**Incident Report**

On Sunday, January 14, 2024 at approximately 14:49 hours, I, Officer Daniel Snyder was dispatched to 26 Westervelt Place on the report of a tree down and wires across the road.

Upon my arrival I was greeted by the homeowner, identified as Mr. Nicholas Corbiscello, who informed me that a big gust of wind took down a large tree branch and damaged the wires going into his house from pole #60647. The branch that fell caused damage to his garage, the gutters in the front of his house, and his vehicle, 2019 Honda CRV bearing New Jersey Registration (A88JWC) that was parked in the driveway. Mr. Corbiscello also informed me that his house still had power even though the service line was detached from the house

I informed Westwood Police Dispatch to contact PSE&G Electric to have them respond out to the scene and remove the live wires from the roadway.

The cost of the tree removal and damage to the home were unknown at the time.
