James Vecchione in a red Nissan Rogue reporting that he was threatened with violence by the on duty manager.

Narrative: 09/18/2020 0250 Ptl. Matthew Lawler

Customer Dispute: Sonic

Upon arrival I met with caller James Vecchione (w/m/51). James stated that he ordered \$11.97 worth of food from Sonic via an app on his phone. He said that he arrived to pick up the food around 9:30PM and noticed that the lights were off and the employees were closing the store. He made contact with an employee who identified himself as "Mike". James stated that his exchange with Mike was unpleasant and that Mike stepped towards him in an aggressive manner and used profanity towards him. James was unhappy with this exchange and wished to have it documented. He stated that he has contacted Sonic Corporate in the past for the same issue (food order not being fulfilled) and said he was going to do it again.
