Motor Vehicle Crash DescriptionPolice Dept: TOMS RIVER POLICE DE Code: 01
Station: DISTRICT ONE Case No: 22-41319

145 Crash Description

Driver 2 responded to District One to report the following: At approximately 1400 hours he was in the parking lot of Tri City Plaza and stopped at a four way stop. Driver 2 stated as he proceeded to make a left turn towards the exit, Vehicle 1 failed to stop at the stop sign and struck his vehicle. Driver 2 then stated Vehicle 1 continued to leave the parking lot. Driver 2 then followed Vehicle 1 to the entrance of Lakeridge on Fairways Blvd in Lakewood Twp. when he was turned around by a security guard. Driver 2 was unable to obtain a vehicle registration but described the vehicle as a gray Cadillac operated by an older white female. Vehicle 2 sustained damage to the passenger side. Driver 2 denied any injury at this time.

On 8/15/22 at 0900 hours, I responded to the Lakeridge Community Association and spoke with property manger Jackie Ascione who provided me with contact information for their security company. At 0930 hours I requested USA Security to review video surveillance in an attempt to obtain Vehicle 1's registration. On 8/16/22 at 1222 hours, I spoke with Pete Roosma from USA Security who stated on 8/14/22 at 1407 hours, Vehicle 2 is observed at the front gate of the complex and was behind a grey Cadillac operated by an older female. Roosma further stated that he was able to partially obtain this vehicles license plate of M55. Roosma then stated that he was able to observe this vehicle's access card information and revealed that the vehicle belonged to "Bob & Joe Palumbo" with the address listed in Box #36.

I then responded to this address at 1400 hours and spoke with Driver 1. who stated she was at the Stop & Shop parking lot and was in the access lane in front of the Dollar Tree when Vehicle 2 passed her on the left side in the opposite lane of travel and began to make a right turn cutting her off. Upon inspection of Vehicle 1 fresh damage was located on the front driver side fender/quarter panel which is consistent with the damage sustained to Vehicle 2. Driver 1 was adamant that damage was old. When asked why she did not stop, Driver 1 stated she believes that her vehicle never made contact with Vehicle 2. Driver 1 denied any injury at this time.

Due to the conflicting accounts as to what occurred and the lack of witnesses and video surveillance, I am unable to determine fault at this time.

145 Crash Description/Narrative

Vehicle 1 was stopped at a stop sign facing west on Riverwood Drive at the intersection with Whitesville Road. Vehicle 2 was traveling north on Whitesville Road. Vehicle 1 entered the roadway on Whitesville Road and collided with Vehicle 2.

Driver 1 stated that she was stopped at the stop sign and yielding to both directions as she slowly moved forward closer in to the intersection to get a better view point. Driver 1 then thought it was safe to proceed, and when she did, she collided with Vehicle 2.

Driver 2 stated that there was a vehicle traveling in front of him north on Whitesville Road. Driver 2 stated that this vehicle turned right to drive east on Riverwood Drive. Driver 2 believes that the vehicle in front of him on Whitesville Road obstructed the view of Driver 1 while she was yielding.

There were no injuries as a result of this crash. There is no further information.

145 Crash Description/Narrative

Driver of vehicle #1 was on duty operating a marked Toms River Police patrol vehicle. Driver of vehicle #1 was responding to an active emergency with emergency lights and siren activated while traveling south on Fischer Blvd, approaching the intersection of Route 37. Vehicle # 1 proceeded with caution into the intersection as traffic in the right and center lanes yielded to the emergency vehicle. As vehicle #1 attempted to proceed through the intersection and turn left (East) onto Route 37, vehicle #2 impacted the drivers side of vehicle #1.

Driver of vehicle #2 stated he was traveling in the left lane heading west on Route 37 and had a green light. He stated he did not see the emergency vehicle enter the intersection. Driver of vehicle #2 stated he believed he was traveling just below the speed limit. Driver of vehicle #2 indicated that he had consumed alcohol earlier in the day and as a result was subjected to field sobriety testing. The SFST's did not yield sufficient cues to conclude driver of vehicle #2 was impaired.

Damage was observed to the drivers side of vehicle #1 and the front end of vehicle #2. Ptl. Oliver responded to photograph the scene. Driver of vehicle #1 detailed complaints of pain from striking the drivers side window with his head as well as left knee pain from the drivers side impact.

Driver of vehicle #2 sustained minor lacerations and bruising to his hand and shin. Driver of vehicle #2 refused medical attention. Both vehicles sustained extensive damage and were towed disabled by Freedom Towing.
