| NARRATIVE         | 02/10/2026 09:11 | On 2/9/26 school staff made a report of issues associated with dropping off students around 8:30 AM from a bus which has been an ongoing issue. | SSIEK     |

On 2/10 I observed the students departure where the bus did not utilize their lights or the stop sign and allowed students to depart. Same were educated on motor vehicle law and warned of the safety concerns in not using the lights and stop sign.

SRO Bellis spoke with the Principal about my findings and the school will be developing a new plan for the departure of students.
