Good Evening,

We all know that pick-up and drop-off can be a challenging time of the day. As we near the end of the year, I want to ask everyone to remain focused on the safety of our students and staff during pick-up and drop-off times.

The Little Egg Harbor Police Department is trained in the safe crossing of all staff and students and should be handling the crossing duties during this time. If you need assistance with crossing duties ask a police officer on site.

Remember to always conduct yourself professionally when interacting with the community and if you have any issues with pickup and drop-off please email me at nbrown@prsdnj.org.

Thank you for all your hard work.

Nick
