Dr. Mires,

The Historic Preservation Office in the New Jersey Department of Environmental Protection seeks to contract with a historian to conduct an investigation into visits made by Rev. Dr. Martin Luther King, Jr. to Camden during the period 1948-51, while he was a seminary student at the Crozer Theological Seminary in Upland, PA, near Chester. For more information, or to express interest in the investigation, please respond to me at your earliest convenience.

Thank you.
