Open areas shall be graded evenly to eliminate holes, depressions, gullies, mounds, accumulations of debris or other unsightly or unsafe conditions.						
116-2A	6/12/2020	6/29/2020	INSTALL NUMERICAL HOUSE NUMBER WHICH CAN BE SEEN FROM STREET			
Every house, building or structure erected or located within the Township of Willingboro shall have displayed on the front of the building the number assigned to the building. The number for single family dwelling and townhouses shall be a minimum of six (6) inches in height, clearly visible on the background to which they are attached, and shall be located in a permanent place on the structure so that they will be easily visible from the street (i.e., not on front door or garage door). The address number shall be visible at night. The numbers shall be in numerical and not in script form. In addition to the number on the front of the property, all townhouses shall in addition display identical numbers on the rear of the building in a prominent place so that the numbers are easily visible from the sidewalk along the rear of the property.
