Re: City of Absecon – Response to OPRA Request

Dear Mr. Milner:

The City of Absecon received your Open Public Records Act request and common law request sent on Sunday February 28, 2021 and received by the City Record Custodian on Monday March 1, 2021. The specific response to your request is as follows:

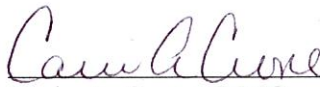

- 1. Please provide me with a list of the number of patrolmen on duty, in patrol cars, during a normal weekday, 10 hour shift.**

Response: The request is denied. The request is overly broad and fails to specifically describe the documents sought. OPRA provides for the disclosure of government records, not requests for information. MAG Entm't, LLC v. Div. of Alcoholic Beverage Control, 375 N.J. Super. 534 (App. Div. 2005). Accordingly, a proper request under OPRA must identify with reasonable clarity those documents that are desired.

This response is being transmitted to you via email. Pursuant to N.J.S.A. 47:1A-5.b., the total cost associated with this request is zero.

Should you desire to clarify any aspects of your request, please identify in writing the government records sought with specificity. If I do not receive a written clarification within seven (7) business days, I will consider this matter closed. Any correspondence received after seven (7) business days will be treated as a new OPRA request.

Sincerely,

Carie A. Crone, RMC
City Clerk
