Dear Jeff Epstein,

The Ocean County Health Department and Custodian of Records received your OPRA request, dated November 15, 2017 on November 15, 2017. As such, the seven (7) business day deadline to respond to your request is November 28, 2017. This answer is being furnished to you on the 7th day following your request.

The Ocean County Health Department found **no records** which are typically maintained by the Environmental division (i.e. records of Septic/Well systems, Complaint Memorandums, Inspection Reports, Notices of Violations) pertaining to your description of records regarding:

"- All complaints made during the year of 2017, as it relates to the roofing construction project and any air quality issues at Pinelands Regional High School.

- All documents of correspondence and actions taken as a result of each of those complaints."

If your request for access to a government record has been denied or unfilled within the seven (7) business days required by law, you have the right to challenge the decision by Ocean County Health Department to deny access. At your option, you may either institute a proceeding in the Superior Court of New Jersey or file a complaint with Government Records Council.

Regards,

John C. Rogers
Assistant to the Custodian of Records
