's parking lot. While pulling into the space the vehicle went over the concrete parking stop at the end of the space, continued into a support pole for the building, as well as, an outdoor chair.

While speaking to the driver, he stated he placed his foot on both the gas and brake pedals, causing the vehicle to continue into the pole and chair.

The Brick Twp. Building Inspector's Office was notified of the damage to the support column to the building and would be responding to the scene. My on scene investigation along with the driver's statements, revealed that Vehicle #1 is at fault for the crash.
