145 Crash Description/Narrative

Driver V1 stated she was attempting to pull out of her parking spot on the east side (just south of the main entrance), pulling forward, using the accelerator pedal. Driver V1 stated that while doing this, her foot become stuck on the accelerator pedal and behind the brake pedal. Due to this, her vehicle continued forward, striking the curbing, causing her vehicle to become air born, before colliding with the building. The vehicle sustained moderate damage to its front end as a result of the crash.

The building, St Justin's Church, suffered considerable damage to the structure as a result of the crash. The Toms River Township Building Department responded to assess the structure and determined it to be "Unsafe to Occupy". A Notice was affixed to the front door and the proper representatives of St Justin's responded and will be in the process of making repairs.

No injuries reported.

Nothing further.
