Dear Q:

In response to your request for Government Records under OPRA and Common Law, specifically requesting, "All detailed police reports, arrest reports, call reports with Thomas Brunetto or Tom Brunetto listed as a person involved and "Call record showing number of incidents and type of incidents police ever handled with Thomas Brunetto or Tom Brunetto involved"; I must deny your request. Police reports and Incident Reports are criminal investigatory records pursuant to N. J. S. A. 47:1A-1.1, and are exempt from disclosure. Furthermore, N. J. S. A. 2C:25-33 states that: All records maintained pursuant to this act shall be confidential and shall not be made available to any individual or institution except as otherwise provided by law; therefore, all other requested documents are exempt from disclosure under this statute.

When requesting information under "Common Law", the requestor has a legally recognized interest in the subject matter and that the material must be disclosed if the individual's right of access outweighs the state's interest in preventing disclosure. Since you have not stated your interest in the subject matter contained in the requested material your Common Law request is also hereby denied.

If you have any questions, I can be contacted via email at cfelix@brigantinebeachnj.com or by telephone at 609/266-7600 ext. 283.

Sincerely,

Colleen Felix
Records Administrator
