Complaint Investigation Narratives

Narrative Date 09/10/18 Narrative Author Moskwa, Julie

On 7/26/18, caller notified OCHD regarding food storage in POD outside of Popeyes Kitchen. 7/28/18, I arrived on site at 1420 hours and spoke with manager on duty. He escorted me outside and unlocked the storage unit for inspection. Inside the container were boxes of powdered batter, powdered seasoning, and flour. Each box contained sealed bags of product. There was no evidence of infestation inside the storage unit. I walked around the perimeter and did not observe any possible points of entry.

All product stored in this unit are non-perishable and do not need to be under temperature control.

Departure from site 1455 hours.

NO FURTHER ACTION REQUIRED BY THIS AGENCY AT THIS TIME.
