Re: Open Public Records Act Request

Dear Paul:

The Morris County Sheriff's Office ("Sheriff's Office") records custodian received your Open Public Records Act ("OPRA") request on June 19, 2024. The seven business day deadline to respond to your request is July 1, 2024. As such, the Sheriff's Office is timely responding to your request in accordance with New Jersey law. Your request seeks the following records:

Dear Morris County Sheriff's Office,

This is a request for public records made under OPRA and the common law right of access. I am not required to fill out an official form. Please acknowledge receipt of this message.

Records requested:

1. Policy for arrests and fingerprinting of individuals taken into custody.
2. Procedures for arrest, fingerprinting, and detention of those in custody.

Yours faithfully,

Paul

OPRA allows the records custodian to seek extensions of time pursuant to N.J.S.A. 47:1A-5i. In light of this request and the potentially responsive records you seek needing review and potential redaction, the Sheriff's Office anticipates requiring an additional forty five (30) days (until July 26, 2024) to compile, review, and produce the potentially responsive records in accordance with New Jersey law. The Sheriff's Office also reserves the right to request an additional extension of time if necessary. See Scheeler v. New Jersey Department of Educ., GRC Complaint No. 2014-123 (2016).

Very truly yours,
Mark Chiarolanza
