Mr. Mario Barilari
721 Princeton Avenue
Brick Town, NJ 08723

Dear Mr. Barilari:

Referring to written request dated 6 October 1981, I wish to inform you that, upon the recommendation of the Chief of Engineers and under the provisions of Section 10 of the Act of Congress approved 3 March 1899 (33 U.S.C. 403), entitled, "An act making appropriations for the construction, repair and preservation of certain public works on rivers and harbors, and for other purposes," authorization is hereby granted for you to reconstruct an existing bulkhead in the Metedeconk River at 721 Princeton Avenue, lot 18, block 936-D, Brick Township, Ocean County, New Jersey.

The approval does not give any property rights either in real estate or material, or any exclusive privileges, does not authorize any injury to private property or invasion of private rights, or any infringement of Federal, State or local laws or regulations, nor does it obviate the necessity of obtaining State or local assent required by law for the structure of work authorized.

The permittee will maintain the work authorized herein in good condition in accordance with the approved plans. In the event the structure is not satisfactorily maintained we will undertake action to have this permit withdrawn and to cause a removal of the structure at your expense.

That the existing bulkhead structure shall be reconstructed within 18 inches of its existing dimension and encroachment.
