**Continuation Page**

Case # 2016-142

During the week of January 3, 2016, Sgt. Komsa, Ptl. Manco and I documented a confidential informant for the Manchester Township Police who is referred to as MCI16-001. The reliability of MCI16-001 for this investigation will be set forth herein. MCI16-001 stated that he/she had knowledge of a male subject known to him/her as "Prada" who is selling quantities of heroin in the Manchester area. MCI16-01 described "Prada" as an African-American male, in his early 30's, approximately 5'10" feet tall with a medium build. MCI16-01 further described "Prada" as having long, black dread-style hair down to the center of his back. MCI16-01 also reported that "Prada" resides at 816 Twelfth Avenue in the Pine Lake Park section of Manchester Township. MCI16-01 knew "Prada's" cell phone number to be [REDACTED] MCI16-001 stated that he/she has purchased heroin from "Prada" on several occasions in the Manchester area.

A Manchester Twp. Police Computer Aided Dispatch (CAD) lookup of 816 Twelfth Avenue revealed history of a male matching MCI16-01's description of "Prada" as Ahmid Fisher with a DOB of [REDACTED]. A DMV lookup also confirmed that Ahmid Fisher had a listed address of 816 Twelfth Avenue, Toms River, NJ (Pine Lake Park section of Manchester Twp.). MCI16-01 was then shown a DMV photo of Ahmid Fisher, which had no name nor identifiers visible. MCI16-01 positively identified Fisher as the individual whom he/she knew to be "Prada" and the person who he/she has purchased heroin from on previous occasions.

On January 19, 2016, MCI16-001 contacted me and advised me that "Prada" would be traveling to the Newark, NJ area to purchase a quantity of heroin within the next several hours. According to the CI, "Prada" would be bringing the heroin from the Newark area back to Manchester for resale. At approximately 1700 hours on January 19, 2016, the Manchester Township Police Narcotics Enforcement Team initiated surveillance on Mr. Fisher to corroborate the CI's information pertaining to Mr. Fisher's trip to the Newark area.

Surveillance was initiated on Mr. Fisher at the Exxon Gas Station located at the intersection of Route 37 and Commonwealth Boulevard. At that time, Sgt. Komsa observed Mr. Fisher enter the passenger side of a dark colored Chevrolet Camaro which was parked in the Exxon lot. Sgt. Komsa identified the license plate affixed to the rear of the Camaro as NJ: F73-FHW. The Camaro came back registered to a female from Martin Road in Toms River. Sgt. Komsa also advised that the windows on the driver and passenger side doors were darkly tinted so he was unable to see inside of the car. Sgt. Komsa maintained surveillance of the Chevrolet Camaro that Mr. Fisher was seen getting into.

Sgt. Komsa then advised me that the Chevrolet Camaro bearing NJ registration F73-FHW was traveling east on CR 571 toward Toms River. At that time, I was able to join surveillance with Sgt. Komsa where we followed the vehicle directly to the area of 1963 New Street in Toms River, NJ. At that location, an unknown rear passenger exited the Chevrolet from the driver side rear but it was not Mr. Fisher. The Camaro was then surveilled from New Street directly into the Evergreen Woods Park Apartments off of Newton's Corner Road (Howell, NJ). Once inside the development, the Camaro traveled to the area of Rena Court where it quickly dropped off another unknown passenger who was not Mr. Fisher. The Camaro exited the development and proceeded to enter the Garden State Parkway Northbound off of Burnt Tavern Road (Brick, NJ). At this time, additional surveillance units were requested to assist us.

The aforementioned Camaro continued northbound on the Garden State Parkway and got off of the highway at exit 143 for Irvington, NJ. The Camaro exited and proceeded to circle the area of Clinton Avenue and Springfield Avenue in Irvington, NJ for approximately ten minutes. It should be noted that surveillance units did not see the vehicle stop nor any subjects exit or enter the Camaro. The vehicle then proceeded to reenter the Garden State Parkway Northbound off of

Eastern Parkway. The Camaro continued north until it exited at Exit 145 and onto Interstate 280 east. The vehicle then proceeded to travel into Newark, NJ in the area of Oriental Street and Broadway Street. At this location, the vehicle parked and Mr. Fisher was observed by surveillance units exiting the passenger side of the Chevrolet as the driver remained in the parked vehicle. Mr. Fisher was then observed walking away from the vehicle; out of the sight of our surveillance units. Mr. Fisher then returned to the vehicle approximately ten minutes later and reentered the passenger side of the Camaro. The Camaro then circled the block prior to leaving the area. The vehicle was continuously surveilled as it travelled to the NJ Turnpike Southbound and then onto the Garden State Parkway Southbound. The Camaro then exited the Garden State Parkway at Exit 82 onto State Highway 37 westbound. As the vehicle continued to travel SH 37 west, I advised Patrolman Manco that the vehicle's front driver and passenger side windows had unapproved window glazing (tint), in violation of title 39:3-75. At that time, the vehicle then proceeded to make a right turn onto Northampton Boulevard. In the area of Eighth Avenue, Ptl. Manco activated his patrol vehicle's emergency lights and siren to initiate a motor vehicle stop. The Camaro continued for another two blocks before coming to a stop at the intersection of Northampton Boulevard and Tenth Avenue; this is where the motor vehicle stop was conducted. Based upon my training and experience, I am aware that the extra time it took the Camaro to come to a stop would allow sufficient time for the occupants to conceal contraband and/or generate an alibi.

Ptl. Manco approached the passenger side of the vehicle while I approached the driver side. I then advised the driver that I was a Patrolman with the Manchester Township Police Narcotics Enforcement Team. I requested the driver to provide his driver's license, proof of registration and insurance cards. The driver, Mr. Peter J. Degrazio DOB [REDACTED] was only able to produce his driver's license and stated that he was not in possession of the other documents. I then requested Mr. Degrazio to exit the vehicle to the rear to speak with me privately.

As Ptl. Manco observed the male passenger (Mr. Ahmid Fisher), he immediately observed that the passenger's seatbelt was not fastened. Ptl. Manco also observed there to be a torn piece of newspaper and/or printed paper with clear adhesive tape stuck to the passenger's metal belt buckle. Through Ptl. Manco's training and experience, he immediately knew the printed paper, which the passenger appeared to be concealing in his pants, was consisted with the packaging of fifty wax paper folds of heroin, commonly referred to as a "brick" of heroin. At that point, Ptl. Manco advised the passenger, Mr. Fisher, to exit the vehicle. When Mr. Fisher exited the vehicle, K-9 Patrolman Micciulla was on scene with his K-9 Storm and conducted an exterior search of the vehicle with negative results.

Ptl. Manco then asked Mr. Fisher where they were coming from this evening. Mr. Fisher advised Ptl. Manco that they had just left the McDonald's Restaurant on SH 37 in Toms River, NJ. Sgt. Komsa was on scene and was aware of the aforementioned drug paraphernalia which Mr. Fisher attempted to conceal in his belt buckle area. Sgt. Komsa additionally overheard Mr. Fisher's conflicting account of his prior location. Sgt. Komsa then advised Ptl. Manco about the inconsistent account and believed it to be due to Mr. Fisher concealing additional quantities of contraband on his person. Ptl. Manco then advised Mr. Fisher that he was under arrest for possession of drug paraphernalia. Ptl. Manco subsequently handcuffed Mr. Fisher to the rear utilizing the double-lock mechanism. Ptl. Manco then advised Mr. Fisher of his Miranda Rights. Mr. Fisher stated that he fully understood his rights and voluntarily agreed to speak with us further about the investigation. Ptl. Manco then conducted a search of Mr. Fisher's person incident to arrest. While Ptl. Manco searched the area near Mr. Fisher's belt buckle and front zipper section, he immediately felt a small, solid, rectangle shaped object concealed in Mr. Fisher's pants. Ptl. Manco believed the rectangle shaped object to be a "brick" of heroin. Ptl. Manco asked Mr. Fisher what the object was and he responded that it was his "balls". Ptl. Manco advised Mr. Fisher that the object was rectangle in shape, but Mr. Fisher had no response. Ptl. Manco then placed Mr. Fisher in the rear of his patrol vehicle #70.

**Continuation Page**

While the aforementioned incident with Mr. Fisher was occurring, I was at the rear of Ptl. Manco's patrol vehicle speaking with Mr. Degrazio. In speaking with Mr. Degrazio, he immediately advised me that he was asked by Mr. Fisher, who he knew to be "Prada", to be picked up in Newark, NJ. Mr. Degrazio stated that he was attempting to make friends with "Prada" due to the fact that he was aware that "Prada" was associated with the distribution of heroin. At that time, I advised Mr. Degrazio of his Miranda Rights. Mr. Degrazio stated that he fully understood his rights and voluntarily agreed to speak with us about the investigation. It should be noted that Mr. Degrazio was read his Miranda Rights and agreed to speak with us about the investigation. I then advised Mr. Degrazio that I was aware that Mr. Fisher ("Prada") was in his vehicle beginning at the Exxon Gas Station in Manchester at approximately 1700hrs. At that point, Mr. Degrazio stated that he was asked by "Prada" to be driven "up top". Mr. Degrazio advised me that he was fully aware that "Prada" needed to be driven "up top" to purchase a quantity of heroin for resale. Based upon my training and experience, I am aware that "up top" is a common term used by CDS distributors referring to the Northern New Jersey source cities. Mr. Degrazio believed that "Prada" might have purchased up to seventeen (17) "bricks" of heroin this evening and was certain that there was currently a quantity of heroin in "Prada's" possession. Mr. Degrazio advised me that while they were in Newark, he observed an unknown black male approach the passenger side of the vehicle and throw an object into "Prada's" lap which he believed to be a quantity of heroin. Mr. Degrazio also stated that a week prior he had driven "Prada" "up top" to drop off an amount of U.S. Currency for a previously purchased quantity of heroin.

While Mr. Degrazio was speaking with me, I observed in plain view there to be a small clear plastic bag halfway concealed into the front of his pants above his zippered jeans. The bag appeared to have a whitish film on the inside of it which I believed to be remanence of powdered cocaine. I asked Mr. Degrazio about the small clear plastic bag and he advised me that it was from a female who was inside of his vehicle earlier in the day. I asked why the bag was slightly concealed into his waist line as it appeared that he attempted to shove the bag down his pants. Mr. Degrazio advised me that the bag previously contained cocaine and the female had disposed of the bag inside of his vehicle. Mr. Degrazio stated that he attempted to conceal the bag inside of his pants to avoid detection by police. I then seized the bag in question which contained trace amounts of white powdered residue believed to be powdered cocaine. Afterward, I asked Mr. Degrazio if there were any additional items of contraband on his person. At that time, Mr. Degrazio advised me that he had a hypodermic needle in his possession, specifically in the left jacket pocket of his hoodie. Mr. Degrazio advised me that the hypodermic needle belonged to him. I requested Mr. Degrazio to slowly remove the hypodermic needle from his pocket, which he complied and turned over to me. I then advised Mr. Degrazio of my belief that there were additional quantities of contraband inside of his vehicle and that I would like his consent to search his vehicle. Mr. Degrazio verbally agreed to the consent search of his vehicle.

At that point, I retrieved a Manchester Township Police Miranda Warning Form as well as a Manchester Township Police Consent to search Form. Both Forms were read to Mr. Degrazio in their entirety while in the presence of the Mobile Icop recording system. Once again, Mr. Degrazio stated that he understood his Miranda Rights and wished to speak with us about the investigation. Mr. Degrazio stated that he fully understood the consent form and voluntarily signed it granting consent to search his vehicle, see attached. Mr. Degrazio remained at the rear of his vehicle with Sgt. Komsa in a location where he could observe the search and withdrawal his consent.

During the search of the vehicle, I located a clear glass smoking pipe with burnt residue at one end and "chore boy" copper wire at the other end, commonly referred to as a "crack pipe" in the rear passenger seat. Additionally located in the rear passenger seat area was an empty wax paper fold consistent with the packaging of heroin. Also located in the vehicle

**1 Colonial Drive, Manchester NJ 08759**  
**Continuation Page**

were two hypodermic needle caps on the front driver side floor mat. There were no other items of contraband located within the vehicle.

I then advised Mr. Degrazio about the search and the drug paraphernalia located within. I advised Mr. Degrazio that he was under arrest for the possession of drug paraphernalia found on his person as well as in his vehicle. I subsequently handcuffed Mr. Degrazio to the rear utilizing the double-lock mechanism and searched him incident to arrest with negative findings. Mr. Degrazio was placed in the rear of Ptl. Gatnarek's patrol vehicle and transported to headquarters without incident. Mr. Degrazio's vehicle was parked and secured on Tenth Avenue pending further investigation.

At headquarters, both subjects were escorted from their respective patrol vehicles and into the booking area for processing. While conducting an inventory of Mr. Degrazio's wallet, additional drug paraphernalia was located to include a metal spoon with whitish residue, eight empty wax paper folds and small rubber bands consistent in size and style for packaging a bundle of heroin.

Due to the fact that Mr. Fisher had attempted to conceal packaging material consistent with heroin possession as well as the unknown rectangular object in his pants, it could not be determined if Mr. Fisher had additional quantities of CDS/contraband concealed on his person. Based on my training and experience, I am aware that male narcotics users/dealers commonly conceal quantities of CDS in their underwear to avoid detection by police. Based on the circumstances of this incident detailed in this report as it pertains to Mr. Fisher, I felt that I had sufficient probable cause to seek approval for a strip search of his person. Sgt. Komsa approved the strip search of Mr. Fisher. Prior to conducting the strip search of Mr. Fisher, he reached into the front of his pants and voluntarily surrendered a quantity of heroin to Ptl. Manco in the booking room. It should be noted that the printed paper wrapping used to contain the bundles of heroin appeared to be consistent with the printed paper that Ptl. Manco had observed on Mr. Fisher's pants at the scene of the stop. In total, ninety (90) wax paper folds, each containing a white powdered residue believed to be heroin, were surrendered by Mr. Fisher. All of the folds of heroin were stamped "Star Trek" in red ink.

After Mr. Fisher had surrendered a quantity of heroin to Ptl. Manco, Mr. Fisher was escorted to the privacy of the men's bathroom by Sgt. Komsa and Ptl. Manco where a strip search of his person was conducted. The strip search yielded negative results for any further contraband. It is my belief that the quantity of heroin located on Mr. Fisher's person is not for personal use and would have been sold for profit if it were not seized by police. More specifically, Mr. Fisher was not exhibiting any signs of heroin use as his pupils appeared to be within the normal ranges given the lighting conditions. Additionally, I did not observe any injection sites on Mr. Fisher and no paraphernalia associated with heroin use was recovered from Mr. Fisher.

Due to the fact that Mr. Degrazio had concealed drug paraphernalia on his person at the scene of the motor vehicle stop, it could not be determined if Mr. Degrazio had additional quantities of contraband/CDS concealed on his person. Based on my training and experience, I am aware that male narcotics users/dealers commonly conceal quantities of CDS in their underwear to avoid detection by police. Based on the circumstances of this incident as it pertains to Mr. Degrazio, I felt that I had sufficient probable cause to seek approval for a strip search of his person. Sgt. Komsa approved strip search of Mr. Degrazio. A short time later, Sgt. Komsa and I began the strip search of Mr. Degrazio. Prior to Mr. Degrazio removing any clothing, he advised us that there was a quantity of heroin located within his sock. Mr. Degrazio then removed eight (8) wax paper folds stamped "Star Trek" in red each containing a whitish powdery substance indicative of heroin. The strip search was completed and no other contraband was located on Mr. Degrazio's person. It should be noted

that the search was conducted in the privacy of the men's bathroom by Sgt. Komsa and I only. Mr. Degrazio was then escorted to the booking area where processing was completed.

Due to the fact that the Chevrolet Camaro Mr. Degrazio operated was used in the commission of a crime to facilitate the transportation and distribution of heroin, it was towed from the motor vehicle stop location to the Manchester Township Police Impound Yard pending a forfeiture application. A check of Mr. Degrazio in the NJ Office of the Courts Automated Traffic System revealed that he had been issued prior traffic summonses in the Chevrolet Camaro (see attached printouts). Those summonses were as follows:

- 1) January 3, 2016, for 39:3-66 issued by Toms River PD
- 2) January 7, 2016, for 39:3-75 issued by Toms River PD
- 3) January 17, 2016, for 39:3-75 issued by Irvington PD

I escorted Mr. Degrazio to interview room #1 located on the second floor of police headquarters. I presented Mr. Degrazio with the previously signed Manchester Township Police Miranda Warning Form. I confirmed with Mr. Degrazio that he was aware of his Miranda Rights and if he had previously signed stating the same, which he confirmed. Mr. Degrazio also signed the waiver portion indicating that he waived his rights and wished to speak with me about the incident. During the interview, Mr. Degrazio advised me that he was fully aware that he transported "Prada" to Newark, NJ this evening to purchase heroin for resale in the Manchester Township area. He stated that he was aware that "Prada" was a heroin distributor. He also added that he had previously driven "Prada" to the Newark, NJ area within the prior week to deliver an amount of money for a previous heroin purchase. Mr. Degrazio advised me that on this date, he was in possession of the quantity of heroin located within his sock because that was the payment offered by "Prada" for driving him to Newark to obtain the seized heroin. Mr. Degrazio advised me that while in Newark, NJ "Prada" exited his vehicle and told him to remain parked at that location. Within ten minutes "Prada" returned and told him to drive around the block. Once they returned to the previous spot, a black male approached the passenger side of the vehicle and threw an object on "Prada's" lap. At that time, "Prada" advised Mr. Degrazio to return home. Mr. Degrazio stated that during the ride home, "Prada" supplied him with the eight wax folds of heroin which he concealed inside of his sock. Mr. Degrazio stated that "Prada" placed the remaining quantity of heroin down the front of his pants prior to being stopped by police. Additionally, Mr. Degrazio advised me that he is the sole operator of the 2012 Chevrolet Camaro that he was operating on this date. Mr. Degrazio stated that he initially funded \$8,000 to purchase the vehicle then paid his parents approximately \$300 a month until the vehicle was paid off. Mr. Degrazio stated that the vehicle is only in his mother's name for the benefit of low insurance cost and that she does not know how to operate a manual transmission. To this date, Mr. Degrazio has advised me of three separate incidents where he was operating the 2012 Chevrolet Camaro and was arrested for CDS offenses. The interview was completed and Mr. Degrazio was escorted back to processing. The interview was audio and video recorded in its entirety and burned to a disk, which I entered into evidence. It should be noted that Mr. Fisher was also given an opportunity for an interview, but declined.

I completed a field test of the seized suspected heroin and it tested positive for heroin, see attached. I then generated criminal complaint Summons #2016-40 for Possession of Heroin and #2016-41 for Possession of Drug Paraphernalia and Possession of Hypodermic Needle with Mr. Degrazio as the defendant. Mr. Degrazio was provided his copies of the criminal complaints as well as motor vehicle summonses for Unapproved Window Glazing (Tint) and Possession of CDS in a motor vehicle. Mr. Degrazio was released without incident pending a court date.

I then generated criminal complaint Warrant #2016-42 for Possession of Heroin and Possession with Intent to Distribute Heroin and Summons #2016-43 for Hindering Apprehension and Summons #2016-44 for Possession of Drug

Paraphernalia. Sgt. Komsa then contacted Municipal Court Judge Sahin for Mr. Fisher's bail. Judge Sahin set bail at \$15,000/full for Mr. Fisher on Warrant 2016-42 for Possession of Heroin and Poss. with Intent to Distribute. Mr. Fisher defaulted on bail and was transported to Ocean County Jail. While in transport to jail, Mr. Fisher advised Ptl. Manco and I that he normally possesses more heroin and that he sells his "bricks" for \$240.

All evidence was processed and photographs were taken, see attached. The heroin will be sent to the lab for analysis.
