NARRATIVE

On Monday, 09/13/2021 at 1142 hours, I Ptl. Kirsh responded to the area of [REDACTED] for the report of a home made flag with offensive material on it, attached to the chain link fence next to the US Hwy 1 N ramp.

Upon arrival, I observed a black "Fuck Biden" flag attached to a chain link fence (located on state property) with several zip ties. I observed [REDACTED] to have several other flags that were political in nature favoring President Donald Trump. I knocked on the front door several times in an attempt to make contact with a possible owner but was unsuccessful. I had dispatch look up any possible phone numbers for this residence. they discovered one and called it, but it went straight to voicemail. Since the flag was on state property, and I could not find the rightful owner, I used my knife to remove the zip ties from the fence and collected the flag. This officer left a note in the mailbox of [REDACTED] advising them that I took the flag. I then responded to HQ to place it into evidence.

Sgt. Kenney advised.

BWC utilized.

Evidence Sheet completed.

No further action taken. Any additional information or action taken shall be noted in a supplemental report.

Officer's notes

This officer observed a vehicle in the driveway bearing [REDACTED] ran the plate and it came back to Lazlo Varga from that address. I was unable to find any contact number for him. Varga shall be considered a possible owner of this flag.
