Burton and myself started life saving measures. Shortly after my arrival Robert Wood Johnson Paramedics and the Berkeley Township first aid squad arrived on scene and took over life saving measures. The victim was later identified as Anthony W. Magdon (DOB: [REDACTED] 1961). Inside the residence was the victim's brother, identified as John Magdon. Responding to the scene was Detective Riccardelli from this office, Doctor Giles from the Ocean County Medical Examiners office and Ocean County Sheriff's CSI Detective Capoano.

I observed 99 Rodhos Street to be a single story residence located on the south side of Rodhos Street, facing north. The interior of the residence was orderly, and consisted of two bedrooms and two bathrooms. Located on the north side of the residence was a foyer. South of the foyer was a living room. South of the living room was the kitchen and the hallway leading to the two bedrooms. The bedroom at the end of the hallway was the victim's bedroom.

The victim was located in the living room. It was reported by the victims's brother John he last saw his victim alive around 1600 hours. John reported that he went into his bedroom and came back out around 1700 hours to start dinner and to feed the dog. John reported that he observed Anthony sitting in his chair and had a lollipop in his mouth but appeared to be sleeping. John reported that he went to take the lollipop out of his Anthony's mouth and Anthony did not respond. John reported that he pulled his brother to the ground and gave one dose of NARCAN, called 911 and attempted CPR.

Det. Riccardelli arrived on scene and spoke to John (See Det. Riccardelli report for more details.) In the Anthonys shorts pocket, I observed a cell phone, a wallet and a pill container containing wax fold. The wax folds were stamped "Toxic" in green ink. The wax folds were collected by CSI (see Det. Capoano report for more details). Det. Riccardelli collected the cell phone.

Anthony was placed inside a white body containment bag at 1900 hours utilizing seal tag number 2440721. Anthony was removed from the scene by Kedz funeral home and transported to Community Medical Center pending an autopsy.
